Self-Reflection Sandra Christian,2020-04-16 How often do you take time to reflect When do you feel safe enough to be vulnerable Can you be completely honest with yourself about what you think and feel Sandra Christian takes us on a fascinating journey in this book A woman of mixed ethnical origin she was classified at birth as Colored Indian under the Apartheid regime in South Africa where she tried to find peace despite being different She later flees to Europe as a young mother where under great psychological pressure she establishes herself and succeeds in creating a life for herself and her son Only it comes at a cost In this book she reflects on numerous aspects of her life that have made her the woman she is today She encourages you the reader though poignant questions to stand still and seriously connect with your inner self helping you to understand why you do the things you do and showing you how to create the amazing life you desire

God's Existence: Religious and Scientific Reflection Ravi K. Puri Ph.D.,2022-12-06 When war crimes and calamities occur the belief in God is shaken The idea comes to mind Does God Exist If there is a God then why is he not preventing deadly events comprising genocides assassinations crimes and atrocities On the contrary He does not interfere That means there is no God Are people worshipping at various religious places Churches Mosques and Temples for various reasons wasting their time If God does not exist all these religious places should be closed and turned into cinemas entertainment clubs and sports stadiums God is not any object that His existence can be proved It can be felt by seeing His splendid creation The act of creation reveals the creator To know His existence is to know his magnificent creation and redemption He is the transcendent designer and has not revealed Himself so far to anyone No God His prophet deputy or beloved can interfere with any life on any planet Each soul has its journey and is responsible for its actions God is apathetic to the creation of the universe or any happening in the universe The universe goes on as per its natural laws So let us not blame God for any catastrophe occurring in the world

The Names of God in Judaism, Christianity, and Islam Máire Byrne,2011-07-07 This book offers a welcome solution to the growing need for a common language in interfaith dialogue particularly between the three Abrahamic faiths in our modern pluralistic society The book suggests that the names given to God in the Hebrew Bible the New Testament and the

Qur'an could be the very foundations and building blocks for a common language between the Jewish Christian and Islamic faiths. On both a formal interfaith level as well as between everyday followers of each doctrine, this book facilitates a more fruitful and universal understanding and respect of each sacred text, exploring both the commonalities and differences between each theology and their individual receptions. In a practical application of the methodologies of comparative theology, Maire Byrne shows that the titles, names and epithets given to God in the sacred texts of Judaism, Christianity and Islam contribute towards similar images of God in each case and elucidates the importance of this for providing a viable starting point for interfaith dialogue.

Sufism-The Soul of Islam Sultan ul Ashiqeen Sultan Mohammad Najib ur Rehman, 2020-10-30. Sufism is a journey, a miraculous one, filled with hurdles yet easy for those who are born pure and those who choose. It is the choices and not always the actions as they could be deceptive. Sufism is the spiritual and mystical aspect of Islam. The esoteric cosmos has every spiritual blessing, notion and trial. In the universe of Sufism, the destination is being One with the Divine Essence, tawhid, and the dear friend and leader on this path is the spiritual guide. Motivation and power to accomplish comes from loving Allah only, as Sultan Bahoo has famously said: "Only Allah. Everything other than Allah is lust." The names Allah and Mohammad, *Ism e Allah Zaat* and *Ism e Mohammad*, are sustenance which strengthen the very soul of man. After all, it is the journey of soul, deep respect embedded in the heart for the family of Prophet Mohammad, peace be upon him, is like Noah's Ark, and the sacred Companions are guiding stars. The Mohamman Assembly is the determining factor declaring one worthy to embark on the quest of Sufism or to demote or worse to forever halt. Wolves, brigands and the negative powers that drive one away are Satan, inner self, *nafs*, and the mortal world. Sharia is the door into this esoteric world. This journey of gnosis has its own set of guidelines. These can come in the form of inspiration, unveiling, *waham*, inward conversation with *Hoo* and *ilm e dawat*, communication with sacred souls of shrines. This book is all and MORE. A must read for every spiritual traveller. For online reading, please visit <https://sultanulfaqrpublications.com>.
