Redefining Eden 19822004 19822004:

Redefining Eden 1982-2004 Chris Marceron, 2005-01-01 Over the last twenty years the story of one s life can be told in many ways Never having studied the poetic form I instead used the moments in life that tend to define you As I put these together and looked over the span of time in which these were written I saw my maturity as it blossomed Leaving most intact as they were when written I hope you can climb into my heart and soul and sense the emotions I felt as these flowed out They are my life and thoughts as I saw at the time In not knowing any true answers I seemed to always find myself redefining Eden I hope you see the beauty as I have in my interpretation of life and love **Books in Print, 2006-2007** ,2006 *Books in Print* ,1991
