Gutierrez,2014-01-30 On a hot June day Liliana a brilliant young woman of Native American Hispanic and Anglo Saxon heritage is irresistibly drawn to a cowboy despondently leaning on his truck on the side of the highway as she drives home to Grants Reflections of Love and Loathing takes place in New Mexico where Liliana loses her loving parents when she is five Secret resources enable her abusive alcoholic grandmother Carla to keep her so Liliana is forced to live with the persistent stalking of a serial pedophile Joe who is her great grandfather When Terry sees her recklessly cross the highway to come to his aid he begins the wild ride into Liliana's life After meeting Carla and Joe he has his doubts about being with Liliana but soon he realizes that love binds him to her After driving Terry to his destination in Texas Liliana learns that Carla has accused her of killing Joe and flees in panic She wakes to find herself broken and alone her truck wrecked in a deep arroyo Only her love for Terry gives her the strength to fight for survival in the flashflood that threatens to finish her off and only Terry's mysterious link to her allows him to find and rescue her While she lies broken in the hospital Terry learns of the perversions and misuse of power that maintained multigenerational sexual abuse that destroyed the lives of three generations of women and dominated Liliana's life with Carla Then begins Liliana's true challenge As her body heals she will have to rise above the emotional damage caused by Carla and the nightmare mirror image of Joe that tempts her to drive Terry away rather than face her fears and believe that she is worthy of Terry's love The most difficult challenge of all

Musings and Reflections William Galvin,2016-11-23 After Reflections On A Moon my meanderings took me to a long stay in Arizona another trip to see family and friends in Texas a few weeks later and to a new apartment after packing up 30 plus years of memories and selling the house So the journey continued and in *Musings and Reflections* I share the interpretations of what I saw and heard and felt on that path Many good people of soul have impressed me when their journeys have intersected with mine Plus many great minds have inspired me with their words passed forward through time and some are quoted here in what would have been empty white spaces There is so much beauty out there to be seen felt and expressed from a tear to a laugh from a loss to a light from a river to a mountain from a speck of sand to a star and all the moons and moods between the best and the worst are all beautiful when accepted as part of the whole fabric of Life Bill Galvin Plainville MA
