Plainwater Essays And Poetry:

Plainwater Anne Carson, 2000-03-28 The poetry and prose collected in Plainwater are a testament to the extraordinary imagination of Anne Carson a writer described by Michael Ondaatje as the most exciting poet writing in English today Succinct and astonishingly beautiful these pieces stretch the boundaries of language and literary form while juxtaposing classical and modern traditions Carson envisions a present day interview with a seventh century BC poet and offers miniature lectures on topics as varied as orchids and Ovid She imagines the muse of a fifteenth century painter attending a phenomenology conference in Italy She constructs verbal photographs of a series of mysterious towns and takes us on a pilgrimage in pursuit of the elusive and intimate anthropology of water Blending the rhythm and vivid metaphor of poetry with the discursive nature of the essay the writings in Plainwater dazzle us with their invention and enlighten us with their erudition

Plainwater Anne Carson, 1995 In For Sun s Portion Is Toil All His Days she writes Look up every bone every sky every day every you He goes working His way up blue earlobes from ocean goes thrown by rosesudden someone s already tomorrow goes riding His bed of daysided gold goes skimming sleep countries from west to east until sudden rosestopped someone s already earliness opens the back of the clock He steps in

In Translation □ Reflections, Refractions, Transformations Paul St-Pierre, Prafulla C. Kar, 2007-05-16 With contributions by researchers from India Europe North America and the Caribbean In Translation Reflections refractions transformations touches on questions of method and on topics including copyright cultural hybridity globalization identity construction and minority languages which are important for the disciplinary development of translation studies but also of interest to other fields as well most notably comparative literature cultural studies and world literature The volume provides a forum for new voices to be heard alongside those of well established scholars and for current concerns to express themselves often focusing on practices in areas of the world other than Europe or North America which have until now tended to dominate the field Acknowledging difference and celebrating it the contributions conceive of translation as a process which reconstitutes and transforms which brings renewal and growth an interaction in a new context a new reading a new writing

A Companion to Twentieth-Century Poetry Neil Roberts, 2008-06-09 In the twentieth century more people spoke English and more people wrote poetry than in the whole of previous history and this Companion strives to make sense of this crowded poetical era The original contributions by leading international scholars and practising poets were written as the contributors adjusted to the idea that the possibilities of twentieth century poetry were exhausted and finite However the volume also looks forward to the poetry and readings that the new century will bring The Companion embraces the extraordinary development of poetry over the century in twenty English speaking countries a century which began with a bipolar transatlantic connection in modernism and ended with the decentred heterogeneity of post colonialism Representation of the canonical and the marginal is therefore balanced including the full integration of women poets and feminist approaches and the in depth treatment of post colonial poets from various

national traditions Discussion of context intertextualities and formal approaches illustrates the increasing self consciousness and self reflexivity of the period whilst a Readings section offers new readings of key selected texts The volume as a whole offers critical and contextual coverage of the full range of English language poetry in the last century **Prose Poetry** Paul Hetherington,Cassandra Atherton,2020-10-13 An engaging and authoritative introduction to an increasingly important and popular literary genre Prose Poetry is the first book of its kind an engaging and authoritative introduction to the history development and features of English language prose poetry an increasingly important and popular literary form that is still too little understood and appreciated Poets and scholars Paul Hetherington and Cassandra Atherton introduce prose poetry s key characteristics chart its evolution from the nineteenth century to the present and discuss many historical and contemporary prose poems that both demonstrate their great diversity around the Anglophone world and show why they represent some of today s most inventive writing A prose poem looks like prose but reads like poetry it lacks the line breaks of other poetic forms but employs poetic techniques such as internal rhyme repetition and compression Prose Poetry explains how this form opens new spaces for writers to create riveting works that reshape the resources of prose while redefining the poetic Discussing prose poetry s precursors including William Wordsworth and Walt Whitman and prose poets such as Charles Simic Russell Edson Lydia Davis and Claudia Rankine the book pays equal attention to male and female prose poets documenting women s essential but frequently unacknowledged contributions to the genre Revealing how prose poetry tests boundaries and challenges conventions to open up new imaginative vistas this is an essential book for all readers students teachers and writers of prose poetry The Cambridge History of the American Essay Christy Wampole,Jason Childs,2023-12-14 From the country s beginning essayists in the United States have used their prose to articulate the many ways their individuality has been shaped by the politics social life and culture of this place The Cambridge History of the American Essay offers the fullest account to date of this diverse and complex history From Puritan writings to essays by Indigenous authors from Transcendentalist and Pragmatist texts to Harlem Renaissance essays from New Criticism to New Journalism The story of the American essay is told here beginning in the early eighteenth century and ending with the vibrant heterogeneous scene of contemporary essayistic writing The essay in the US has taken many forms nature writing travel writing the genteel tradition literary criticism hybrid genres such as the essay film and the photo essay Across genres and identities this volume offers a stirring account of American essayism into the twenty first century *Literature and Event* Mantra Mukim,Derek Attridge,2021-11-29 If event is a proper name we reserve for monumental changes crises transitions and ruptures that are by their very nature unnameable or unthinkable then this volume is an attempt to set up an encounter between such eventhood as it comes to have a bearing on literary works and the work of reading literature As the event continues to provide a valuable analytical paradigm for work undertaken within the newer subdisciplines of literary and critical theory including close reading bio politics world literature and eco criticism this volume makes a concerted effort to

update the scholarship in this area and foreground the recent resurgence of interest in the concept The book provides both a retrospective appraisal of the significance of events to literary studies and the literary humanities as well as contemporary and prospective appraisals of the same and thus would appeal scholars and instructors in the areas of literary theory comparative literature and philosophical aesthetics alike Along with a specialist focus on thinkers such as Derrida Badiou Deleuze and Malabou the essays in this volume read a wide corpus of literature ranging from Han Kang Homer Renee Gladman Proust and Flaubert to Yoruba ideophones Browning Anne Carson Jenichiro Oyabe and Ben Lerner *Rivermouth* Alejandra Oliva, 2024-06-18 A 2023 Indie Next List Pick A Summer Fall 2023 Adult Indies Introduce Pick A 2023 Roxanne Gay Audacious Book Club Pick Winner of the 2022 Whiting Creative Nonfiction Grant In this powerful and deeply felt memoir of translation storytelling and borders Alejandra Oliva a Mexican American translator and immigrant justice activist offers a powerful chronicle of her experience interpreting at the US Mexico border In *Rivermouth* Oliva focuses on the physical spaces that make up different phases of immigration looking at how language and opportunity move through each of them from the river as the waterway that separates the US and Mexico to the table as the place over which Oliva prepares asylum seekers for their Credible Fear Interviews and finally to the wall as the behemoth imposition that runs along America's southernmost border With lush prose and perceptive insight Oliva encourages readers to approach the painful questions that this crisis poses with equal parts critique and compassion By which metrics are we measuring who deserves American citizenship What is the point of humanitarian systems that distribute aid conditionally What do we owe to our most disenfranchised As investigative and analytical as she is meditative and introspective sharp as she is lyrical and incisive as she is compassionate seasoned interpreter Alejandra Oliva argues for a better world while guiding us through the suffering that makes the fight necessary and the joy that makes it worth fighting for *An Oresteia* Aeschylus, Sophocles, Euripides, 2010-03-02 In this innovative rendition of *The Oresteia* the poet translator and essayist Anne Carson combines three different visions Aeschylus Agamemnon Sophocles Elektra and Euripides Orestes giving birth to a wholly new experience of the classic Greek triumvirate of vengeance Carson's accomplished rendering combines elements of contemporary vernacular with the traditional structures and rhetoric of Greek tragedy opening up the plays to a modern audience from publisher description **Stepping Off the Edge** Anne McConnell, 2021-03-09 *Stepping Off the Edge* addresses the question of literary edges and endings in contemporary works of literature from France the United States Canada and Latin America The book includes discussion of works by nine different authors including Anne Carson Marie NDiaye Paul Auster and Carlos Aira It considers the way that specific texts identify and interrogate textual boundaries and also draw attention to questions of closure Each of these texts also reflects on the way we experience and write about edges and endings in our lives **The Way of the Stars** Robert Cameron Sibley, 2012 Since medieval times pilgrimages have been a popular religious or spiritual undertaking Even today between seventy and one hundred million people a year make

pilgrimages if not for expressly religious reasons then for an alternative to secular goals and the preoccupation with consumption and entertainment characteristic of contemporary life In *The Way of the Stars* the journalist Robert Sibley motivated at least in part by his own sense of discontent recounts his walks on one of the most well known pilgrimages in the Western world the Camino de Santiago A medieval route that crosses northern Spain and leads to the town of Santiago de Compostela the Camino has for hundreds of years provided for pilgrims the practice the place and the circumstances that allow for spiritual rejuvenation reflection and introspection Sibley who made the five hundred mile trek twice initially on his own and then eight years later with his son offers a personal narrative not only of the outward journey of a pilgrim s experience on the road to Santiago but also of the inward journey afforded by an interlude of solitude and a respite from the daily demands of ordinary life The month long trip put the author on a path through his own memories dreams and self perceptions as well as through the sights and sounds the tastes and sensations of the Camino itself *Classical Traditions in Modern Fantasy* Brett M. Rogers, Benjamin Eldon Stevens, 2017 *Classical Traditions in Modern Fantasy* presents fifteen all new essays on how fantasy draws on ancient Greek and Roman mythology philosophy literature history art and cult practice Ranging from harpies to hobbits from Cyclopes to Cthulhu the comparative study of Classics and fantasy reveals deep similarities between ancient and modern ways of imagining the world **Translating and Interpreting Conflict**, 2007-01-01 The relationship between translation and conflict is highly relevant in today s globalised and fragmented world and this is attracting increased academic interest This collection of essays was inspired by the first international conference to directly address the translator and interpreter s involvement in situations of military and ideological conflict and its representation in fiction The collection adopts an interdisciplinary approach and the contributors to the volume bring to bear a variety of perspectives informed by media studies historiography literary scholarship and self reflective interpreting and translation practice The reader is presented with compelling case studies of the embeddedness of translators and interpreters either on the ground or as portrayed in fiction and of their roles in mediating memorizing or rewriting conflict The theoretical reflection which the essays generate regarding mediation and neutrality ethical involvement and responsibility and the implications for translator and interpreter training will be of interest to researchers in translation interpreting media intercultural and postcolonial studies *Capacious* Gregory J. Margaryta Golovchenko Mack Hagood Marie Thompson introduced by Jonathan Sterne Jason Read and Randall Johnson Book reviews by Max Johnson Dugan Sean Grattan Megan Schoettler Benjamin Schultz Figueroa and James Arnett *If Not, Winter* Sappho, 2009-03-12 By combining the ancient mysteries of Sappho with the contemporary wizardry of one of our most fearless and original poets *If Not Winter* provides a tantalizing window onto the genius of a woman whose lyric power spans millennia Of the nine books of lyrics the ancient Greek poet Sappho is said to have composed only one poem has survived complete The rest are fragments In this miraculous new translation acclaimed poet and classicist Anne Carson presents all of Sappho's fragments in Greek and in English as if on the ragged scraps of papyrus that preserve them inviting a thrill of discovery and conjecture that can be described only as electric or to use Sappho's words as thin fire racing under skin Sappho's verse has been elevated to new heights in this gorgeous translation The New York Times Carson is in many ways Sappho's ideal translator Her command of language is honed to a perfect edge and her approach to the text respectful yet imaginative results in verse that lets Sappho shine forth Los Angeles Times [Reach without Grasping](#) Louis A. Ruprecht Jr., 2021-11-17 Anne Carson b June 21 1950 in Toronto Canada is one of the most versatile of contemporary classicists poets and translators in the English language In *Reach without Grasping* Louis A Ruprecht Jr explores the role played by generic transgressions on the one hand and by embodied spirituality on the other throughout Carson's ambitious literary career Where others see classical dichotomies soul versus body classical versus Christian Carson sees connection Like Nietzsche before her Carson decries the images of the Classics as merely bookish and of classicists as disembodied intellects She has brought religious bodily erotics back into the heart of the classical tradition *Bound Up* Leora Fridman, 2024-09-24 A provocative look at historical trauma as bound incarnated and processed through intimate and sexual expression In an autotheoretical journey through bondage domination and intimacy Leora Fridman uncovers how Jewish historical trauma can be challenged and explored in embodied relations Drawing on her experiences as an American Jew in Germany Fridman delves into BDSM practices and experimental communities from Oakland to Berlin This work weaves personal encounters with critical analysis founded in feminist theory queer literature Holocaust history and memory studies *Bound Up* begins with kink and leads us through a sensual and intelligent approach to intergenerational trauma and lived politics What kind of healing can take place in the relational and physical realm How can intimacy contradict and complement the process of political reparations Fridman layers a nuanced understanding of shame responsibility and power with explorations of cinema contemporary art and popular culture to shed light on topics from personal and political relationships to victimhood and blame Both timely and timeless this work is an address to history and the contemporary moment relevant to Jews diasporic scholars and all exploring ethical relationships with history and with other humans [Still Mad: American Women Writers and the Feminist Imagination](#) Sandra M. Gilbert, Susan Gubar, 2021-08-17 A brilliant sweeping history of the contemporary women's movement told through the lives and works of the literary women who shaped it Forty years after their first

groundbreaking work of feminist literary theory *The Madwoman in the Attic* award winning collaborators Sandra M Gilbert and Susan Gubar map the literary history of feminism s second wave From its stirrings in the midcentury when Sylvia Plath Betty Friedan and Joan Didion found their voices and Diane di Prima Lorraine Hansberry and Audre Lorde discovered community in rebellion to a resurgence in the new millennium in the writings of Alison Bechdel Claudia Rankine and N K Jemisin Gilbert and Gubar trace the evolution of feminist literature They offer lucid compassionate and piercing readings of major works by these writers and others including Adrienne Rich Ursula K Le Guin Maxine Hong Kingston Susan Sontag Gloria Anzald a and Toni Morrison Activists and theorists like Nina Simone Gloria Steinem Andrea Dworkin Eve Kosofsky Sedgwick and Judith Butler also populate these pages as Gilbert and Gubar examine the overlapping terrain of literature and politics in a comprehensive portrait of an expanding movement As Gilbert and Gubar chart feminist gains including creative new forms of protests and changing attitudes toward gender and sexuality they show how the legacies of second wave feminists and the misogynistic culture they fought extend to the present In doing so they celebrate the diversity and urgency of women who have turned passionate rage into powerful writing

The Etruscans in the Modern Imagination Sam Solecki, 2022-10-21 The Etruscans a revenant and unusual people had an Italian empire before the Greeks and Romans did By the start of the Christian era their wooden temples and writings had vanished the Romans and the early church had melted their bronze statues and the people had assimilated After the last Etruscan augur served the Romans as they fought back the Visigoths in 408 CE the civilization disappeared but for ruins tombs art and vases No other lost culture disappeared as completely and then returned to the same extent as the Etruscans Indeed no other ancient Mediterranean people was as controversial both in its time and in posterity Though the Greeks and Romans tarred them as superstitious and decadent D H Lawrence praised their way of life as offering an alternative to modernity In *The Etruscans in the Modern Imagination* Sam Solecki chronicles their unexpected return to intellectual and cultural history beginning with eighteenth century scholars collectors and archaeologists The resurrection of this vanished kingdom occurred with remarkable vigour in philosophy literature music history mythology and the plastic arts From Wedgwood to Picasso Proust to Lawrence Emily Dickinson to Anne Carson Solecki reads the disembodied traces of Etruscan culture for what they tell us about cultural knowledge and mindsets in different times and places for the way that ideas about the Etruscans can serve as a reflection or foil to a particular cultural moment and for the creative alchemy whereby artists turn to the past for the raw materials of contemporary creation The Etruscans are a cultural curiosity because of their disputed origin unique language and distinctive religion and customs but their destination is no less worthy of our curiosity *The Etruscans in the Modern Imagination* provides a fascinating meditation on cultural transmission between ancient and modern civilizations

Possession Craig E. Stephenson, 2016-08-09 The first edition of this illuminating study addressed both to readers new to Jung and to those already familiar with his work offered fresh insights into a fundamental concept of analytical psychology

This revised edition has been fully updated to reflect the publication of the DSM 5. Craig Stephenson anatomizes Jung's concept of possession, reinvesting Jungian psychotherapy with its positive potential for practice. Analogizing the concept, lining it up comparatively beside the history of religion, anthropology, psychiatry, and even drama and film criticism, offers not a naive syncretism but enlightening possibilities along the borders of these diverse disciplines. An original, wide-ranging exploration of phenomena both ancient and modern, *Possession* offers a conceptual bridge between psychology and anthropology, challenges psychiatry to culturally contextualize its diagnostic manual, and posits a much more fluid, pluralistic, and embodied notion of selfhood. It will prove essential reading for Jungian psychotherapists, analytical and depth psychologists, and psychiatrists, as well as academics and students of anthropology, mythology, and religious studies.
