Reflections of Courage on D-Day & the Days That Followed Marcia Moen, Margo Heinen, 2025-01-15 The personal account of Charles Ace Parker a World War II Ranger on the European Front **D-Day General** Noel F. Mehlo, 2021-05-15 Omaha was the make or break Allied beach on D Day in perhaps the make or break campaign of World War II If American soldiers couldn't gain a foothold there then D Day was unlikely to succeed On June 6 1944 U S troops on Omaha suffered the worst casualties of any of the five Allied invasion beaches so many casualties and so much tactical difficulty that Omaha almost didn't succeed One big reason why Americans gained a foothold on Omaha was Gen Norman Dutch Cota A graduate of the West Point class of 1917 alongside famous classmates Matthew Ridgway Mark Clark and Lightning Joe Collins Norm Cota played football with Dwight Eisenhower who graduated two years earlier From March 1941 to February 1943 Cota served with the famous 1st Infantry Division the Big Red One as division intelligence officer plans training officer and finally chief of staff He performed so well in the North Africa campaign that he was sent to England to help plan D Day After laying the tactical groundwork for the amphibious landings Cota was made assistant division commander of the 29th Infantry Division On the eve of D Day he told his men You're going to find confusion The landing craft aren't going in on schedule and people are going to be landed in the wrong place Some won't be landed at all We must improvise carry on not lose our heads On June 6 1944 under heavy fire Cota landed with the second wave of the 29th Infantry Division on Omaha Beach about an hour after the start of the invasion He personally rallied the survivors of the landings and led the opening of one of the first exits off Omaha Cota seemed to be everywhere that day Coming upon a group of Rangers the general told them Rangers lead the way hence the Rangers motto He is also known for saying Gentlemen we are being killed on the beaches Let us go inland and be killed And to a captain uncertain how to proceed I'll tell you what captain You and your men start shooting at them I'll take a squad of men and you and your men watch carefully I'll show you how to take a house with Germans in it Having demonstrated the task Cota asked the officer Do you understand Do you know how to do it now I won't be around to do it for you again I can't do it for everybody Great quips which American military history will always remember and which show the character in every sense of Dutch Cota Cota was a fighter a fighting general a D Day general and his contribution to D Day will remain his rallying of demoralized troops and his blazing the trail toward the breakout and victory on Omaha Ted Roosevelt Jr who landed at Utah Beach has always received credit as the D Day general like Cota Roosevelt also demanded that he land on D Day and then died of a heart attack a month later but Cota is the hero general of the day having landed early on D Day on bloody Omaha Portrayed by Robert Mitchum in the grand D Day film The Longest Day Cota has not yet received his due and there's a campaign now afoot to award him a belated Medal of Honor His story cries out to be told Now with the cooperation of the Cota family Noel F Mehlo Jr tells the compelling story Dutch Cota on Omaha Beach revealing new information and never before seen photos **Rudder** Thomas M. Hatfield, 2011-04-21 Rudder From Leader to Legend

Joseph Mpa, 2020-12-27 Changing Your Paradigm and Shifting your Mindset in 21 Days By Joel L Joseph MPA Most textbooks of this nature go through the theory and inundate the reader with historical perspectives and unrelated information to fill up space I have learned that KISS Keep it Simple Sweetie is something that works better when trying to reach a larger group of people *The Follow up 21 Days of Accountability* power packs knowledge practice and application in a manner that is palatable and inspiring to the intended audience Overview Being that this is my 3rd Book 1st *The Sweat off My Back* 2nd *Journey 2 Greatness* I wanted to do something different I wanted to create a book that addressed the gaps that many of us have and that is with commitment and follow through I myself have had to gain an accountability partner or partners that were on the same path with me trying to attain similar goals to keep me on track This book s caveat statement of disclaimer is that I do NOT try and present a perfect solution There are no perfect solutions because we are not perfect people In fact no book can guarantee your success without YOU putting the work or effort in to produce the results that you desire Many experts and top consultants can agree that there are no shortcuts to success In fact the journey to the place in which the person inside of you becomes the very best version of you experts say that it takes 21 days to change a behavior or form a new habit I encourage you to take that as a

challenge to look at the next 21 days and thereafter as a time to put in the arduous work that it takes to change your lifestyle As a producer of change you must know that the process of change takes accountability and the ability to measure your progress This is how you will adjust stabilize or reduce those things that are necessary to promote the BEST results At the end of this book I suggest that you look deeply at what you have accomplished and judge it heavily don't be easy on yourself Don't let yourself off the hook take the tough approach to be honest about the change that you need to make and simply do it Journaling is an important part of any process So purchase a journal or the detailed journal for this book which is available at www.jl-joseph.com and reflect as much as possible of the journey Enjoy the results reflect on the ups and down and celebrate often
