Excerpt from *Golden Songs of the Golden State*

By the trite and dull effusions in praise of it Her mountain peaks Chiselled singly Clean and hard against the sky or ranged in an august uneven line of power and beauty her lovable foothills sloping in steep curves to the coast her mild sweet scented valleys with their straitly confined orchards of almond orange and plum with their crisp fields of barley stubble in summertime and their riot of wild mustard in the spring her winding trails leading always into El Camino Real or into the desert beyond the mountains her gusty distances of desert or sea shore her forests born before Christ her hundreds of species of wild birds her tawny summers and green winters her sharp exquisite lights and shadows and keen colors these things no poet no lover of beauty can forget Nowhere else can one climb higher or plumb deeper the depths and heights of varied beauty

Seen as a land of sunshine and opportunity the Golden State was a mecca for the post World War II generation and dreams of the California good life came to dominate the imagination of many Americans in the 1950s and 1960s Nowhere was this more evident than in the explosion of California youth images in popular culture Disneyland television shows such as *The Mickey Mouse Club* *Gidget* and other beach movies the music of the Beach Boys all these broadcast nationwide a lifestyle of carefree wholesome fun supposedly enjoyed by white middle class suburban young people in California Tracing the rise of the California teen as a national icon Kirse May shows how idealized images of a suburban

youth culture soothed the nation's postwar nerves while denying racial and urban realities Unsettling challenges to this mass mediated picture began to arise in the mid 1960s however with the Free Speech Movement's campus revolt in Berkeley and race riots in Watts In his 1966 campaign for the governorship of California Ronald Reagan transformed the backlash against the dangerous youths who fueled these actions into political triumph As May notes Reagan's victory presaged a rising conservatism across the nation *California, the Golden State* Chicago, Rock Island, and Pacific Railway Company, 1912
