**By Edward Walsh**

**Washington Post Staff Writer**

**At a White House ceremony crowded with labor, civil rights and other liberal political leaders, President Carter yesterday signed the Humphrey-Hawkins "full employment" legislation, but used the occasion to focus attention as much on inflation as on joblessness.**

**"I must warn you that our fight against inflation must succeed if we are to attain our unemployment goals," the president told the legislation's most avid supporters in the East Room of the White House. "Success in fighting inflation is critical to success in fighting unemployment."**
