Francis E. Gigot Collection [4 Books]** Rev. Francis E. Gigot, Aeterna Press, [The Oxford Handbook of the Synoptic Gospels](#) Stephen P. Ahearne-Kroll, 2023 The Oxford Handbook of the Synoptic Gospels presents essays that push the field beyond the Synoptic Problem and theological themes that ignore the particularities of each Gospel The first section explores some of the traditional approaches of literary dependence and

engages with alternative ways to understand Synoptic relations while the second section treats a variety of historical literary and cultural phenomena important to the study of these Gospels The Language of Your Body Christina Valenzuela,2024-02-23 For most women whether single consecrated or married our menstrual cycles are present throughout a large part of our existence here on earth We intuit that there is something strange strong and beautiful at work within our bodies Yet that positive inclination is often at odds with what we have experienced personally or seen among our family and friends What good can we find in our cycles especially when we ponder the fact that both men and women are equally made in the image and likeness of God The Language of Your Body delves deep into this and other groundbreaking questions using the wisdom of saints like Hildegard von Bingen Pope John Paul II and Thomas Aquinas to explore this unique fundamental aspect of God s design for female bodies Despite menstruation being labeled sometimes as a woman s curse the Catholic Church invites us to claim our cycles for good This book is a beacon to all women searching for positive ways to integrate our menstrual cycles into our sense of self our relationships and our prayer Library Journal ,1970-04 **The Southern Review** ,1877 The Southern Review Albert Taylor Bledsoe,Sophia M'Ilvaine Bledsoe Herrick,1877 Biblical Wisdom and the Victorian Literary Imagination Denae Dyck,2024-02-08 Examining the creative thought that arose in response to 19th century religious controversies this book demonstrates that the pressures exerted by historical methods of biblical scholarship prompted an imaginative recovery of wisdom literature During the Victorian period new approaches to the interpretation of sacred texts called into question traditional ideas about biblical inspiration motivating literary transformations of inherited symbols metaphors and forms Drawing on the theoretical work of Paul Ricoeur Denae Dyck considers how Victorian writers from a variety of belief positions used wisdom literature to reframe their experiences of questioning doubt and uncertainty Elizabeth Barrett Browning George MacDonald George Eliot John Ruskin and Olive Schreiner This study contributes to the reassessment of historical and contemporary narratives of secularization by calling attention to wisdom literature as a vital distinctive genre that animated the search for meaning within an increasingly ideologically diverse world
