Reflections On Christians Song:

Reflections on Issues in Music and Worship Michael G. Coleman, 2019-03-19 Lest you think that Dr Coleman has quit preachin and gone to meddlin in this sensitive topic of music and especially church appropriate music please give this book a chance Coleman draws from many sources both Seventh day Adventist and non Adventist to explain just how the type of music we use in church worship services affects our worship experience and our Christian experience When addressing the current trend of Contemporary Christian Music CCM he assures the reader that he is not against all CCM but cautions against using a song just because it may be popular or may draw a certain crowd into the church He shows how merely the use of contemporary music may attract people to attend church but it doesn't necessarily lead to a true conversion or the intentional discipling of those people Dr Coleman states The seeker sensitive model involved a de emphasis of traditional methods of evangelism and discipleship such as doctrinal preaching calling for repentance from sin and committing oneself to give Bible studies rather it focused on innovation and meeting the wants of people often dubbed felt needs The seeker sensitive model also caused people to view Christianity as something cool and made them feel comfortable in dressing down to attend church worship service sometimes in jeans and a t shirt However it resulted in producing spiritually weak Christians who were pastor dependent and not committed to making disciples for Christ Music ministry leaders and anyone who enjoys music in church will learn to be a little more discriminating in the choice of music after gaining the insights provided in this book

Challenging Reflections on the Christian Life J.L. Moore, 2011-04-25 When is the last time you were discouraged in your relationship with God were distracted by a crying infant during a church service shared the gospel with an unbeliever heard someone say they rededicated their life to Christ heard an intense conversation about sports among Christian men were equipped by your pastor to present and defend the gospel If your experience is similar to most Christians you have probably never spent much time reflecting on the issues above as they pertain to the seriousness of the Christian life *Challenging Reflections on the Christian Life* covers topics that include raising children in the church evangelism apologetics men and sports the concept of rededication the pastors primary responsibility infants in the sanctuary knowing God and much more This book is designed to encourage you to give deep contemplation to the all too common experiences encountered in the Christian life and lead you to an awakened sense of reverence for God and passion for the truth Whether you are a new Christian or a seasoned pastor this book will cause you to rethink much of what you see in your life and in your church This book is inspiring encouraging and challenging The author carefully and faithfully handles the Scriptures and applies them to our lives Every Christian will profit from reading this book Dr Norman Geisler Professor of Apologetics Veritas Evangelical Seminary
