consumer organisations campaigns about TV morality and culture Young Conservatism and how party politics used media like TV and was represented in popular culture **Rethinking California** Matthew Cahn,David Shafie,H. Eric Schockman,2016-12-05 This book explores the state of California viewing the state as a holistic political culture that reflects the influence of multiple cultures ethnic groups and communities of interest It starts with a broad historical foundation and travels through cultural analyses and institutional discussions The evaluation of specific policy issues affecting the state is an important stop along the way and the crossroads that bring together the variety of analytic paths This book is suited for individuals interested in California policy work and gaining a better understanding of that state s unique political culture

Redefining Families Adele Eskeles Gottfried,Allen W. Gottfried,2013-06-29 Families are undergoing dramatic changes in our society Our tradi tional views are being challenged by new family arrangements These new family arrangements are forcing redefinitions of what consti tutes a family and raising significant issues regarding the potential developmental consequences for children in these families if such exist Moreover the ramifications of redefined families and their bear ing on children s development extend into the legal political and societal arenas This book focuses on the relationships between di verse family arrangements and children s development as well as on legal and social implications Our interest in this area emanates from our experience in directing the Fullerton Longitudinal Study In the course of this investigation we observed families undergoing transformation most commonly in maternal employment and marital status Our initial research on the role of maternal employment in children s development provided the scientific foundation for our interest Just as we feel that maternal employment and dual earner families should be comprehensively re searched regarding their relationships to children s development we also believe that other contemporary family arrangements should receive extensive attention in the developmental literature Hence the idea for this book emerged **The Latino Big Bang in California** David E.

Hayes-Bautista,Cynthia L. Chamberlin,Gray Bryan Paul,2025-04-29 The Latino Big Bang in California presents a Spanish transcription and English translation of a diary written by Forty Niner Justo Veytia a Mexican immigrant seeking riches during California s Gold Rush Veytia s diary offers insights into the dilemmas and choices of an adventurous and ambitious young mexicano and provides a detailed glimpse into the life of Latinos who participated in this tumultuous moment in California history In doing so Veytia s diary demonstrates that the US Mexico War together with the Gold Rush constituted a Latino big bang in California that attracted large swaths of fortune seekers from across the Spanish speaking world throughout the latter half of the nineteenth century Combining archival research with quantitative methods to extrapolate demographic information about the persistent presence of Latino communities in California from the mid nineteenth century to today The Latino Big Bang in California shows how Latino migration and labor forever changed the course of California history **Latino Children and Families in the United States** Josefina M. Contreras,Kathryn A. Kerns,Angela M. Neal-Barnett,2002-09-30 The Latino population in the United States continues to grow and now represents 12% of the

population Yet remarkably little attention has been paid to understanding parenting and child development processes among Latino families Although research on Latino parenting is beginning to emerge the field is in need of further structure and direction This volume addresses this need and advances the field both by presenting state of the art research on Latino parenting and also by proposing conceptual and methodological frameworks that can provide the field with further integration and direction In addition to presenting innovative research examining parental beliefs and practices of Latino families from different socioeconomic and cultural backgrounds authors provide frameworks for identifying the origins of these beliefs and practices and provide a rich picture of both the values that can be considered Latino and the social and demographic normative and at risk Latino samples Finally methodological and conceptual recommendations for future research on each cited area as well as the field are presented

The Catholic Social Imagination Joseph M. Palacios, 2008-11-15 The reach of the Catholic Church is arguably greater than that of any other religion extending across diverse political ethnic class and cultural boundaries But what is it about Catholicism that resonates so profoundly with followers who live under disparate conditions What is it for instance that binds parishioners in America with those in Mexico For Joseph M Palacios what unites Catholics is a sense of being Catholic a social imagination that motivates them to promote justice and build a better world In *The Catholic Social Imagination* Palacios gives readers a feeling for what it means to be Catholic and put one s faith into action Tracing the practices of a group of parishioners in Oakland California and another in Guadalajara Mexico Palacios reveals parallels and contrasts in the ways these ordinary Catholics receive and act on a church doctrine that emphasizes social justice Whether they are building a supermarket for the low income elderly or waging protests to promote school reform these parishioners provide important insights into the construction of the Catholic social imagination Throughout Palacios also offers important new cultural and sociological interpretations of Catholic doctrine on issues such as poverty civil and human rights political participation and the natural law

Rethinking Los Angeles Michael J. Dear, H. Eric Schockman, Greg Hise, 1996-08-20 The Los Angeles region is

increasingly being held up as a prototype for the collective urban future of the United States Yet it is probably the least understood most under studied major city in the US Very few people beyond the boundaries of Southern California have an accurate appreciation of what the region is who lives there and what it does This groundbreaking collection of essays brings together well respected contributors to dispel the myths about Southern California and to begin the process of rethinking Los Angeles

Engendering Psychology Florence Denmark,Vita Carulli Rabinowitz,Jeri A. Sechzer,2016-01-08 Engendering Psychology s treatment of issues is based solidly on scientific evidence and presented in a balanced manner The text combines a developmental and topical approach Denmark Rabinowitz and Sechzer explore the concept of gender as a social construction across the lines of race ethnicity class age and sexual orientation pulling from the exciting new scholarship that has emerged over the last few years Thoughtful discussion questions emphasize critical thinking skills as well as encourage students to open a dialogue with both their professors and their peers This text will help readers understand the concept of gender as a social construct in contrast to the concept of sex which denotes biological differences Upon completing this text readers will have a deeper understanding of women and the knowledge that woman is a diverse and multifaceted category
