Ann Hughes

Radicalism In The English Revolution 1640 166:

Varieties of Seventeenth- and Early Eighteenth-Century English Radicalism in Context David Finnegan, 2016-02-17 The essays in this collection explore a number of significant questions regarding the terms radical and radicalism in early modern English contexts They investigate whether we can speak of a radical tradition and whether radicalism was a local national or transnational phenomenon In so doing this volume examines the exchange of ideas and texts in the history of supposedly radical events ideologies and movements or moments Once at the cutting edge of academic debate radicalism had until very recently fallen prey to historiographical trends as scholars increasingly turned their attention to more mainstream experiences or reactionary forces While acknowledging the importance of those perspectives *Varieties of seventeenth and early eighteenth century English radicalism in context* offers a reconsideration of the place of radicalism within the early modern period It sets out to examine the subject in original and exciting ways by adopting distinctively new and broader perspectives Among the crucial issues addressed are problems of definition and how meanings can evolve context print culture language and interpretative techniques literary forms and rhetorical strategies that conveyed or deliberately disguised subversive meanings and the existence of a single continuous English radical tradition Taken together the essays in this collection offer a timely reassessment of the subject reflecting the latest research on the theme of seventeenth century English radicalism as well as offering some indications of the phenomenon s transnational contexts Indeed there is a sense here of the complexity and variety of the subject although much work still remains to be done on radicals and radicalism both in early modern England and especially beyond

The English Atlantic in an Age of Revolution, 1640-1661 Carla Gardina Pestana, 2009-06-30 Between 1640 and 1660 England Scotland and Ireland faced civil war invasion religious radicalism parliamentary rule and the restoration of the monarchy Pestana offers a sweeping history that systematically connects these cataclysmic events and the development of the infant plantations from Newfoundland to Surinam

The Newtonians and the English Revolution, 1689-1720 Margaret C. Jacob, 2019-06-30 This book offers a social history of Newtonian natural philosophy from its inception after the 1688 revolution in England until the 1720 s Ms Jacob shows that the Newtonian world view was adopted by the Anglican church to support its own version of liberal Protestantism and its vision of a social and economic order that would be both Christian and capitalist It was with Newton s consent she asserts that Newtonianism took on an ideological significance in the early Enlightenment Using an interdisciplinary approach to subjects traditionally reserved for the history of science church history and intellectual history she formulates a convincing new explanation for the triumph of Newtonianism

Books and Readers in Early Modern England Jennifer Andersen, Elizabeth Sauer, 2012-07-28 *Books and Readers in Early Modern England* examines readers reading and publication practices from the Renaissance to the Restoration The essays draw on an array of documentary evidence from library catalogs prefaces title pages and dedications marginalia commonplace books and letters to ink paper and bindings to explore individual reading

habits and experiences in a period of religious dissent political instability and cultural transformation Chapters in the volume cover oral scribal and print cultures examining the emergence of the public spheres of reading practices Contributors who include Christopher Grose Ann Hughes David Scott Kastan Kathleen Lynch William Sherman and Peter Stallybrass investigate interactions among publishers texts authors and audience They discuss the continuity of the written word and habits of mind in the world of print the formation and differentiation of readerships and the increasing influence of public opinion The work demonstrates that early modern publications appeared in a wide variety of forms from periodical literature to polemical pamphlets and reflected the radical transformations occurring at the time in the dissemination of knowledge through the written word These forms were far more ephemeral and far more widely available than modern stereotypes of writing from this period suggest

Oral and Literate Culture in England, 1500-1700 Adam Fox, 2000-11-09 This book explores the varied vernacular forms and rich oral traditions which were such a part of popular culture in early modern England It focuses in particular upon dialect speech and proverbial wisdom old wives tales and children s lore historical legends and local customs scurrilous versifying and scandalous rumour mongering Adam Fox argues that while the spoken word provides the most vivid insight into the mental world of the majority in this semi literate society it was by no means untouched by written influences Even at the beginning of the period centuries of reciprocal infusion between complementary media had created a cultural repertoire which had long ceased to be purely oral Thereafter the expansion of literacy together with the proliferation of texts both in manuscript and print saw the rapid acceleration and elaboration of this process By 1700 popular traditions and modes of expression were the product of a fundamentally literate environment to a much greater extent than has yet been appreciated

Gangraena and the Struggle for the English Revolution Ann Hughes, 2004-09-23 This is the first comprehensive study of Gangraena an intemperate anti sectarian polemic written by a London Presbyterian Thomas Edwards and published in three parts in 1646 These books which bitterly opposed any moves to religious toleration were the most notorious and widely debated texts in a Revolution in which print was crucial to political mobilization They have been equally important to later scholars who have continued the lively debate over the value of Gangraena as a source for the ideas and movements its author condemned This study includes a thorough assessment of the usefulness of Edwards s work as a historical source but goes beyond this to provide a wide ranging discussion of the importance of Gangraena in its own right as a lively work of propaganda crucial to Presbyterian campaigning in the mid 1640s Contemporary and later readings of this complex text are traced through a variety of methods literary and historical with discussions of printed responses annotations and citation Hughes s work thus provides a vivid and convincing picture of revolutionary London and a reappraisal of the nature of 1640s Presbyterianism too often dismissed as conservative Drawing on the newer histories of the book and of reading Hughes explores the influence of Edwards s distasteful but compelling book

Local Identities in Late Medieval and Early Modern England Daniel Woolf, 2007-10-17 Inspired by the path breaking work

of Robert Tittler the authors explore late Medieval and Early Modern community and identity across England They examine the decline of neighbourliness the politics of market towns clerical status charity crime and ways in which overlapping communities of court and country London and Lancashire relate The English Civil War John Adamson,2008-12-16 John Adamson provides a new synthesis of current research on the political crisis that engulfed England in the 1640s Drawing on new archival findings and challenging current orthodoxies these essays by leading historians offer a variety of original perspectives locating English events firmly within a three kingdoms context **Radical Shakespeare** Chris Fitter,2013-07-03 This book argues that Shakespeare was permanently preoccupied with the brutality corruption and ultimate groundlessness of the political order of his state and that the impact of original Tudor censorship supplemented by the relatively depoliticizing aesthetic traditions of later centuries have together obscured the consistent subversiveness of his work Traditionally Shakespeare's political attitudes have been construed either as primarily conservative or as essays in richly imaginative ambiguation irreducible to settled viewpoints Fitter contends that government censorship forced superficial acquiescence upon Shakespeare in establishment ideologies monarchic aristocratic and patriarchal that were enunciated through rhetorical set pieces but that Shakespeare the dramatist learned from Shakespeare the actor a variety of creative methods for sabotaging those perspectives in performance in the public theatres Using historical contextualizations and recuperation of original performance values the book argues that Shakespeare emerged as a radical writer not in middle age with King Lear and Coriolanus plays whose radicalism is becoming widely recognized but from his outset with Henry VI and Taming of the Shrew Recognizing Shakespeare's allusiveness to 1590s controversies and dissident thought and recovering the subtextual politics of Shakespeare's distinctive stagecraft reveals populist at times even radical meaning and a substantially new and astonishingly interventionist Shakespeare Intellectual Origins of the English Revolution - Revisited Christopher Hill,1997-06-05 This is a revised edition of Christopher Hill's classic and ground breaking examination of the motivations behind the English Revolution and Civil War first published in 1965 In addition to the text of the original Dr Hill provides thirteen new chapters which take account of other publications since the first edition bringing his work up to date in a stimulating and enjoyable way This book poses the problem of how after centuries of rule by King lords and bishops when the thinking of all was dominated by the established church English men and women found the courage to revolt against Charles I abolish bishops and execute the king in the name of his people The far reaching effects and the novelty of what was achieved should not be underestimated the first legalized regicide rather than an assassination the formal establishment of some degree of religious toleration Parliament taking effective control of finance and foreign policy on behalf of gentry and merchants thus guaranteeing the finance necessary to make England the world's leading naval power abolition of the Church's prerogative courts confirming gentry control at a local level and the abolition of feudal tenures which made possible first the agricultural and then the industrial revolution Christopher Hill examines the intellectual forces

which helped to prepare minds for a revolution that was much more than the religious wars and revolts which had gone before and which became the precedent for the great revolutionary upheavals of the future

Radicalism In The English Revolution 1640 166 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Radicalism In The English Revolution 1640 166 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Radicalism In The English Revolution 1640 166 has opened up a world of possibilities. Downloading Radicalism In The English Revolution 1640 166 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Radicalism In The English Revolution 1640 166 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Radicalism In The English Revolution 1640 166. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Radicalism In The English Revolution 1640 166. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Radicalism In The English

Revolution 1640 166, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Radicalism In The English Revolution 1640 166 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Radicalism In The English Revolution 1640 166 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
