Mass gravesites uncovered after the war dot the suburbs around Prijedor I was witness to the last breaths of many of the thousands buried there but not those of my two brothers Both perished and while one has been properly buried the other s remains have yet to be found Compounding on the already insurmountable sadness of it all is that my two brothers are as many more perpetually displaced from their families without someone to mourn over their bones Today twenty five years later I am a proud husband father of two and successful businessman My sadness will always be a part of me but I have chosen and embarked on a path not dwelling on all the sorrow I d experienced but rather one dictated by an intense desire to create a life that is worth living I sometimes think there is a special energy encapsulated within me keeping me stable and pushing me forward I ve also wondered on the origins of this energy and the answer is somewhat cliched but very true I ve been through a lot and what didn t kill me has made me stronger I had been given a hunger throughout and since the suffering I experienced and it has yet to be abated A hunger for peace A hunger to tell the truth A hunger to help others A hunger to be strong A hunger to succeed Contessa of Rebellion Shannon McRoberts, To save her people she must marry the villain Lady Alessandra eldest daughter of Contessa Lia just buried her mother Altamonte tradition dictates Alessandra must pick up the mantle of Contessa as the first born daughter As Alessandra prepares to accept her duties while battling her grief Alaric her step father surprises Alessandra with a last minute royal decree from her late mother In order to claim her throne Alessandra must wed by her 26th birthday or they will strip her of her birthright Alessandra has no qualms about getting married but the deadline is less than a month away and she has yet to be introduced into society Finding a husband on such short notice is hard but finding one without a proper introduction into society is near impossible Of course Alaric has a solution for her he ll marry her Disgusted by the thought of marrying Alaric The Usurper the foreign man who killed her father Alessandra departs Altamonte in secret and rides for her cousin s home in Giradeau Once safe in King Lysander s castle Alessandra learns just how high the odds are stacked against her The only thing holding

Alaric back from reviving the war he once waged on Altamonte and the surrounding lands is his lack of control of the throne If Alessandra doesn't marry before the deadline the throne will pass to her younger half sister Jessa and Alaric becomes Regent However if Alessandra concedes and agrees to marry Alaric she may end up losing her life Faced with trying to protect both Alessandra and his own kingdom from Alaric King Lysander hatches a plot to introduce his cousin to society He hopes to free her from the impossible situation she finds herself in by finding Alessandra a suitable husband But will Lysander's efforts be enough to counteract the lies Alaric spread over the last two years Or will Alessandra have to sacrifice herself to keep Alaric at bay The Contessa of Rebellion is a standalone fantasy romance with a happily ever after sure to please fans of Bertrice Small Scroll up to one click your copy today [The Golden Junkyard](#) Wallace Calhoun, 2009-12-14

Experimental Irish Theatre I. Gately, 1883 **Dr. Todson's Home for Incurable Women** Riley LaShea, 2021-04-13 A gentle Victorian tale of women's passions and power with a sprinkle of romance a trifle of steampunk and heaps and heaps of quiet revolution Caroline Ajax is an inconvenient woman Unwell Hot tempered Harboring a tragic secret she can't share with another living soul Dropped at an institution in the Surrey Hills by her husband Thomas her only objective is to survive to endure to make it back to what little there is of her life as soon as she

possibly can But it doesn't take her long to discover there is something unusual about this house and its eclectic group of inhabitants Not to mention its unconventional proprietor Eirinn Todson is an untameable woman Brilliant Determined Forging her way through the world of men as brazenly as she knows how Her dream of becoming a doctor leads her to Dr Elizabeth Garrett Anderson and her clinic for women and children in London then onto Paris with her best friend and quasi brother Rand But an unexpected encounter and personal tragedy will change the course of Eirinn's life and future forever In the spring of 1886 Eirinn is now Dr Todson's proprietor of Dr Todson's Home for Women When Caroline Ajax is admitted into her care Eirinn has every reason to believe Caroline is just another resident Caroline has every reason to believe Dr Todson's is just another sadistic madhouse But Dr Todson's Home harbors a treasure trove of secrets some deeper and more dangerous than others and Caroline's and Eirinn's past tragedies share a common thread Together they may find a sliver of justice neither of them ever thought to get Computer Gaming World ,1997
