Rediscovering The Church:

Rediscovering the Church Fathers Michael A. G. Haykin, 2011-03-02 While the church today looks quite different than it did two thousand years ago Christians share the same faith with the church fathers Although separated by time and culture we have much to learn from their lives and teaching This book is an organized and convenient introduction to how to read the church fathers from AD 100 to 500 Michael Haykin surveys the lives and teachings of seven of the Fathers looking at their role in such issues as baptism martyrdom and the relationship between church and state Ignatius Cyprian Basil of Caesarea and Ambrose and others were foundational in the growth and purity of early Christianity and their impact continues to shape the church today Evangelical readers interested in the historical roots of Christianity will find this to be a helpful introductory volume

Rediscovering Church Lynne Hybels, Bill Hybels, 2016-05-03 Rediscovering Church is the candid story of Willow Creek Community Church's phenomenal growth from 100 members meeting in a Palatine Illinois movie theater to its present Sunday morning attendance of 15 000 Bill Hybels and his wife Lynne tell about Willow Creek's beginnings its struggles the philosophy behind its success and the strategies that have made it a model for church growth The first half of the book written by Lynne Hybels explores the early years of Willow Creek and the personal accounts behind one of this century's most remarkable church stories It offers an honest look at the ways God has used both the strengths and weaknesses of His people creating a church of believers who have had tremendous impact for Christ in their community In the second half of Rediscovering Church Bill Hybels helps you apply the strengths of Willow Creek's ministry philosophy to your own congregation's mission From mission statements to developing leadership making sound financial decisions and handling growth Bill stresses that God wants to build His church to be an effective and committed community of faith that reaches out to a hurting world to be the body of Christ in real and tangible ways Rediscovering Church draws on the experiences of Willow Creek to show how one fellowship crystallized its mission and methodology its vision and values The Willow Creek story provides an example that churches and individuals alike can turn to for inspiration encouragement and a means of uncovering the pattern for their own unique mission and ministry

Rediscover Church Collin Hansen, Jonathan Leeman, 2021-07-28 A Christian without a church is a Christian in trouble Since a global pandemic abruptly closed places of worship many Christians have skipped church life even neglecting virtual services But this was a trend even before COVID 19 Polarizing issues including political and racial strife convinced some people to pull away from the church and one another Now it's time to recommit to gathering as brothers and sisters in Christ In Rediscover Church Collin Hansen and Jonathan Leeman discuss why church is essential for believers and God's mission Through biblical references and personal stories they show readers God's true intention for corporate gathering to spiritually strengthen members as individuals and the body of Christ In an age of church shopping and livestreamed services rediscover why the future of the church relies on believers gathering regularly as the family of God Published in partnership with the Gospel Coalition and 9Marks

Ruffle, 2009 *Churching* Rick Harrington, 2025-02-25 Over forty million people have left the church in the past twenty five years in the United States This is not merely people walking away from the faith Many Christians have dechurched as well The local church is seen as an optional club and gathering with other Christians is a sort of side issue in the real business of following Jesus This short book seeks to push against the cultural tide It musters together an argument biblically historically and practically on behalf of the church The church does not sit on the periphery of the Christian life it belongs smack dab in

the center The church is our means of grace to corporate worship Christian fellowship and the Great Commission Read and reimagine what the church could look like going forward Brief and winsome this resource draws on Scripture pastoral experience and wisdom from the global church to present a thoughtful and practical argument intended to help readers understand the call upon the Christian to commit and serve the church
