Reflections On Anger Women And Men In A Changing Society:

Reflections on Anger Christa Reiser, 2001-03-30 This book provides insight into the emotion of anger from a theoretical and empirical standpoint and from the viewpoint of fifty ordinary women and men who share their experiences beliefs and perceptions of anger in their own and others lives The author s main goal is to explore the extent and sources of anger that women and men feel toward members of the other sex and their perceptions of what angers other men and women Respondents general experiences with the emotion of anger are also investigated Experiences and beliefs about various aspects of gender based anger are put in the context of respondents beliefs about recent gender role changes as well as their perceptions of ways to improve relationships between women and men Analysis of interviews reveals complicated patterns of convergence and divergence based on gender Women and men share perceptions in reference to some aspects of anger and some anger related experiences However a significant gender gap exists in other areas This book makes clear the need for better understanding and management of anger in our lives as well as the need to structure relations between men and women so that new ideals of equality and understanding can be realized in a context of shared responsibilities respect and lack of anxiety about what it means to be a man or a woman

Rage Becomes Her Soraya Chemaly, 2018-09-11 A BEST BOOK OF 2018 SELECTION NPR The Washington Post Book Riot Autostraddle Psychology Today A BEST FEMINIST BOOK SELECTION Refinery 29 Book Riot Autostraddle BITCH Rage Becomes Her is an utterly eye opening Bustle book that gives voice to the causes expressions and possibilities of female rage As women we ve been urged for so long to bottle up our anger letting it corrode our bodies and minds in ways we don t even realize Yet there are so so many legitimate reasons for us to feel angry ranging from blatant horrifying acts of misogyny to the subtle drip drip drip of daily sexism that reinforces the absurdly damaging gender norms of our society In Rage Becomes Her Soraya Chemaly argues that our anger is not only justified it is also an active part of the solution We are so often encouraged to resist our rage or punished for justifiably expressing it yet how many remarkable achievements would never have gotten off the ground without the kernel of anger that fueled them Approached with conscious intention anger is a vital instrument a radar for injustice and a catalyst for change On the flip side the societal and cultural belittlement of our anger is a cunning way of limiting and controlling our power one we can no longer abide A work of great spirit and verve Time Rage Becomes Her is a validating energizing read that will change the way you interact with the world around you

The Routledge Handbook on Radicalisation and Countering Radicalisation Joel Busher, Leena Malkki, Sarah Marsden, 2023-11-28 This handbook provides a theoretical and methodological exploration of the research on radicalisation and counter radicalisation one of the most influential concepts in Security Studies International Relations and Peace and Conflict Studies Sitting at the heart of high profile research and policy agendas on preventing and countering violent extremism P CVE radicalisation as a concept has transformed the way researchers policymakers and societies think about how to counter terrorism and political violence Deliberations about

radicalisation and countering radicalisation have become further embedded as efforts to prevent and counter violent extremism have been mainstreamed into other areas of public policy and practice such as education gender relations health peacebuilding aid and development Theoretically and methodologically pluralistic this handbook addresses radicalisation and countering radicalisation as they relate to a wide range of groups and milieus articulating diverse ideological positions drawing together insight and experience from multiple geographic and institutional settings integrating global perspectives and including scholarship focused on a range of policy fields This book will be an essential reference point for anybody working on radicalisation countering radicalisation or terrorism and political violence more broadly The insight that it provides will be relevant for both academics and members of relevant policy and practitioner communities On

Resentment Dolores Martin Moruno,2013-07-16 Resentment has a history Paintings such as G ricault s Le Radeau de La M duse nineteenth century women s manifestos and WWI war photographs provide but a few examples to retrace the changing physiognomy of this emotion from the second half of the eighteenth century up to our contemporary society The essays in this collection attempt to shed light on the historical evolution of this affective experience adopting the French Revolution as a gravitational force namely as a moment in which the desire to be other was politically legitimised by means of the ideal of a meritocratic society From Adam Smith s definition as social passion linked with justice to Nietzsche s interpretation of resentment as a pathological symptom this emotion has also shaped a plethora of social movements forging their identity out of hatred mixed with fear and indignation This volume seeks to provide new insights into the history of emotions by showing how resentment is a cultural experience that contributes to a better understanding of the differences between the past and the present world **Black Women's Activism** Rita B. Dandridge,2004 Black Women s Activism is the first book length

study of African American women s historical romances This book examines romances written from 1989 to the present and discusses their black heroines resistance at particular moments in history from the colonization movement to the Texas oil boom Socio historical perspectives a womanist agenda and an African centered outlook inform the readings of female characters in the narratives of Francine Craft Gay G Gunn Shirley Hailstock Beverly Jenkins and Anita Richmond Bunkley Broadening the scope of the historical romance genre and expanding the canon of African American literature this book provides a more comprehensive image of the black female character and addresses gender issues previously unexplored in black fiction This text should be used by librarians historians literary critics writers college and graduate level students teachers and romance readers **Fury** Koren Zailckas,2010-09-07 Read Koren Zailckas s blogs and other content on the

Penguin Community The author of the iconic New York Times bestseller Smashed undertakes a quest to confront her own anger In the years following the publication of her landmark memoir Smashed Story of a Drunken Girlhood Koren Zailckas stays sober and relegates binge drinking to her past But a psychological legacy of repression lingers her sobriety is a loose surface layer atop a hard packed unacknowledged rage that wreaks havoc on Koren emotionally and professionally When a

failed relationship leads Koren back to her childhood home she sinks into emotional crisis writer s block depression anxiety Only when she begins to apply her research on a book about anger to the turmoil of her own life does she learn what denial has cost her The result is a blisteringly honest chronicle of the consequences of anger displaced and the balm of anger discovered Readers who recognized themselves or someone they love in the pages of *Smashed* will identify with Koren s life altering exploration and the necessity of exposing anger s origins in order to flourish in love and life as an adult Combining sophisticated sociological research with a dramatic and deeply personal story that grapples boldly with identity and family *Fury* is a dazzling work by a young writer at the height of her powers that is certain to touch a cultural nerve Watch a Video

Feminist Psychologies U. Vindhya, 2024-04-03 This book aims to be a comprehensive resource that will apprise readers of the complex dynamics of the psychological interiors of women and others in the sex and gender spectrum as they grapple with sociopolitical and cultural constraints Going beyond the ambit of mainstream psychology this volume draws from interdisciplinary fields of women s gender studies to highlight power imbalances their intersectional nature and the ways in which they shape the psychology of gender relations The book illuminates three focal themes of identities well being and relations which illustrate the psychological contextualised in the backdrop of social political and cultural developments in contemporary India The first theme explores the building of identities in the changing dynamics of work family interfaces non normative sexualities and genders and the intersections of caste gender and social hierarchies The second theme focuses on the gendering of mental health including the intervention of feminist counselling The third theme highlights conceptualisations and practices of masculinities and the role of agency empowerment and collective action in the pathways to equitable gender relations and social transformation This book will be of interest to students teachers researchers of psychology and of women s gender studies It will also be useful for anyone who is interested to learn about recent psychological scholarship in India informed and imbued with a feminist perspective on women as well as other genders

Misogyny as Hate Crime Irene Zempi, Jo Smith, 2021-08-26 *Misogyny as Hate Crime* explores the background nature and consequences of misogyny as well as the legal framework and UK policy responses associated with misogyny as a form of hate crime Taking an intersectional approach the book looks at how experiences of misogyny may intersect with other forms of hate crime such as disablism Islamophobia antisemitism and transphobia From the sexist and derogatory comments about women by former US President Donald Trump to legislative changes in Chile and Peru making street harassment illegal misogyny presents a challenge to scholars practitioners policy makers and women globally The increasing importance of the internet has seen misogyny move into these digital spaces but has also provided a platform for movements such as MeToo and TimesUp highlighting the scale of sexual harassment and abuse In 2016 Nottinghamshire Police in partnership with Nottingham Women s Centre became the first force in England and Wales to record misogyny as a hate crime Since then other police forces have introduced similar schemes to tackle misogyny More recently the Law Commission of England and

Wales has undertaken a review of the legislation on hate crime and in their consultation paper of proposals for reform have suggested adding sex or gender to the protected characteristics In March 2021 the Government announced that police forces in England and Wales will be required to record crimes motivated by hostility based on sex or gender from this autumn The murder of Sarah Everard has been a watershed moment in the Government's response to violence against women Sarah Everard's kidnap and murder who went missing while walking home from a friend's flat in South London on 3 March 2021 ignited a national conversation about violence against women Against this background the book speaks both to the proposed reforms of the hate crime legislation around misogyny and the broader issues around experiences of and legal responses to misogyny It showcases the work of leading scholars in this area alongside that of activists and practitioners whose work has been invaluable in opening up public discussion on misogynistic hate crime and encouraging wider social change In recognising the intersections of different forms of prejudice the book provides an innovative contribution to these hate debates highlighting the complexities of creating separate strands of hate crime Providing a comprehensive understanding of the debates around inclusion of misogyny as a form of hate crime this ground breaking book will be of great interest to students scholars and activists interested in gender hate crime feminism criminology law policing and sociology **Winter's**

Graces Susan Avery Stewart, 2025-07-30 Filled with unexpected good news about growing older Winter's Graces highlights eleven qualities that ripen with age including audacious authenticity creative ingenuity necessary fierceness self transcending generosity and a growing capacity to savor life and to ride its ups and downs with humor and grace Decades of research have established that the catastrophic conditions often associated with late life such as severe dementia and debilitating frailty are the exception not the rule Still the mistaken idea that aging equals devastating decline persists causing enormous and unnecessary suffering especially for women Drawing on decades of experience as a psychology professor and psychotherapist Susan Stewart PhD weaves together inspiring folk stories that illustrate the graces of winter and recent research that validates them along with a wealth of user friendly tools and practices for amplifying these graces and bringing them to life Written primarily for women over 50 seeking good news about growing older Winter's Graces offers adults of all ages a compelling vision of aging that celebrates its many gifts acknowledges its challenges and reveals how the last season of life can be the most fulfilling of all Mapping the Edges and the In-between Nancy Nyquist

Potter, 2009-06-25 Borderline Personality Disorder BPD is a diagnosis given to ten percent of all those seen in outpatient mental health facilities and twenty percent of those seen in inpatient psychiatric units This is a significant number of people in the Western world Yet many of the core concepts and symptoms that underlie this diagnosis are questionable Many of the attitudes and actions of carers are based on assumptions about those with BPD that cry out for analysis with both cultural and gender norms interacting with clinical diagnosis and treatment to the detriment of both carers and patients This book considers how we diagnose BPD looking at the key constructs identity disturbance inappropriate or excessive anger unstable

relationships impulsivity self injurious behaviour and manipulativity It starts by looking at the cultural and gender assumptions and norms behind BPD drawing upon philosophical clinical anthropological and sociological literature Combining philosophical analysis with clinical experience and patients writings it clarifies the constructs so that the reader can understand the messiness and complexity that frames this diagnosis and treatment After examining the current state of these constructs and their effects on carer patient interactions Part II sees an application of virtue theory to therapeutic treatment with BPD patients It looks at three virtues that are particularly important for clinicians and other carers to cultivate when working with BPD patients trustworthiness the virtue of giving uptake and empathy It argues that in their absence not only are clinicians attitudes harmful to patients but that the status of the diagnosis is actually compromised Mapping the Edges and the In Between presents a compelling argument that Borderline Personality Disorder needs to be approached in a new light one that will benefit patients
