Poems After Martial

Arthur Leslie Wheeler

Poems After Martial:

Poems After Martial Martial, Philip Murray, 1967-01-01 **Poetry for Patrons** Ruurd R. Nauta, 2017-09-18 A study of the phenomenon of literary patronage both non imperial and imperial during the reign of the Roman emperor Domitian 81 96 A D This work centres on the Epigrams of Martial and the *Silvae* of Statius The book deals not only with the relationships between poets and patrons but also with the audiences and the functions of patron oriented poetry It includes discussions of such topics as patronage versus friendship the poetic I the role of poetry at symposia and festivals dedication and publication the influence of rhetoric on poetry and the poetic representation of imperial power The book should prove of interest not only to specialists in Roman poetry but also to ancient historians and to students of literary patronage in other cultures All Latin and Greek is translated **A Prosopography to Martial's Epigrams** Rosario Moreno Soldevila, Alberto Marina

Castillo, Juan Fernández Valverde, 2019-02-19 A Prosopography to Martial's Epigrams is the first dictionary of all the characters and personal names found in the work of Marcus Valerius Martialis containing nearly 1 000 comprehensive entries Each of them compiles and analyses all the relevant information regarding the characters themselves as well as the literary implications of their presence in Martial's poems Unlike other works of this kind the book encompasses not only real people whose positive existence is beyond doubt but also fictional characters invented by the poet or inherited from the cultural and literary tradition Its entries provide the passages of the epigrams where the respective characters appear the general category to which they belong the full name in the case of historical characters onomastic information especially about frequency meaning and etymology other literary or epigraphical sources a prosopographical sketch a discussion of relevant manuscript variants and a bibliography Much attention is paid to the literary portrayal of each character and the poetic usages of their names This reference work is a much needed tool and is intended as a stimulus for further research

Martial's ^IEpigrams^R Book Two, 2004-01-08 This edition provides an English translation of and detailed commentary on the second book of epigrams published by the Latin poet Marcus Valerius Martialis The past ten years have seen a resurgence of interest in Martial's writings But contemporary readers are in particular need of assistance when approaching these epigrams and until now there has been no modern commentary dedicated to Book II This new commentary carefully illuminates the allusions to people places things and cultural practices of late first century Rome that pervade Martial's poetry It analyzes the epigrammatist's poems as literary creations treating such topics as the structure of the individual poems and of the book as a whole and the influence of earlier texts on Martial's language and themes

Roman Life and Manners Under the Early Empire Ludwig Friedlaender, 1913 **Intertextuality in Pliny's Epistles** Margot Neger, Spyridon Tzounakas, 2023-09-21 Pliny's Epistles are full of literary artistry This volume of essays by an impressive international team of scholars showcases this by exploring the intertextual interdiscursive and also intermedial character of the collection It provides a contribution to the recent scholarly interest in Latin prose intertextuality and in the

literary and cultural interactions of the Imperial period Focusing on the whole collection as well as on single books and selected letters it investigates Pliny's strategies of incorporating literary models and genres into his epistolary oeuvre thus creating a kind of super genre himself In addition to displaying Pliny's literary techniques the volume also serves as an advanced introduction to Latin prose poetics

A Companion to Ancient Epigram Christer Henriksén, 2019-02-12 A delightful look at the epic literary history of the short poetic genre of the epigram From Nestor's inscribed cup to tombstones bathroom walls and Twitter tweets the ability to express oneself concisely and elegantly continues to be an important part of literary history unlike any other This book examines the entire history of the epigram from its beginnings as a purely epigraphic phenomenon in the Greek world where it moved from being just a note attached to physical objects to an actual literary form of expression to its zenith in late 1st century Rome and further through a period of stagnation up to its last blooming just before the beginning of the Dark Ages A Companion to Ancient Epigram offers the first ever full scale treatment of the genre from a broad international perspective The book is divided into six parts the first of which covers certain typical characteristics of the genre examines aspects that are central to our understanding of epigram and discusses its relation to other literary genres The subsequent four parts present a diachronic history of epigram from archaic Greece Hellenistic Greece and Latin and Greek epigrams at Rome all the way up to late antiquity with a concluding section looking at the heritage of ancient epigram from the Middle Ages up to modern times Provides a comprehensive overview of the history of the epigram The first single volume book to examine the entire history of the genre Scholarly interest in Greek and Roman epigram has steadily increased over the past fifty years Looks at not only the origins of the epigram but at the later literary tradition A Companion to Ancient Epigram will be of great interest to scholars and students of literature world literature and ancient and general history It will also be an excellent addition to the shelf of any public and university library

Martial's Rome Victoria Rimell, 2008 Explores Martial's radical vision of the relationship between art and reality and his role in formulating modern perceptions of Rome

Homosexuality in the Ancient World Wayne R. Dynes, Stephen Donaldson, 1992 This book is a collection of essays focusing on homosexual behavior in Mesopotamia Egypt Ancient Greece and Ancient Rome

The Ordered Day James Ker, 2023-03-21 Traces how the day has served as a key organizing concept in Roman culture and beyond How did ancient Romans keep track of time What constituted a day in ancient Rome was not the same twenty four hours we know today In *The Ordered Day* James Ker traces how the day served as a key organizing concept both in antiquity and in modern receptions of ancient Rome Romans used the story of how the day emerged as a unit of sociocultural time to give order to their own civic and imperial history Ancient literary descriptions of people's daily routines articulated distinctive forms of life within the social order And in the imperial period and beyond outsiders such as early Christians in their monastic rules and modern antiquarians in books on daily life ordered their knowledge of Roman life through reworking the day as a heuristic framework Scholarly interest in Roman time has recently moved from the larger

unit of the year and calendar to smaller units of time especially in the study of sundials and other timekeeping technologies of the ancient Mediterranean Through extensive analysis of ancient literary texts and material culture as well as modern daily life handbooks Ker demonstrates the privileged role that small time played and continues to play in Roman literary and cultural history Ker argues that the ordering of the day provided the basis for the organizing of history society and modern knowledge about ancient Rome For readers curious about daily life in ancient Rome as well as for students and scholars of Roman history and Latin literature *The Ordered Day* provides an accessible and fascinating account of the makings of the Roman day and its relationship to modern time structures

Writings on Writing Thomas H. Brennan, 2024-10-18 From medieval to contemporary classic authors to journalists the writers quoted in this reference work bring to life the triumphs the musings the frustrations the insights of the craft of writing The more than 1 200 quotations are arranged under broad categories such as autobiography and biography books journalism poets and poetry words writers and language Each entry gives the author source and date Sources include essays journals diaries letters interviews and in a few instances fictional works

Poetry Today Anthony Thwaite, 2016-04-15 This is the most authoritative and up to date survey of contemporary British poetry 1960 1995 It is the third version but second edition published by Longman of a successful survey that first appeared 30 years ago and provides a succinct and accessible overview of British poets movements and themes ideal for English courses and the general reader alike

Plagiarism in Latin Literature Scott McGill, 2012-07-05 A study of the concept of plagiarism in Rome and the functions that accusations and denials had in Roman culture

A Book of Love Poetry Jon Stallworthy, 1986-12-11 Poets through the ages offer interpretations of love's changing moods and forms

The Poems of Thomas Sheridan Thomas Sheridan, 1994 The reputation of Thomas Sheridan has probably suffered from the occasional ridicule of his longtime friend and collaborator Jonathan Swift Nevertheless Swift valued Sheridan's wit and company immensely and the verse warfares in which the two friends often indulged were not always won by Swift Sheridan was not only one of the most memorable Dubliners of the early eighteenth century Convivial charming highspirited and feckless he was also a prominent schoolmaster the best in Europe according to Swift cleric translator playwright essayist and a prolific writer of accomplished light verse Called Tom Pun Sibi or Tom the Punster because of his droll essay *The Art of Punning* he poured forth a seemingly endless stream of punning

satires verse letters to his friends and satirical observations on the Dublin of his day For all of his prolific output only some of his Swift poems have remained in print and they are in various editions of Swift s verse This volume gathers together for the first time Sheridan s complete poetic works including those published as broadsides or in contemporary journals and those contained in unpublished letters and manuscripts Of particular interest for such a social poet is the inclusion of poems to and about Sheridan by his many friends and very vocal enemies

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Catullus and the Traditions of Ancient Poetry Arthur Leslie Wheeler,2023-04-28 This volume part of the esteemed Sather Classical Lectures series explores the enduring legacy of Catullus and his intricate relationship with the traditions of Graeco Roman poetry Delivered at the University of California Berkeley in 1928 these lectures aim to illuminate Catullus poetic genius by tracing his debts to the literary past With a philologist s precision the book delves into how the poet s originality intertwined with his influences offering a comprehensive analysis of his connections to earlier works particularly through newly examined materials like the fragments of Callimachus Coma Berenices Through a blend of accessible discussion and detailed scholarship the volume bridges popular and academic approaches making it an engaging resource for both specialists and enthusiasts of classical literature The author combines rigorous research with an engaging narrative style to examine Catullus artistry and historical significance This exploration highlights his importance in shaping both ancient and modern poetic traditions while the appended notes provide bibliographic references for further inquiry Designed to both entertain and educate this hybrid work captures the essence of Catullus literary world and offers readers a rich understanding of his creative methods and their broader cultural impact Perfect for those with an appreciation of classical poetry the book serves as a vital contribution to the study of one of Rome s most celebrated poets This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1934

Shakespeare and the Young Writer Fred Sedgwick,2002-01-31 Shakespeare and the Young Writer presents fascinating and impressive accounts of primary school children encountering Shakespeare s work for the first time Fred Sedgwick shows how careful selection of scenes lines and images from the plays and sonnets in their original language can be used to great effect as the starting point for children s writing Examples of children s work show just how powerful the stimulus can be The book will be of great value to all teachers looking for new ideas to improve their practice in teaching literacy

Leigh Hunt and the Poetry of Fancy Rodney Stenning Edgecombe,1994 Like Wordsworth Hunt divided his output into loose generic categories when he began preparing a select edition of his poetry toward the end of his life categories retained and amplified by H S Milford in his 1923 edition Edgecombe has used these divisions as a way of organizing his study and also of illustrating the immense range of forms and

genres that the poet explored in the course of a long career **How to Write Poetry** Fred Sedgwick, 2005-08-01 Plenty of people want to write poetry yet while it is not necessarily difficult to write poetry badly it is harder to write it well In this guide Fred Sedgwick explains with numerous examples from successful poets how the creative process works from the initial impulse to write all the way through to the crafted and expressive poetry at the end
