Radical Passion Otilie Assings Reports From America And Letters To Frederick Douglass:

Radical Passion Otilie Assing, 1999 *Radical Passion* examines eighty essays and reports on the United States 1852 1865 by the German American journalist Otilie Assing 1819 1884 along with twenty seven extant letters from Assing to Frederick Douglass during the years 1870 1879 A keen and critical observer of the American scene before and during the Civil War Assing was passionately committed to her personal freedom and to political and social equality for African Americans She believed in radical social movements backed the German Revolution of 1848 and became an enthusiastic supporter of radical abolitionism women s emancipation and civil rights for black Americans For almost three decades she and Frederick Douglass were close intellectual collaborators and lovers The reports and essays originally written in German are presented in their first English translation an introduction provides biographical background and historical context *Women in the World of Frederick Douglass* Leigh Fought, 2017 A biographical study of famed abolitionist Frederick Douglass through his relationships with the women in his life that reveals the man from both a political public and private perspective *The German-American Encounter* Frank Trommler, Elliott Shore, 2001 While Germans the largest immigration group in the United States contributed to the shaping of American society and left their mark on many areas from religion and education to food farming political and intellectual life Americans have been instrumental in shaping German democracy after World War II Both sides can claim to be part of each other s history and yet the question arises whether this claim indicates more than a historical interlude in the forming of the Atlantic civilization In this volume some of the leading historians social scientists and literary scholars from both sides of the Atlantic have come together to investigate for the first time in a broad interdisciplinary collaboration the nexus of these interactions in view of current and future challenges to German American relations **Encyclopedia of Emancipation and Abolition in the Transatlantic World** Junius P. Rodriguez, 2015-03-26 The struggle to abolish slavery is one of the grandest quests and central themes of modern history These movements for freedom have taken many forms from individual escapes violent rebellions and official proclamations to mass organizations decisive social actions and major wars Every emancipation movement whether in Europe Africa or the Americas has profoundly transformed the country and society in which it existed This unique A Z encyclopedia examines every effort to end slavery in the United States and the transatlantic world It focuses on massive broad based movements as well as specific incidents events and developments and pulls together in one place information previously available only in a wide variety of sources While it centers on the United States the set also includes authoritative accounts of emancipation and abolition in Europe Africa the Caribbean and Latin America The Encyclopedia of Emancipation and Abolition provides definitive coverage of one of the most significant experiences in human history It features primary source documents maps illustrations cross references a comprehensive chronology and bibliography and specialized indexes in each volume and covers a wide range of individuals and the major themes and ideas that motivated them to confront and abolish slavery *The Cambridge*

Companion to Frederick Douglass Maurice S. Lee, 2009-06-11 An engaging and informative overview of the life and works of Frederick Douglass

Abolitionist Cosmopolitanism: Reconfiguring Gender, Race, and Nation in American Antislavery Literature Pia Wiegink, 2022-09-19 Abolitionist Cosmopolitanism redefines the potential of American antislavery literature as a cultural and political imaginary by situating antislavery literature in specific transnational contexts and highlighting the role of women as producers subjects and audiences of antislavery literature Pia Wiegink draws attention to locales authors and webs of entanglement between texts ideas and people Perceived through the lens of gender and transnationalism American antislavery literature emerges as a body of writing that presents profoundly reconfigured literary imaginations of freedom and equality in the United States prior to the Civil War *The Rabbi's Atheist Daughter* Bonnie S. Anderson, 2017 The first modern biography of one of the nineteenth century's most prominent radical activists written by an acclaimed senior feminist historian [The Communist and the Revolutionary Liberal in the Second American Revolution](#) August H. Nimtz, Kyle A. Edwards, 2024-08-05 Nimtz's and Edwards's real time comparative political analysis offers a unique look at two historically consequential figures with two very different theoretical and political perspectives both of whom expertly examined the most contentious issue of the nineteenth century By juxtaposing the political thought and activism of Karl Marx and Frederick Douglass Nimtz and Edwards are able to make insightful observations and conclusions about race and class in America The Communist and the Revolutionary Liberal reveals how two still competing political perspectives liberalism and Marxism performed when the biggest breakthrough for the millennial old democratic quest after the French Revolution occurred the abolition of chattel slavery in the United States In so doing it presents potential lessons for today Listen to the podcast about this title on New Books Network

German Women Writers and the Spatial Turn: New Perspectives Carola Daffner, Beth A. Muellner, 2015-07-01 In the last few decades the phrase spatial turn has received increased attention in German Studies inspired by developments within the discipline of geography The volume *German Women Writers and the Spatial Turn New Perspectives* engages the analytical category of space and the spatial turn in the context of German women's writing The collection of essays divides its discussion of spatiality in German literature into sections that reflect privileged sites within the current scholarly debates around space Essays look to such issues as environmentalism globalization migration and immigration concerns of belonging points of encounter spaces and places of im mobility topographies of departure and arrival movement motion or shifting identities *German Women Writers and the Spatial Turn New Perspectives* continues the challenge to understand the representation of space and place in German language texts by focusing on how spatial theory figures into the realm of feminist thinking and writing [Giants](#) John Stauffer, 2008-11-03 Frederick Douglass and Abraham Lincoln were the preeminent self made men of their time In this masterful dual biography award winning Harvard University scholar John Stauffer describes the transformations in the lives of these two giants during a major shift in cultural history when men rejected the status quo and embraced new ideals of

personal liberty As Douglass and Lincoln reinvented themselves and ultimately became friends they transformed America Lincoln was born dirt poor had less than one year of formal schooling and became the nation s greatest president Douglass spent the first twenty years of his life as a slave had no formal schooling in fact his masters forbade him to read or write and became one of the nation s greatest writers and activists as well as a spellbinding orator and messenger of audacious hope the pioneer who blazed the path traveled by future African American leaders At a time when most whites would not let a black man cross their threshold Lincoln invited Douglass into the White House Lincoln recognized that he needed Douglass to help him destroy the Confederacy and preserve the Union Douglass realized that Lincoln s shrewd sense of public opinion would serve his own goal of freeing the nation s blacks Their relationship shifted in response to the country s debate over slavery abolition and emancipation Both were ambitious men They had great faith in the moral and technological progress of their nation And they were not always consistent in their views John Stauffer describes their personal and political struggles with a keen understanding of the dilemmas Douglass and Lincoln confronted and the social context in which they occurred What emerges is a brilliant portrait of how two of America s greatest leaders lived

The Frederick Douglass Papers

Frederick Douglass,2023-09-12 The selected correspondence of the great American abolitionist and reformer dating from the immediate post Civil War years This third volume of Frederick Douglass s Correspondence Series exhibits Douglass at the peak of his political influence It chronicles his struggle to persuade the nation to fulfill its promises to the former slaves and all African Americans in the tempestuous years of Reconstruction Douglass s career changed dramatically with the end of the Civil War and the long sought after emancipation of American slaves the subsequent transformation in his public activities is reflected in his surviving correspondence In these letters from 1866 to 1880 Douglass continued to correspond with leading names in antislavery and other reform movements on both sides of the Atlantic and political figures began to make up an even larger share of his correspondents The Douglass Papers staff located 817 letters for this time period and selected 242 or just under 30 percent of them for publication The remaining 575 letters are summarized in the volume s calendar

Killing the Poormaster Holly Metz,2012-10-01 On February 25 1938 in the early days of the welfare system the reviled poormaster Harry Barck wielding power over who would receive public aid died from a paper spike thrust into his heart Barck was murdered the prosecution would assert by an unemployed mason named Joe Scutellaro In denying Scutellaro money Barck had suggested the man s wife prostitute herself on the streets rather than ask the city of Hoboken New Jersey for aid The men scuffled Scutellaro insisted that Barck fell on his spike the police claimed he grabbed the spike and stabbed Barck News of the poormaster s death brought national attention to the plight of ten million unemployed living in desperate circumstances A team led by celebrated attorney Samuel Leibowitz of Scottsboro Boys fame worked to save Scutellaro from the electric chair arguing that the jobless man s struggle with the poormaster was a symbol of larger social ills The trial became an indictment of a system which expects a man to live in this great democracy under such shameful circumstances

We live in a time where the issues examined in *Killing the Poormaster* massive unemployment endemic poverty and the inadequacy of public assistance remain vital With its insight into our social contract *Killing the Poormaster* reads like today's news

Germany and the Black Diaspora Mischa Honeck, Martin Klimke, Anne Kuhlmann, 2013-07-01 The rich history of encounters prior to World War I between people from German speaking parts of Europe and people of African descent has gone largely unnoticed in the historical literature not least because Germany became a nation and engaged in colonization much later than other European nations This volume presents intersections of Black and German history over eight centuries while mapping continuities and ruptures in Germans perceptions of Blacks Juxtaposing these intersections demonstrates that negative German perceptions of Blackness proceeded from nineteenth century racial theories and that earlier constructions of race were far more differentiated The contributors present a wide range of Black German encounters from representations of Black saints in religious medieval art to Black Hessians fighting in the American Revolutionary War from Cameroonian children being educated in Germany to African American agriculturalists in Germany's protectorate Togoland Each chapter probes individual and collective responses to these intercultural points of contact

Paths Crossing Cora Lee Kluge, 2011 Essays presented at a conference held in Madison Wis in April 2009 during observances of the twenty fifth anniversary of the founding of Max Kade Institute for German American Studies at University of Wisconsin Madison

EVOLVING ORIGINS, TRANSPLANTING CULTURES Antonia Domínguez Miguela, Laura Paloma Alonso Gallo, 2021-10-02 Colección de ensayos críticos de obras literarias norteamericanas firmadas por escritores exiliados y emigrantes o por sus descendientes ya nacidos en EE UU de origen cubano mexicano puertorriqueño o dominicano así como afrocaribeño y europeo Las obras literarias que se analizan fueron publicadas después de la Segunda Guerra Mundial si bien se han incluido otras anteriores por ser antecedentes de esta literatura de diversas diásporas The volume is a collection of critical essays on North American literary works produced by immigrant and exiled writers or American born descendants of Cuban Mexican Puerto Rican Dominican Asian European and Afro Caribbean origin These literary works were published after the Second World War even though some earlier works have been included as antecedents of these literatures of diasporas They create an amalgam of what being an American means in contemporary society

African American Writing Werner Sollors, 2016-04-29 Werner Sollors *African American Writing* takes a fresh look at what used to be called Negro literature The essays collected here ranging in topic from Gustavus Vassa Olaudah Equiano to LeRoi Jones Amiri Baraka and in time from the Enlightenment to the Obama presidency take a literary approach to black writing and present writers as readers and as intellectuals who were or are open to the world From W E B Du Bois commenting on Richard Wagner and Elvis Presley to Zora Neale Hurston attacking *Brown v Board of Ed* in a segregationist newspaper to Charles Chesnut's effigy darkened for the black heritage postage stamp Sollors alternates between close readings and broader cultural contextualizations to delineate the various aesthetic modes and intellectual exchanges that shaped a series of striking literary works Readers will make often surprising

discoveries in the authors writing and in their encounters and dialogues with others The essays accompanied by Winold Reiss's pastels Carl Van Vechten's photographs and other portraits attempt to honor this important literature's achievement heterogeneity and creativity *The Black Hearts of Men* John Stauffer,2009-06-30 At a time when slavery was spreading and the country was steeped in racism two white men and two black men overcame social barriers and mistrust to form a unique alliance that sought nothing less than the end of all evil Drawing on the largest extant bi racial correspondence in the Civil War era John Stauffer braids together these men's struggles to reconcile ideals of justice with the reality of slavery and oppression Who could imagine that Gerrit Smith one of the richest men in the country would give away his wealth to the poor and ally himself with Frederick Douglass an ex slave And why would James McCune Smith the most educated black man in the country link arms with John Brown a bankrupt entrepreneur along with the others Distinguished by their interracial bonds they shared a millennialist vision of a new world where everyone was free and equal As the nation headed toward armed conflict these men waged their own war by establishing model interracial communities forming a new political party and embracing violence Their revolutionary ethos bridged the divide between the sacred and the profane black and white masculine and feminine and civilization and savagery that had long girded western culture In so doing it embraced a malleable and black hearted self that was capable of violent revolt against a slaveholding nation in order to usher in a kingdom of God on earth In tracing the rise and fall of their prophetic vision and alliance Stauffer reveals how radical reform helped propel the nation toward war even as it strove to vanquish slavery and preserve the peace **Radical**

Relationships Alison Clark Efford,Viktorija Bilic,2021-09-01 This collection of intimate letters reveals the remarkable radicalism personal and political of Mathilde Franziska Anneke Anneke first became a well known feminist and democrat in Prussia earning notoriety for divorcing her first husband and fighting in the German Revolutions of 1848 1849 After moving to the United States she became a noted proponent of woman suffrage working with Elizabeth Cady Stanton and Susan B Anthony Like many other refugees of the German revolutions Anneke was deeply involved in the Civil War **Radical Relationships** focuses on the years 1859 1865 which encompassed not only the war but also Anneke's intense romantic friendship with Yankee abolitionist Mary Booth Over the course of seven years Anneke supported Mary through her husband's trial for rape When Sherman Booth was later imprisoned for his abolitionist activity Anneke conspired to spring him from jail The two women then moved with three of their children to Zurich Switzerland where they collaborated on antislavery fiction and mixed with leading European radicals such as Ferdinand Lassalle From Europe they followed the fate of German born soldiers in the Union army including Anneke's husband Fritz and his court martial Throughout her career Anneke's intimate relationships informed her politics and sustained her activism Her correspondence with Fritz and Mary Booth provides fresh perspectives on the transnational dimensions of the Civil War and gender and sexuality *Public Debate in the Civil War Era* David Zarefsky,2023-08-01 Public debate and discussion was overshadowed by the slavery controversy

during the period of the U S Civil War Slavery was attacked defended amplified and mitigated This happened in the halls of Congress the courts the political debate the public platform and the lecture hall This volume examines the issues speakers and venues for this controversy between 1850 and 1877 It combines exploration of the broad contours of controversy with careful analysis of specific speakers and texts **The Lives of Frederick Douglass** Robert S. Levine, 2016-01-07 Frederick Douglass s changeable sense of his own life story is reflected in his many conflicting accounts of events during his journey from slavery to freedom Robert S Levine creates a fascinating collage of this elusive subject revisionist biography at its best offering new perspectives on Douglass the social reformer orator and writer
