The Haiku Blues Ted Becker, 2017-09-28 I write haiku when I m feelin blue and when love and pain make me want Join us on a journey through the pain of betrayal divorce and after We love the traditional Japanese haiku format of 17 syllables on 3 lines 5 7 5 It is very symmetrical terse and disciplined However these are not your great grandfather s haiku This is Modern American Haiku We do keep the fundamental format but that s all For one thing we give them titles which we believe helps the reader focus on the punch in each haiku Second there is word play Third there is the extra dimension of the images in which the haiku are embedded or by which they are framed We believe the reader will be amazed at how well the illustrations deepen the haiku Ted and Patricia

Wishful Thinking A.R. Johnson, 2018-07-24 Time leans toward inspiration and lends unto the end of time And as life attempts to negotiate the mundane of the in between wishful thinking encapsulates what remains to be seen Wishful Thinking is both the title of this book and the title of the illustration on the book cover Another unique facet of this compilation of artwork is that both author and illustrator hail from Gary Indiana Wishful Thinking is poetic art that aspires to reach into the hearts and minds of those who desire to traverse the world of abstract conceptualization Poetry is an art form and the author wishes to speak to this particular audience using the art forms of prose verse poetic inspiration and then American jingle genre of haiku He desires to connect with and to implore sincere dalliances with his form of wishful thinking So let yourself go and enjoy this material

Parody Robert Chambers, 2010 Parody The Art That Plays with Art explodes the near universal belief that parody is a copycat genre or that it consists of a collection of trivial and derivative forms Parody is revealed as an ber technique a principal source of innovation and invention in the arts The technique is defined in terms of three major variations that bang bind and blend artistic conventions into contrasting pairings the results of which are upheavals of existing conventions and the formation of unexpected and sometimes startling and revolutionary new configurations Parodic art fashions a galaxy of contrasts and from these stem an illusionistic sense of multiplicity and an array of divergent meanings and interpretive paths This book an extreme departure from existing
