Reflections of My Life Betty Dawson, 2022-11-30 Living in a quiet corner of rural Northern Ireland in the 50s and 60s children had an idyllic freedom to explore plus a healthy respect for hard work and community spirit Moving from this to the bustle and confusion of London enjoying a short spell living in historic Bath to then living in the Far East was in itself a lifetime experience But follow this on with a broken marriage a protracted divorce and the harsh realities of living with the troubles in Northern Ireland was a route not experienced by everyone Starting again in the hitherto unknown world of a word smith in Public Relations which included working across the UK Europe Bosnia during and post conflict and in Kosovo post conflict was a new route This process was an accidental rather than a deliberate choice It flowed out of necessity drawn by instinctive reaction to circumstances rather than by design These experiences form the basis of this narrative *"Pimp: Reflection of My Life"* Noble Dee, 2013-02-01 In our society today although used out of their original contexts the words Pimp and Pimpin have been embraced wholeheartedly by today's hip hop generation and frequently used in slang to describe a motif of a newly set standard of flamboyant living However in his debut release Donald Ray Lavan AKA Noble Dee provides the true definition of both words separating the real and the facts from the faade and the fiction of today's controversial terminology Best of all he describes in very minute details what the Game Pimpin was like for him in his era the 1960s to Y2K The New Millennium In this tell all non fiction Noble Dee illustrates in a very blaxploitation manner his personal existence in the game Not only does he exploit his successes he also exposes the very grim details of the life both in tones where you the reader bask in his glory and share his pains the pain of possibly regret in the life that he cherished for almost four calendar decades Wholeheartedly Noble Dee expresses how his own glorification of the game indirectly allured his first born daughter into a position to be manipulated and exploited by pimps just as he had manipulated and exploited so many daughters throughout his 35 years plus career Not since Robert Beck revealed to the masses the vivid street Realities of a Pimps Life in his book *Pimp The Story of My Life* By Iceberg Slim has the entrenching truth behind the lifestyle termed pimpin been exposed to this degree Thus the primary title *Pimp Reflections of My Life* www.JumpInterstateNBiz
