## Reference Services For Archives And Manuscripts:

**Reference Services for Archives and Manuscripts** Laura B. Cohen,1997 From the creation and dissemination of finding aids for electronic resources to the implementation of marketing strategies to increase support and strengthen service Reference Services for Archives and Manuscripts shows you how to thrive in the changing world of archival reference. Intended to foster an appreciation of the issues both within and beyond the field of archives this book reveals that today's archivist is straddling the world of the traditional with the world of the new. Providing Reference Services for Archives and Manuscripts Mary Jo Pugh,1992 Reference Services for Archives and Manuscripts ,1996 *Reference and Access for Archives and Manuscripts* Cheryl Oestreicher,2023-03-31 Access and reference services are central to engaging with historical resources. As more people encounter archives for scholarly and avocational research as part of creative pursuits or to exercise their rights as citizens to access records the possibilities for how collections are used will continue to evolve. Archivists need to be familiar with who their users are understand why they're using archival collections and engage in outreach so that they can provide excellent reference services. Reference and Access for Archives and Manuscripts outlines the various components of providing physical intellectual and virtual access acquiring reference knowledge and skills navigating legal regulations and ethics and designing use policies and effective outreach. Cheryl Oestreicher contextualizes how all of these components fit within other archival functions and offers strategies and detailed practices for creating comprehensive reference programs that archivists can adapt for any type of institution. Both new and experienced archivists will find Reference and Access for Archives and Manuscripts a solid foundation on which to add their own ideas for how to bring people into the archives as well as bring archives to the people. Readers are encouraged to examine these concepts and practices in conversation with others and to consider how archivists can continue to advance reference and access.
