There is further evidence that something mysterious is going on up at the old house and the children believe it is haunted. A mysterious floating light appears sometime after dark and there are sounds coming from the top of the hill that suggests a ghost does live at the house. The children set out to discover exactly what is going on up at the old house. On Halloween night they sneak off to go up to the old haunted house under the guise of trick or treating the occupants of the house if there are any. Much to the dismay of the children's parents the children have found a gold coin in the cave beneath the old mansion. The children's plot to trick or treat the house goes awry when a monstrous form appears at the house and an apparent ghost does appear during their Halloween night trip to the house.

A Big, Spooky House, A: Big Spooky House Donna Washington, 2006-07-01

A riveting retelling of a traditional ghost story. The big strong man isn't afraid of anything. He knows he can win every fight, climb any hill and overcome any obstacle in his way. But when he decides to stay the night in a mysterious deserted mansion on a hill, the big strong man finds out that perhaps he isn't the bravest man around. Grounded in oral tradition, this spooky tale will delight readers and begs to be read aloud.

Rita and the Haunted House Hilda Offen, 2019-04
