variety of outlets particularly the Internet Barton explores how new media has transformed exotic dancing allowing dancers to build an online brand but also introducing possibilities for customers to take unauthorized nude photos and videos of the entertainers And finally Barton speaks to new dancers as well as dancers she interviewed in the previous edition examining how the toll of stripping still impacts the lives of exotic dancers in a changing industry Incorporating new scholarship new observations and increased awareness of emerging media technology Barton brings a fresh and important perspective on the challenges that women face working in the still thriving world of exotic dancing **Global Crossroads in Social Welfare**

Élieth P. Éyébiyi, Peter Herrmann, Veronica Sheen, 2010 This volume brings together a cross section of papers presented at the 33rd International Council of Social Welfare ICSW conference in Tours France in July 2008 The contributions raise important topics offering great insight into the multiplicity of ways that nations and communities are responding to the challenges of globalisation as well as internal demands for greater social justice and equality as well as mechanisms for civil society Back cover Negotiating Sex Work Carisa R. Showden, Samantha Majic, 2014-04-01 Globally discussions about sex work focus on exploitation The media regularly provides us with stories about teen girls coerced to perform sexual acts for money frequently beaten and robbed by their pimps or traffickers While one would have to be hard pressed to deny that sex workers are victimized the popular media and our political leaders emphasize sex work as exclusively exploitative In Negotiating Sex Work Carisa R Showden and Samantha Majic present a series of essays that depict sex work as an issue far more complex than generally perceived Positions on sex work are primarily divided between those who consider that selling sexual acts is legitimate work and those who consider it a form of exploitation Organized into three parts Negotiating Sex Work rejects this either/or framework and offers instead diverse and compelling contributions that aim to reframe these viewpoints Part I addresses how knowledge about sex work and sex workers is generated The next section explores how nations and political actors who claim to protect individuals in sex work often further marginalize them Finally part III examines sex workers own political organizational efforts to combat laws and policies that deem them deviant sinful or total victims A timely and necessary intervention into sex work debates this volume challenges how policy makers and the broader public regard sex workers capacity to advocate for their own interests Contributors Cheryl Auger Sarah Beer Dawson College Montreal Michele Tracy Berger U of North Carolina Chapel Hill Thaddeus Gregory Blanchette Federal U of Rio de Janeiro Raven Bowen Gregg Bucken Knapp U of Gothenburg Sweden Ana Paula da Silva Federal U of Vi o sa Valerie Feldman Gregor Gall U of Bradford Kathleen Guidroz Georgetown U Annie Hill U of Minnesota Johan Karlsson Schaffer U of Oslo Edith Kinney Mills College Yasmin Lalani Pia Levin Alexandra Lutnick Tamara O Doherty U of the Fraser Valley British Columbia Joyce Outshoorn U of Leiden Francine Tremblay Concordia U Montreal Encyclopedia of Interpersonal Violence Claire M. Sex Work and Human Dignity Stewart Cunningham, 2020-11-02 The notion of human dignity is frequently yet enigmatically invoked in legal and political debates on sex work where many people use it without much elaboration on exactly what they mean by it Sex Work and Human Dignity Law Politics and Discourse sheds light on this enigma by exploring how dignity based discourses are used by those who write and talk about prostitution and also what role these discourses may play in shaping wider cultural understandings of sex work and sex workers The book draws on political discourse theory and is international in its scope with analysis of legal cases textual sources and empirical data gathered through interviews with activists from several different countries in the Global North and South The book traces how the concept of dignity is used in a range of legal and political discourses on sex work and ultimately asks to what extent dignity

based discourses help to advance or hinder sex workers social inclusion This book will appeal to students and researchers interested in sex work and feminism as well as those who study human dignity Its interdisciplinary nature means it will appeal to those working in a range of disciplines including law sociology philosophy and political theory Igniting the Power of Community Paul A. Gaist,2009-12-04 Igniting the Power of Community The Role of CBOs and NGOs in Global Public Health introduces readers to the pursuit and potential of community based organizations and nongovernmental organizations to transform global public health At a time of unprecedented challenges economic crises social inequalities environmental stressors emerging health threats these organizations are initiating and driving change often being the first to call attention to the issues and increasingly forging significant and sustainable solutions Through concrete examples success stories and cautionary tales from experienced practitioners Igniting the Power of Community demonstrates why understanding the roles of the diverse organizations of this sector is vital to anyone concerned with improving health and public health today This forward thinking book explains how citizen sector organizations work their immediate and long term impact on public health and the key players and business dynamics involved With an emphasis on innovative approaches it provides an insiders view into practical considerations regarding organizational structure financing and operations A sampling of the coverage The new era of social entrepreneurship and philanthropy Sustainability in international public health NGOs Front line perspectives from both well established and grassroots CBOs Faith based organizations and public health NGOs and the military evolving relationships in conflict and disaster zones Understanding the environmental health movement and its impact Project YEAH a youth AIDS organizations story Whether you are involved in clinical care health research public health programs or policy development and implementation this book provides key insights and skills and will serve as an invaluable resource in working most effectively with and within these dynamic organizations body What is to Be Done About Crime and Punishment? Roger Matthews,2016-06-06 This book responds to the claim that criminology is becoming socially and politically irrelevant despite its exponential expansion as an academic sub discipline It does so by addressing the question what is to be done in relation to a number of major issues associated with crime and punishment The original contributions to this volume are provided by leading international experts in a wide range of issues They address imprisonment drugs gangs cybercrime prostitution domestic violence crime control as well as white collar and corporate crime Written in an accessible style this collection aims to contribute to the development of a more public criminology and encourages students and researchers at all levels to engage in a form of criminology that is more socially relevant and more useful Principles of Trauma Therapy John N. Briere,Catherine Scott,2014-03-25 Thoroughly updated with DSM 5 content throughout Principles of Trauma Therapy Second Edition DSM 5 Update is both comprehensive in scope and highly practical in application This popular text provides a creative synthesis of cognitive behavioral relational affect regulation mindfulness and psychopharmacologic approaches to the real world treatment of acute and chronic posttraumatic states Grounded in

empirically supported trauma treatment techniques and adapted to the complexities of actual clinical practice this book is a hands on resource for front line clinicians those in private practice and graduate students of public mental health Sex Work Politics Samantha Majic,2014-01-15 In San Francisco the St James Infirmary SJI and the California Prostitutes Education Project CAL PEP provide free nonjudgmental medical care counseling and other health and social services by and for sex workers a radical political commitment at odds with government policies that criminalize prostitution To maintain and expand these much needed services and to qualify for funding from state federal and local authorities such organizations must comply with federal and state regulations for nonprofits In Sex Work Politics Samantha Majic investigates the way nonprofit organizations negotiate their governmental obligations while maintaining their commitment to outreach and advocacy for sex workers rights as well as broader sociopolitical change Drawing on multimethod qualitative research Majic outlines the strategies that CAL PEP and SJI employ to balance the conflicting demands of service and advocacy which include treating sex work as labor with legitimate occupational health and safety concerns empowering their clients with civic skills to advance their political commitments outside the nonprofit organization and conducting and publishing research and analysis to inform the public and policymakers of their constituents needs Challenging the assumption that activists must sell out and abandon radical politics to manage formal organizations Majic comes to the surprising conclusion that it is indeed possible to maintain effective advocacy and key social movement values beliefs and practices even while partnering with government agencies Sex Work Politics significantly contributes to studies of transformational politics with its nuanced portrait of nonprofits as centers capable of sustaining political and social change **Sexual and Gender-Based Violence** Veronica Ades,2020-03-27 This book is an accessible guide to caring for survivors of sexual and gender based violence SGBV Sexual violence is broadly defined in order to include sexual assault but also often forgotten subjects such as female genital cutting sex trafficking and military sexual violence The average practitioner gynecologist or otherwise will undoubtedly encounter a victim of some sexual violence during their time in practice and this guide is designed to answer all questions on how to approach treat and understand a survivor of sexual violence Written by a multidisciplinary team of medical psychological and legal experts the book is organized into four sections The first section begins with a scholarly analysis of trauma and how to discuss that trauma with patients The second section covers types of violence and populations at risk including intimate partner violence sex trafficking and LGBTQ considerations The third section provides critical focus on the examination procedure providing strategies for speaking to survivors and conducting a sensitive medical examination Within each of these chapters the reader will find experts sharing their tips best practices and understandings of exactly how trauma affects care The final section covers medicolegal legal issues providing a basic introduction to general legal processes regarding sexual violence matters in the US in order to serve as a resource for any practitioner presented with legal questions by a patient This book gives a comprehensive overview of clinical care for survivors of SGBV The clinical focus of
