Raised In Captivity A Memoir Of A Life Long Churchaholic:

Raised in Captivity C. McNair Wilson, 2003 In this hilarious memoir McNair Wilson pokes fun at everything from Sunday School to strict sexual mores Sixteen Years in Captivity James Optic, 2021-11-19 I never understood just how important a human soul could be to God The soul is the only thing we actually own and the only place I belonged I was raised by a single mother and she loved God with all her heart So many times we would fall asleep to the sound of gunfire Out of this chaos God chose me I fought against Him and His will for so long Every time I knocked down by life and Satan God and all His love would stand me up again stronger than before I sought acceptance through friendship and many of those friendship proved dangerous and destructive to my soul I went on to fight in the Iraq war and for a country that never wanted to accept me I saw the horrors of war and then returned to the never ending horrors of gang violence drugs and poverty I knew something had to change and it had to start with me giving God my soul and my love Not every preacher speaks the will of God Each of us has the power of the Spirit to reach out and help our fellow man We must look outside of ourselves and our community and help all our brothers and sisters in need My hope is that this book serves as a testament to the mercy and love of God and the power of Jesus and the Holy Spirit All of us as believers have access to the gifts God has promised to us Let us use them to bring glory to the name and power of God Amen **Living Free** Rev. David Nunley, 2020-12-15 This book focuses

on the life of a young man who went through major church hurt after he was born and raised as a prot g of a church That young man is me Rev David Nunley Jr This book is designed not only to share my story but also to help the church to realize that we are causing more damage than we are doing good Also the book is designed to help those that have experienced church hurt be able to look past the people and see the Lord The Lord is bigger than it all Prayerfully this book will bring people from both spectrums to a point of repentance Our focus should be on God and him alone **Glory Land** Lyn

Cryderman, 1999 A little boy sang in Sunday school I ve got a home in glory land that outshines the sun The boy grew up to be a father a husband and a busy man with a career Do the echoes of that Sunday school song still reverberate in his life Do they still have meaning now that he s an adult Meet Lyn Cryderman And go back in time with him to that long ago Sunday when millions of children were being taught Jesus loves me this I know This warm funny and encouraging memoir looks fondly and humorously at the lessons we learned in Sunday school so long ago And it asks what those lessons mean to us today Does Trust and Obey still work when our teenagers openly question the faith that we desperately want to pass on to them Did the chalk artists and magicians and college quartets and visiting missionaries give us enough spiritual grit to weather the storms of adulthood at the end of the millennium Glory Land reminds the reader that the teachings of the faith are timeless and that we must hold fast to the basic universal truths we were introduced to in the churches of our childhood This wise wonderful and witty memoir reminds us that God s truth can always be trusted no matter how times change

Abandoned by the Church Stevie Rutledge, 2010-01-19 Abandoned By The Church reveals that the author who as a

child was raised behind the scenes of the church with its obvious flaws and issues found it extremely difficult to fully embrace her relationship with God Through its pages Rutledge shares her thoughts and challenges questioning the nature of conservative and traditional Christianity and the understanding of Gods love and Gods word emphasized yet often contradicted by the actions of the so called judgmental Church Foke around her We as Christians must learn to accept all who enter the church doors without judgment of gender skin color attire and body hygiene and personality conflicts We must learn to love others as God loves us despite our religious conflicts or beliefs Otherwise the church doors will become a revolving vicious cycle of unresolved issues and a mockery to the rest of the world Rutledge expressed in the book As Rutledge shares her life experiences and often heart breaking journeys traveled due to her issues with the church readers will be captivated by her strength and determination to understand Christianity and the true function of the church without the stigma of fear and judgment but the realization of freedom This book is a clear indictment toward the church the ineffective religious processes currently set in place and the questionable leadership assigned Abandoned By The Church will undoubtedly force you to view the church differently but more importantly it will inspire you to reevaluate your relationship with God His believers and the non believers as well Rutledge wholeheartedly believes that all people were created with a divine plan in mind Ultimately this book calls for a dramatic reform of the church

Life of a Church Girl: When the Wolf Lives with Riding Hood Melissa Davis, 2015-06-26 Life of a church girl is the story of what it was like to be raised in the church but affected by the world The notion of the world is that people in church are somehow immune to the bad things of this world Marge is born in the 70 s in Baltimore Maryland and from her earliest memory she was in church From a very early age she suffered several tragedies and losses that would scar her in her mind and body At the age of 10 Marge was assaulted in her own home by a family member and this type of assault would continue for years and scar her even further These events would push her into a lifestyle and down a road that would be filled with more heartache and depression The more she searched for love the more she found loss The more she tried to accomplish the more inadequate she felt A mother at 16 and married at 17 Marge had no clue as to how to be a wife and mother All she knew was men and sex went hand in hand and happiness was a fairy tale Throughout it all if she knew nothing else she knew God and scripture She didn t have a relationship with the Lord but she knew how to get in touch with Him What do you do when who you are destined to be is trapped inside if who you are
