## **Reflections On The Balkan Wars Ten Years After The Breakup Of Yugoslavia:**

Reflections on the Balkan Wars J. Morton,P. Forage,S. Bianchini,R. Nation,2004-01-16 In this collection scholars policymakers and military officials explore the conditions that gave rise to the Balkan wars in the 1990s the application of international law to the wars the conduct of the wars and post war issues The essays are based on presentations given at the International Conference on the Balkans held at Florida Atlantic University in February 2002 The contributors come from varied backgrounds including international law genocide studies peacekeeping European politics communications history and military studies     **War in the Balkans** Richard C. Hall,2014-10-09 This authoritative reference follows the history of conflicts in the Balkan Peninsula from the 19th century through the present day The Balkan Peninsula which consists of Albania Bulgaria Romania Moldova and the former Yugoslavia resides in the southeastern part of the European continent Its strategic location as well as its long and bloody history of conflict have helped to define the Balkans role in global affairs This singular reference focuses on the events individuals organizations and ideas that have made this region an international player and shaped warfare there for hundreds of years Historian and author Richard C Hall traces the sociopolitical history of the area starting with the early internal conflicts as the Balkan states attempted to break away from the Ottoman Empire to the assassination of Archduke Franz Ferdinand that ignited World War I to the Yugoslav Wars that erupted in the 1990s and the subsequent war crimes still being investigated today Additional coverage focuses on how these countries continue to play an important role in global affairs and international politics     Breaking Down Bipolarity Martin Previšić,2021-10-04 This book is aimed at presenting fresh views interpretations and reinterpretations of some already researched issues relating to the Yugoslav foreign policy and international relations up to year 1991 Yugoslavia positioned itself as a communist state that was not under the heel of the Soviet diplomacy and policy and as such was perceived by the West as an acceptable partner and useful tool in counteracting the Soviet influence     The a to Z of Bosnia and Herzegovina Ante Cuvalo,2010-04 The A to Z of Bosnia and Herzegovina sheds light on the uncertain situation Bosnia and Herzegovina faces while providing essential background information This is accomplished through a chronology an introduction a bibliography and more than 300 cross referenced dictionary entries on individual topics spanning Bosnia and Herzegovina s political economic religious and social system along with short biographies on important figures     **Encyclopedia of Military Science** G. Kurt Piehler,2013-07-24 The Encyclopedia of Military Science provides a comprehensive ready reference on the organization traditions training purpose and functions of today s military Entries in this four volume work include coverage of the duties responsibilities and authority of military personnel and an understanding of strategies and tactics of the modern military and how they interface with political social legal economic and technological factors A large component is devoted to issues of leadership group dynamics motivation problem solving and decision making in the military context Finally this work also covers recent American military history since the end of the Cold War with a special emphasis on peacekeeping and

peacemaking operations the First Persian Gulf War the events surrounding 9 11 and the wars in Afghanistan and Iraq and how the military has been changing in relation to these events      **Routledge Handbook on Cooperation,**

**Interdependencies and Security in the Mediterranean** Elena Calandri, Karolina Golemo, Jesús

Ventura-Fernández, 2024-11-29 This Handbook provides an essential overview of the contemporary dynamics of the Mediterranean region Conceptualising the Mediterranean as both a socio cultural area and a geopolitical entity it considers the basin both as a whole and as a set of interacting subregions Established scholars offer new perspectives and approaches from international history postcolonial studies migration studies geography private international law and public international law environmental and tourism studies to reappraise the long term trends and ruptures that shape security interdependence and cooperation These contributions explain the Mediterranean s long established role as a crossroads and demonstrate the political economic ecological and cultural meanings of security The book shows how interdependence in economic environmental cultural and human sectors continues to bind the Mediterranean together as migration flows across the sea environmental change requires common action legal systems coexist and multifaceted identities growing cultural awareness and human rights remain on the political agenda This volume will be an invaluable resource for graduate students

Subject Guide to Books in Print, 2001      Bibliographie Internationale de Science Politique, 1996      **Historical Abstracts**, 2000      *Balkan Tragedy* Susan L. Woodward, 1995-04-01 Yugoslavia was well positioned at the end of the cold

war to make a successful transition to a market economy and westernization Yet two years later the country had ceased to exist and devastating local wars were being waged to create new states Between the fall of the Berlin Wall in November 1989 and the start of the war in Bosnia Herzegovina in March 1992 the country moved toward disintegration at astonishing speed The collapse of Yugoslavia into nationalist regimes led not only to horrendous cruelty and destruction but also to a crisis of Western security regimes Coming at the height of euphoria over the end of the cold war and the promise of a new world order the conflict presented Western governments and the international community with an unwelcome and unexpected set of tasks Their initial assessment that the conflict was of little strategic significance or national interest could not be sustained in light of its consequences By 1994 the conflict had emerged as the most challenging threat to existing norms and institutions that Western leaders faced And by the end of 1994 more than three years after the international community explicitly intervened to mediate the conflict there had been no progress on any of the issues raised by the country s dissolution In this book Susan Woodward explains what happened to Yugoslavia and what can be learned from the response of outsiders to its crisis She argues that focusing on ancient ethnic hatreds and military aggression was a way to avoid the problem and misunderstood nationalism in post communist states The real origin of the Yugoslav conflict Woodward explains is the disintegration of governmental authority and the breakdown of a political and civil order a process that occurred over a prolonged period The Yugoslav conflict is inseparable from international change and interdependence and it is not confined to the Balkans but is part of a more widespread phenomenon of politic

Yugoslavia, the Former and Future Payam Akhavan, Robert Howse, 2010-12-01 This book contains a unique collection of essays written by scholars from the former Yugoslavia exploring the events that led to the devastating disintegration of their homeland The scholars who are from the different ethnic groups now in conflict provide insightful multicultural perspectives on the crisis The essays lead readers to reconsider the assumptions behind the predominant western views of the post cold war order and the place of ethnic conflict and ethnic nationalism in that order Most of the authors point to the causes of the federal breakup and the war that are specific to the social political and economic situation of Yugoslavia as it evolved since Tito The existence of these causes largely ignored in western analysis of the crisis questions the view that conflicting or overlapping claims of different ethnic groups must result in nationalism and national conflict The variety of viewpoints by scholars from Bosnia Herzegovina Croatia Serbia and Slovenia provides a much needed dialogue about the combination of forces events and personalities that led to the crisis and offers the opportunity to look ahead to a brighter future for the region This book is essential reading for everyone who wants a better understanding of what caused the breakup of Yugoslavia as well as the more general problems of nationalism and post cold war international struggles The contributors are Vojin Dimitrijevic University of Belgrade Dusan Janjic University of Belgrade Dusan Necak University of Ljubljana Albina Necak Luk University of Ljubljana Zoran Pajic University of Sarajevo Zarko Puhovski University of Zagreb Milorad Pupovac University of Zagreb and Dragomir Vojnic
