What Are We Hoping For? Richard Leonard, 2015 *Forty Days Plus Three* John J. McIlhonn, 1989 In these reflections on the readings for Lent and the Triduum Monsignor McIlhonn invites us to ponder the consistency between what we believe about human dignity and how we live that dignity If Lent becomes a daily journey whereby we consent to become one with the visible features of Christ's risen life waiting to be raised from the dyings of our life then the paschal mystery becomes a marvelous experience Although he writes with great sensitivity and theological depth Monsignor McIlhonn does not become pedantic nor does he go beyond the depth of the average reader For priests religious and serious lay people looking for something more than pious writing about the most important season of the Church year this book will make excellent Lenten reading

A Time of Renewal Mary Francis, 2014-12-31 Mother Mary Francis abbess of a Poor Clare Monastery for over forty years left an enduring legacy in her writings and in the conferences she gave to her spiritual daughters In this work she presents beautiful meditations on the liturgical season of Lent revealing the treasures of the liturgy to Christians in all walks of life Her insight into Holy Scripture and her poet's heart engendered reflections that illuminate the daily Mass readings in a fresh and attractive way These meditations enlighten the reader to see conversion as positive and enriching and help us to understand that the generous embrace of Lenten penance has a purpose and brings a wondrous reward deeper union with God She was a true daughter of Saint Francis of Assisi who found perfect joy by turning away from self to God As a spiritual guide Mother Mary Francis excels in the art of persuasion aware that the human heart cannot be forced but only gently led to holiness She makes this goal attractive and desirable by tirelessly explaining why striving for holiness is the happiest and wisest way to live This book provides a wealth of material for plundering the riches of the Lenten season and for deepening one's spiritual life Her meditations are profound and timeless not changing from year to year thus providing a lifetime of Lenten meditations in this one volume

Lenten Reflections Milton E. Lopes, 2014-10-03 This book is written for those among us who have weathered life's storms yet sense a nagging emptiness in their spiritual well being *Lenten Reflections From the Desert to the Resurrection* is written for those of us who want to be more spiritual It is divided into four parts Part One sets the framework for a treatment of the study of our salvation It is devoted to the historical roots of Lent its purpose and its theology To that end this section also provides the reader with an overview of the creation story a discussion of evil and sin and a summary of the Trinity and the incarnation Part Two sets the stage for an initial reflection on Lent while Part Three introduces the disciplines needed to successfully pass through the desert to spiritual wholeness Four seminal questions are posed Where are we What are we Who are we Why

are we Answers to these questions set the stage for what many spiritual masters call the purgative way in which the Twelve Step Program of Alcoholics Anonymous is suggested as a framework to one's first steps into spiritual wholeness At some point in their spiritual journey the reader moves into what these same spiritual masters call the illuminative and unitive ways Part Four is entitled The Agony and Exultation Here we join Jesus on the road to Calvary where he is crucified We know a mysterious joy as he rises from the tomb We end our reflections with his departure from his disciples the coming of the Paraclete and a new understanding of the meaning behind Jesus' sacrifice and life on earth **Rooted in Love** Bishop Sarah Mullally, 2020-11-19 Who is the Christ we serve What does it mean to be part of the body of Christ How can we live more Christ-centred lives Introduced and edited by Sarah Mullally the Bishop of London Rooted in Love offers forty reflections for Lent 2021 that lead us deeper into the meaning and practice of life in Christ today Drawing on the collective wisdom of all the area bishops in the Diocese of London each reflection includes a Bible reading a prayer and a suggestion for action based on the reading to take you through Lent day by day and help you to grow as a disciple and find ways to put God at the centre of your life every day Rooted in Love is an exceptionally helpful Lent book offering a rich array of biblical insight and spiritual guidance that Christians of all traditions will warmly welcome and appreciate Full of practical encouragement and hope it will help you draw closer to God during Lent 2021 and to live a more Christ-like life **Forty Days of Grace** Laurin Wenig, 1996 Using the dual theme of hearing the word of God and working toward a change of heart Wenig develops a crescendo as he works through the readings of the days and weeks of Lent to the passion and Easter Rising with the Morning Star Betty Lynn Schwab, Gord Dunbar, 2010-11 *Embracing the Sacred Seasons of Lent and Easter* Janis Yaekel, 2005 No one goes to the desert for forty days without expecting to find someone or something there Christians by their very nature are seekers We look for direction we look for fulfillment and we look for others who want to walk the road with us We knock on the doors of the Desert Fathers and Mothers seeking shelter and wisdom Embracing the Sacred Season is a guide in this search at the center of which we hope to find God What happens when the door is opened and we know that we are in the presence of God These unique reflections for the entire seasons of both Lent and Easter based on Scripture readings are direct and help us take an honest look at our relationship with God Each is followed up by reflection questions and a prayer Let Janis Yaekel take you on a spiritual dance with God as you embrace the sacred season *Lent In 50 Moments* Liam Kelly, 2021-11-26 A completely original book for devotional reading at Lent Liam Kelly writes a short reflection for each day of Lent inspired on each day by a simple object sometimes something religious sometimes something from the everyday but always a prompt to focus on the Holy Scriptures that we follow through Lent Every day's reading includes a simple illustration references for daily Bible readings and questions to prompt deeper reflection
