Planet Baywatch Brendan Baber, Eric Spitznagel, 1996      Don't Hassel the Hoff David Hasselhoff, Peter Thompson, 2007-05-15 The Los Angeles Times called him a counterculture icon and TV Guide dubbed him one of TV's Ten Most Powerful Stars but true aficionados simply call him The Hoff Don't Hassel the Hoff follows David Hasselhoff's phenomenal career from his earliest childhood role in Peter Pan to his latest adventure starring in Mel Brooks's Tony award winning musical The Producers There is no better time to celebrate Hasselhoff's life and a career that continues to grow and thrive As the star of the extremely popular classic television shows Baywatch and Knight Rider Hasselhoff is an international mega star with platinum album sales and starring roles on Broadway and London's West End As this fascinating memoir reveals there's more to this handsome superstar than great hair and legs that look good while running down a beach The Hoff is also a smart caring man with a huge heart This book is my opportunity to print something from my heart to tell the truth about what happened to me on the long and winding road from Baltimore to Baywatch to Broadway and beyond And the truth is not to be found in tabloid stories but in my actions I am a good father and tried to be a good husband I love people and the emotional rollercoaster that goes with human relationships I love all the bewildering crazy and wonderful things that life has to offer This book is about my successes and my failures my strengths and my weaknesses And above all it is about the hope contained in the Knight Rider slogan One man can make a difference David Hasselhoff Full of behind the scenes looks at Hasselhoff's television series celebrations of his proudest moments and the truths about his struggles with relationships and alcohol Don't Hassel the Hoff is both highly entertaining and deeply personal making this an engrossing page turner from start to finish Long live The Hoff      *The Television History Book* Michele Hilmes, Jason Jacobs, 2021-03-11 Traces the history of broadcasting and the influence developments in broadcasting have had over our social cultural and economic practices Examining the broadcasting traditions of the UK and USA The Television History Book makes connections between events and tendencies that both unite and differentiate these national broadcasting traditions      Teleparody Angela Hague, David Lavery, 2002 In a cautionary attempt to dissuade those who might be tempted to write such material Teleparody is a compilation of reviews of fictional but all too possible contributions to academic Television Studies      *Planet Simpson* Chris Turner, 2010-05-28 A smart accessible and funny cultural analysis of The Simpsons its inside stories and the world it reflects From Bart Simpson to Monty Burns the Internet boom to the slow drowning of Tuvalu Planet Simpson explores how one of the most popular shows in television history has changed the way we look at our bewildering times Award winning journalist Chris Turner delves into the most esoteric of Simpsons fan sites and on line subcultures the show's inside jokes its sharpest parodies and its ongoing love hate relationship with celebrity to reveal a rarity of literary accomplishment and pop cultural import something never before achieved by a cartoon Complementing its satirical brilliance The Simpsons boasts a beloved cast of characters examined here in playful and scrupulous detail Homer selfish tyrannical

and not too bright but always contentedly beholden to his family Bart pre teen nihilist and punk icon Lisa junior feminist crusader and Marge archetypical middle American mother perpetually dragging her family kicking and screaming to higher moral ground And while the voice actors behind the regular cast have eschewed celebrity Turner considers why a stunning host of guests Hollywood icons and has been politicians professional athletes poets and pop stars have submitted themselves to the parodic whims of the Simpsons writers Intelligent and rambunctious absorbing and comic Planet Simpson mines this modern cultural institution for its imaginative hilarious but always dead on reflections on our world Excerpt from Planet Simpson Three Fun Facts About D oh 1 The Oxford English Dictionary defines d oh as Expressing frustration at the realization that things have turned out badly or not as planned or that one has just said or done something foolish 2 The origins of D oh A Tracey Ullman era Simpsons script called for Homer to respond to an unfortunate turn of events thus annoyed grunt Dan Castellaneta the voice actor who plays Homer improvised the exclamation D oh It stuck 3 The godfather of D oh Dan Castellaneta freely admits that he lifted Homer s famous yelp from James Finlayson a Scottish actor who played a bald cross eyed villain in a number of Laurel Hardy films in the 1930s Finlayson s annoyed grunt was a more drawn out groan Dooooohhh Castellaneta sped it up to create Homer s trademark
