Handbook to Life in America Rodney P. Carlisle,2009 Changing International affairs and the forces of technological innovation shaped the lives of Americans in the last decades of the 20th century While the end of the Cold War and the collapse of the Soviet Union gave rise to hopes of peaceful international relations the Gulf War and the attacks of September 11 2001 on the World Trade Center in New York shattered these aspirations In the social sphere cell phones CDs and the Internet completely transformed the ways by which people communicated and conveyed information The election of an African American man to the presidency marked the successful continuation of the struggle for equal civil rights bolstering America s reputation as a radically changing place in this contemporary period

Architecture for the Screen Juan Antonio Ramírez,2012-04-11 Most of us have never found ourselves trapped inside a burning skyscraper or entombed within an Egyptian pyramid but we probably have some idea of what it would be like because of their portrayal on screen The movies have overcome the constraints of time and place by bringing us images of diverse and otherwise unfamiliar settings This work covers the many applications of art and architecture appearing in the movies produced in Hollywood from the very beginning until the fifties The first chapters deal with the process of design construction physical characteristics and immediate functions of a wide variety of architectural sets The remaining chapters examine the great number of styles shown in those movies and take the reader up to the final triumph of modernist architecture in the aftermath of the Second World War

California Mediterranean Marc Appleton,2007 In the early 20th century architects designing houses for the balmy climate of Southern California were influenced by the style of the villas and palaces that dominated the architecture of Italy France Spain Greece and Morocco and a few other North African locales The resulting style noted for its pleasing combination of simplicity and dignity for its often asymmetrical undecorated facades reflected romantic European forms and yet distinguished itself by adding American ingenuity Prime examples of this include Villa

Narcissa widely celebrated for its unimposing grandeur and Casa Leon with its stunning hillside location and ocean views Included here are residences by noted architects such as Julia Morgan Bertram Goodhue Addison Mizner George Washington Smith Wallace Neff and others While some of the houses are lavishly decorated villas with lush landscaping others are more spare creations what all these interpretations of the California Mediterranean style have in common is an indoor outdoor approach to living
