The Lyric in the Age of the Brain Nikki Skillman, 2016-06-06 Science has transformed understandings of the mind supplying physiological explanations for what once seemed transcendental Nikki Skillman shows how lyric poets caught between a reductive scientific view and naive literary metaphors struggled to articulate a vision of consciousness that was both scientifically informed and poetically truthful *The Philosophical Reflection of Man in Literature* Anna-Teresa Tymieniecka, 2012-12-06 *Critical Reflections on Poetry and Painting (2 vols.)* Jean-Baptiste Du Bos, 2021-07-15 Jean Baptiste Du Bos *Critical Reflections on Poetry and Painting* first published in French in 1719 is one of the seminal works of modern aesthetics Du Bos rejected the seventeenth century view that works of art are assessed by reason Instead he believed audience members have sentiments in response to artworks Their sentiments are fainter versions of those they would feel in response to actually seeing what the work of art imitates Du Bos was influenced by John Locke s empiricism and in turn had a major impact on virtually every major eighteenth century contributor to philosophy of art including Voltaire Montesquieu Diderot Rousseau Herder Lessing Mendelssohn Kames Gerard and Hume This is the first modern annotated and scholarly edition of the *Critical Reflections* in any language *Theosophical Quarterly* ,1920 [The Theosophical Quarterly](#) ,1921

Verity, 2012-08-08 Some guides to a subject could more or less be written by any expert in that field but a small minority are unique creations of a rare individual who has their own view Unfortunately most of the latter types of guides fail to be good general guides Verity s genius makes him the exception This book is arranged in chronological chapters that trace the evolution of poetry as an art form At the same time each chapter gives a most practical explanation of how that aspect of poetry that it covers works and why The book is immensely readable hugely informative and adds to the ability of the reader to enjoy and to create poetry It is a classic Epictetus Amazon review The great merit of Verity s approach is that he quotes lavishly throughout not only from the poems themselves but also from a variety of critics LIBRARY REVIEWS Of his first book of sonnets Kingsley Amis wrote They belong within the corpus of English poetry Excerpts of Interview with Kenneth Verity on The Vanessa Phelps BBC Radio programme on June 2009 on the News Page off the Home page The amount of reading which underpins this book is breathtaking The great merit of Verity s approach is that he quotes lavishly throughout not only from the poems themselves but also from a variety of critics The chapter on poetry s figurative element is a model of lucid definition and telling illustration showing how many layers of meaning may lie behind a single word LIBRARY REVIEWS The author writes The intention of this book is to examine and analyse the essential nature of the phenomenon we call poetry to seek an understanding of the power this art form exerts over mind and heart to comprehend its potency and to explain its perennial ability to command the respect of mankind Almost a library in one volume this unusual book written by an
