Who Is to Blame for Judges 19? Grace Kwan Sik Tsoi, 2022-06-29 The horrific text of Judges 19 is puzzling especially to Chinese Christians who read the Chinese Union Version This dominant translation of the Bible seems to place the blame for the tragedy on the concubine which in turns legitimizes violence against women Using tools of narrative intertextual and ideological criticism Tsoi reveals an anti Levite rhetoric in the text that has been neglected by translators An examination of the translation context suggests that an anti concubinage agenda in the social context of Republican China might have contributed to the bias in the translation resulting in more than a century of misinterpretation among Chinese Christians

Lansdowne,2006-05-01 *The Revelation of St John* the last book of the canonical Bible has been a mystery since it first appeared No other part of the Bible has caused more controversy Traditional interpretations of the book fall into one of three categories the major prophecies that are supposed to have been fulfilled in the destruction of Jerusalem in 70 A D the historical view that *Revelation* predicts the course of human events from the founding of Christianity to the end of the world or the futurist view that *Revelation* predicts events that will occur at the end of the world It s actually none of the above writes Zachary F Lansdowne a leading expert in the field of spiritual initiation In the Introduction to this rich and complex interpretation he writes According to its own verses the *Revelation* is concerned with the present time which is whatever time we happen to be reading it and contains information that we can apply immediately to become blessed This is not a book about end times or Armageddon and when it might come This is a book written entirely in symbols concealing a path for early Christians and for the contemporary reader Lansdowne has applied a unique psychological method of interpretation that takes each symbol as depicting some aspect of human consciousness rather than

an eternal event thus showing that the Revelation is actually a detailed instruction for the spiritual journey a map to the wakening of higher consciousness Moreover while the Revelation appears in the great lineage of Judeo Christian tradition Lansdowne shows that its instruction can be appreciated and applied to seekers from any tradition Lansdowne s line by line and verse by verse interpretation presented here in an easy to read side by side format is a manual for the true seeker who would follow teachings of Jesus as they were and are laid out rather than as they have been interpreted by theologians and biblical historians The Revelation of St John when unlocked by the key of psychological methodology is revealed to contain ideas from many diverse wisdom traditions and philosophies archangels in Judaism chakras and kundalini in Hinduism Buddhist mindfulness the redemptive power of love in Christianity and absolute standards of comparison in Platonic philosophy Zachary Lansdowne s revelatory text makes these teachings of the path to true soul initiation available to seekers from every spiritual tradition *The Code of Federal Regulations of the United States of America* ,1995 The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government *Jews and Christians* William Horbury,2006-07-15 Jewish Christian contact and controversy were central to early Christian experience An understanding of this interaction and its continuation over the centuries is also central to any true understanding of the history of Christianity and of the history of Judaism The twelve chapters of this book deal especially with the interconnected subjects of polemic and biblical interpretation Nine are concerned with the ancient world beginning with post exilic Jewish writing and the New Testament and going on to later pagan Jewish and Christian controversies Three concentrate on medieval and early modern Jewish controversies William Horbury makes an important contribution to the understanding of abundant primary sources both Jewish and Christian which remain in large part under explored **The Collocation of the Adverb of Degree in Roman Comedy and Cato** Bertha Ellis Booth,1923 **Official Gazette of the United States Patent Office** USA Patent Office,1891 *Seasons to Celebrate: August to December (eBook)* Ann Richmond Fisher,2003-03-01 Celebrate special days and themes August to December with the creative ideas in this 320 page book bulletin boards teacher helps reproducible student activities resource lists parents letters and much much more Plus a CD ROM print books or zip file eBooks chock full of clip art A valuable resource to keep close at all times **Popular Science** ,1934-02 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better
