threaten the animals primary interests not to suffer not to feel pain and to be able to live their freedom This book contains chapters that reveal both the unethical interactions between humans and animals within heritage tourism and those that show experiences in which efforts are made to minimize damage within the commercialization of animals involved as heritage themselves **Sing to Me, Dreamer** Shonagh Koea, 2011-11-01 A guirky much loved novel about a return home a past love affair and an elephant It is many years since I turned the pages of the little book I wrote for the holy man and the ivory covers creak as I open on the story of how I went to India As my voice ascends thin as the song of a lark I see again the black eyes of the holy man irises flecked with gold as he hands me the pen and paper Oh sing to me dreamer he said and I began to write Back home as she sorts out her deceased Mother's estate Margaret Harris reflects on her time in India as mistress to a Maharajah But there are many things that she has to confront in the present her bullying lawyer the aggressive neighbour and the spectre of her failed relationship with her mother Paws for Reflection M.R.
