ELIZABETH WILLIAMS

Foreword by Dan W. Johnson ★ Illustrations by Jolene Steffen

Reflections Of A Prairie Daughter

Mark Steyvers

Reflections Of A Prairie Daughter:

Reflections of a Prairie Daughter Elizabeth Evenson Williams, Jolene Steffen, 1989 *More Reflections of a Prairie Daughter* Elizabeth Evenson Williams, 1993 *South Dakota History*, 1993 *The Haunting of the Owens Family* Patricia A. Perry, 2001-10-23

The Haunting of the Owens Family follows the Owens family for approximately 1 year from 1974 to 1975. From most outside appearances the Owens family are a normal middle class family who live in a big house in a nice neighborhood. Both the parents and the children have their crosses to bear, some ordinary and of this world and some not. In spite of this they each seem able to get up in the morning and face if not accept what lies ahead. But walking a rope such as this can be done for only so long. What is truly going on in that house would cause the strongest of spirits to turn away. This novel follows a family as it tries to survive domestic abuse. It depicts the effects of screaming and throwing and yelling and the use of words meant to kill. It shows what happens when there is an ongoing war in your home. The Owens family story illustrates that what you do in front of your children you do to your children. And the consequences are much more deleterious than those not realizing, not meaning to harm, expect. Amidst the ugliness, however, there are also dreams, magic, and hope. And the presence of ghostly activity in the Owens family house causes the reader to question the true catalyst of what has found this family. There's Meggie, the wife and mother who has lived most of her life the way she has been expected to, not questioning, not rising up, just following her duty, knowing somewhere inside that she has a penance to pay. There are the children: Elizabeth whose anger is making a slow burn through her skin, who is most likely the only one in this family who actually sees what is going on; Grace whose visions and clear eyes lend a certain magic to an otherwise oftentimes hopeless world; Danny, the only boy whose dedication to making things right, trying to place order back into a chaotic world, almost ruins him; and Annabelle whose tiny body and youngest mind help her to hide but also cause her never to be seen, not when it counts. And finally there's Dan, the husband and father, a kind, funny man at times, he finds himself in a place he never intended where rage and a sense of injustice start the quakes in his house in his children. This novel is intended for adults and is not appropriate for children.

The Captain's Daughter Meg Mitchell Moore, 2018-06-12

From the author of *Vacationland* comes an emotionally gripping novel about a woman who returns to her hometown in coastal Maine and finds herself pondering the age-old question of what could have been. Filled with humor, insight, summer cocktails, and gorgeous sunsets. An ideal summer read. Redbook. When Eliza Barnes was growing up in the lobstering village of Little Harbor, Maine, she could haul a trap and row a skiff with the best of them, but she'd always known she'd leave that life behind. Now she's settled in the high society circle of an affluent Massachusetts town with her husband and two daughters. But when her father, a widowed lobsterman, injures himself in a boating accident, Eliza returns to her hometown to come to his aid. When she arrives in Maine, she discovers her father's situation is more dire than he let on. Her homecoming is further complicated by the reemergence of her first love and the repercussions of their shared secret. Then Eliza meets Mary Brown, a seventeen-year-old local who is at a

crossroad of her own and Eliza can't help but wonder what her life would have been like if she'd stayed. By turns poignant, incisive and laugh-out-loud funny, *The Captain's Daughter* is an unforgettable novel about the choices we make and the consequences we face in their wake. *If the Prodigal Were a Daughter* Janice Chaffee, 2003-01-01 Chaffee invites readers to explore four parables that she sensitively retells using female characters, 21st Century settings and contemporary situations. This powerful, insightful journey encourages women to look at the power of the parable verses plus the contemporary retellings helping them look closer at why Jesus was sharing the message during His day. **Mennonite Women in Canada** Marlene Epp, 2008 Marlene Epp explores women's roles as prescribed and as lived within the contexts of immigration and settlement, household and family, church and organizational life, work and education and in response to social trends and events. She questions how Mennonites dictate women's place within the church, family and community and how women collectively and individually actually behave. Epp found that in virtually all aspects of women's lives there exists a contradiction between behavioural ideals and practicalities. She also found that their responses to dictates about their proper place ranged from acceptance to rebellion and almost always unsettled a clear delineation of their roles. Using diaries, oral histories, church histories, genealogies and memoirs, Epp has painstakingly pieced together a rich and fascinating story of Canadian Mennonite women that deserves to be read by women and men everywhere. **Résumé de l'auteur** **Encyclopedia of Feminist Literature** Mary Ellen Snodgrass, 2015-04-22 Presents articles on feminist literature including significant authors, themes and history. *The Welcome Guest*, 1861 **The General Stud Book**, 1865 **The Complicit Text** Ivan Stacy, 2020-12-10 *The Complicit Text: Failures of Witnessing in Postwar Fiction* identifies the causes of complicity in the face of unfolding atrocities by examining the works of Albert Camus, Milan Kundera, Kazuo Ishiguro, W.G. Sebald, Thomas Pynchon and Margaret Atwood. Ivan Stacy argues that complicity often stems from narrative failures to bear witness to wrongdoing. However, literary fiction he contends can at once embody and examine forms of complicity on three different levels: as a theme within literary texts, as a narrative form, and also as it implicates readers themselves through empathetic engagement with the text. Furthermore, Stacy questions what forms of non-complicit action are possible and explores the potential for productive forms of compromise. Stacy discusses both individual dilemmas of complicity in the shadow of World War II and collective complicity in the context of contemporary concerns such as the hegemony of neoliberalism and the climate emergency. **The Churchman**, 1906 **The Atlantic Monthly**, 1914 **The Forfeit** Ridgwell Cullum, 1917 *My Enemy's Daughter* Justin McCarthy, 1869 *Literary News*, 1903 **Literary News** L. Pylodet, Augusta Harriet Garrigue Leypoldt, 1903 **Endurance and the First World War** David Monger, Katie Pickles, 2014-10-02 Endurance was an inherent part of the First World War. The chapters in this collection explore the concept in New Zealand and Australia. Researchers from a range of backgrounds and disciplines address what it meant for New Zealanders and Australians to endure the First World War and how the war endured through the Twentieth Century. Soldiers and civilians alike endured

hardship discomfort fears and anxieties during the war Officials and organisations faced unprecedented demands on their time and resources while Maori Australian Aborigines Anglo Indian New Zealanders and children sought their own ways to contribute and be acknowledged Family members in Australia and New Zealand endured uncertainty about their loved ones fates on distant shores Once the war ended different forms of endurance emerged as responses memories myths and memorials quickly took shape and influenced the ways in which New Zealanders and Australians understood the conflict The collection is divided into the themes of Institutional Endurance Home Front Endurance Battlefield Endurance Race and Endurance and Memorials *Merry's Museum and Parley's Magazine* ,1857 *Merry's Museum and Parley's Magazine* Anonymous,2025-08-21 Reprint of the original first published in 1857 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage
