## **Reference Guide To Short Fiction St James Reference Guides:**

*Reference Guide to Short Fiction* Thomas Riggs,1999 Reference Guide to Short Fiction provides study and commentary on the most instrumental writers of short fiction through the 20th century International in scope this single scholarly volume includes 779 entries on 377 authors and 402 short stories     **A Reference Guide for English Studies** Michael J. Marcuse,1990-01-01 This ambitious undertaking is designed to acquaint students teachers and researchers with reference sources in any branch of English studies which Marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature Within each of 24 major sections Marcuse lists and annotates bibliographies guides reviews of research encyclopedias dictionaries journals and reference histories The annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate Although cost conscious librarians will probably consider the several other excellent literary bibliographies in print such as James L Harner's Literary Research Guide Modern Language Assn of America 1989 larger academic libraries will want Marcuse's volume Jack Bales Mary Washington Coll Lib Fredericksburg Va Library Journal     American Reference Books Annual Juneal M. Chenoweth,1995-04-15 With more than 1600 descriptive and evaluative entries ARBA continues its 26 year tradition as a comprehensive review source for reference works published or distributed in the US ARBA 95 encompasses the subject spectrum covering such broad areas as general reference history education economics and business and science and technology Of special note in this edition is increased coverage of CD ROM products More than 350 reviewers provide reviews that cover strengths and weaknesses of the reference works

**Encyclopedia of the American Short Story** Abby H. P. Werlock,2015-04-22 Two volume set that presents an introduction to American short fiction from the 19th century to the present     *Research for Writers* R. Michael Stewart,2001

A Reader's Companion to the Short Story in English Erin Fallon,R.C. Feddersen,James Kurtzleben,Maurice A. Lee,Susan Rochette-Crawley,2013-10-31 Although the short story has existed in various forms for centuries it has particularly flourished during the last hundred years Reader's Companion to the Short Story in English includes alphabetically arranged entries for 50 English language short story writers from around the world Most of these writers have been active since 1960 and they reflect a wide range of experiences and perspectives in their works Each entry is written by an expert contributor and includes biography a review of existing criticism a lengthier analysis of specific works and a selected bibliography of primary and secondary sources The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory     **Dictionary of Pseudonyms** Adrian Room,2014-01-10 Substantially revised and enlarged this new edition of the Dictionary of Pseudonyms includes more than 2 000 new entries bringing the volume's total to approximately 13 000 assumed names nicknames stage names and aliases The introduction has been entirely rewritten and many previous entries feature new accompanying details or quoted material This volume also

features a significantly greater number of cross references than was included in previous editions Arranged by pseudonym the entries give the true name vital dates country of origin or settlement and profession Many entries also include the story behind the person s name change     *Handbook of the American Short Story* Erik Redling,Oliver Scheiding,2022-01-19 The American short story has always been characterized by exciting aesthetic innovations and an immense range of topics This handbook offers students and researchers a comprehensive introduction to the multifaceted genre with a special focus on recent developments due to the rise of new media Part I provides systematic overviews of significant contexts ranging from historical political backgrounds short story theories developed by writers print and digital culture to current theoretical approaches and canon formation Part II consists of 35 paired readings of representative short stories by eminent authors charting major steps in the evolution of the American short story from its beginnings as an art form in the early nineteenth century up to the digital age The handbook examines historically methodologically and theoretically the coming together of the enduring narrative practice of compression and concision in American literature It offers fresh and original readings relevant to studying the American short story and shows how the genre performs American culture     Resources in Education ,1997     **Quarterly Bulletin of the Providence Public Library** Providence Public Library (R.I.),1918

*Constructing Coherence in the British Short Story Cycle* Patrick Gill,Florian Kläger,2018-05-11 The first major collection of essays on the contemporary British short story cycle this volume offers in depth explorations of the genre by comparing its strategies for creating coherence with those of the novel and the short story collection inquiring after the ties that bind individual short stories into a cycle A section on theory approaches the form from the point of view of genre theory cognitive literary studies and book studies It is followed by investigations of hitherto neglected aspects of the generic tradition of the British short story cycle and how they relate to the contemporary outlook of the form Readings of individual contemporary cycles illustrating the form s multifaceted uses from the presentation of sexual identities to politics and trauma make up the third and most substantial part of the volume placing its focus squarely on the past decades Unique in its combination of a focus on the literary traditions politics and markets of the UK with a thorough examination of the genre s manifold formal and thematic potentials the volume explores what is at the heart of the short story cycle as a literary form the constant negotiation between unity and separateness collective and individual of coherence and autonomy     *Companion to Literature* Abby H.
