Raiders Of The Valley:

Independent India's All the Seven Wars Col Y Udaya Chandar (Retd),2018-01-02 India fought seven wars in its independent era The book is a factual story of all these wars which include The Liberation of Goa and the Siachen War The book is a condensed military history but at the same time an exhaustive one For a student of military history it will be a precious possession The book brings out many not so well known facts such as Hyderabad Police Action how J K acceded into India Radcliffe Award bifurcating the Indian sub continent Jinnah s Two Nation theory and division of British India Armed Forces between India and Pakistan The book narrates in detail how the Chinese war came about to disgrace the country and its majestic army The book gives a short history of the then East Pakistan in its existence for about twenty years and how East and West Pakistan moved away from each other never to make a come back The book describes how the armies fight at God forsaken heights of 20 000 feet in winters If one reads this book he she need not study the other voluminous versions of the Indian wars

Goodbye, Oakland Andy Dolich,Dave Newhouse,2025-04-22 A fascinating tour of Oakland sports history and a look toward the future of professional sports in the East Bay Oakland is a sports city like no other It is the only city in America to be abandoned by the same team twice with the Raiders most recently leaving for Las Vegas The Golden State Warriors who crossed the bay in 1971 in search of better digs have now returned to San Francisco with trophies in tow After a long fought battle against fans and the city itself the Oakland Athletics completed the inglorious hat trick of departures And yet Oakland has produced more than its share of success in the form of 10 league championships across the NFL NBA and MLB The city is gritty gutsy and self preserving with a blue collar mentality and a gold standard under that collar Bolstered by the Silicon Valley tech boom Oakland has become one of the most desirable places to live in the entire country all while its sports fans are increasingly made to feel that in the famous words of Gertrude Stein There is no there there What is it about Oakland that inspires such wanderlust in its professional teams Featuring numerous conversations with luminaries across sports politics and economics this new book explores Oakland s fascinating and paradoxical identity as a sports town while illuminating a cast of characters as diverse as the city itself rogues superstars movers and shakers operating on and off the field and the ill treated fans Through the insight of venerated Oakland Tribune scribe Dave Newhouse and sports business leader Andy Dolich readers will come to appreciate the many quirks and challenges that define The Town

An Untold History Charles Wing,2015-12-08 An Untold History is the story of the growth of a city and a people as they seek a better way of life Nuada is the Celtic warrior and leader of this city a man who grew restless with the tribal ways and ventured out for other lands Through his dependence on his creator Creatrix and teamwork with other leaders Nuada helps his city prosper and become a safe haven for people from various lands An Untold History gives the reader a close up view of what it took to create a city in the time of the Celts
