Reflections On The Gospels:

Reflections on the Gospels Vance Havner, 2004-01-01 Vance Havner's Reflections on the Gospels was rescued by Michael Catt from a collection of newspaper columns and compiled for the first time into book form. The result is a wonderful devotional volume that gives a unique insight into God's Word through the eyes of this great preacher. **Come to the Light** Brendan Byrne, 2021-07-19 These profound and inspiring reflections on the Gospel of John will open to preachers, religious and parish groups interested in Scripture the treasures that the Fourth Gospel contains for the life of the world. Brendan Byrne draws on the insights in Life Abounding, his academic commentary on the Fourth Gospel, to enrich the understanding of non-scholars. In Come to the Light, Discussion questions provided at the end of each talk serve as a starting point for the reader's personal contemplation. *Short Reflections on the Gospels for Every Sunday in the Year ...* J. T. Phelps, 1839 **Reflections on the Gospel of John** Johannes Lauten, 2022-03-24 The Gospel of John occupies a special place among the four Gospels. Not only is it precise in its historical details and its descriptions of the events of Jesus' life and work, lending support to its claim of being an eye-witness account, but it also offers a deep insight into the person of Jesus Christ through his questions, statements and other utterances. In this perceptive book, Christian Community priest Johannes Lauten reflects upon the many layers of meaning in John's Gospel. He explores some of the less well-known figures surrounding Christ, examines recurring words and phrases such as the Son of Man and the seven I am statements, and illuminates themes like knowledge, faith, the workings of grace, and Christ's path to the Cross. Lauten also considers the origins of the Gospel and questions the accepted notion that it was written by John the son of Zebedee and the brother of James. He suggests that the account of the raising of Lazarus, a story not recorded in the other Gospels, holds the key to the true identity of the disciple whom Jesus loved. His thought-provoking book will be of interest to biblical scholars and those wishing to gain a deeper insight into the central meaning of Christianity. **Journeying with Luke** James Woodward, Paula Gooder, Mark Pryce, 2015-09-11 Journeying with Luke is the first of four volumes that offer brief and accessible guides to the Gospels for learning and reflection. Following the Revised Common Lectionary, each chapter corresponds to a season of the liturgical year and the Gospel passages read during that season. The reader will find an introduction to the biblical text that looks at historical and literary themes, imaginative new ways to encounter the text in preaching and study, including poetry and reflections on the text's meaning for contemporary Christian life. Each chapter ends with an action item, questions for reflection, and a prayer. Perfect for sermon preparation, devotion, or group study, this resource will serve as an indispensable guide to the journey of encountering Jesus in the Gospel of Luke. Following the Gospel Through the Year Raymond Chapman, 2001 Week by week, in thousands of places of worship and in homes, Christians gather around the Scriptures to hear the Gospel of Jesus Christ proclaimed. The Revised Common Lectionary, now used widely by church communities throughout the world, has restored the Early Church principle of continuous readings through the Gospels: Matthew in Year A

Mark in Year B and Luke in Year C with additional readings from John in all three years This pattern of reading enables the narrative of each to unfold and invites reflection on the distinctive style and approach of each of the Evangelists Following the Gospel through the Year aims to enrich and deepen understanding by providing for each Sunday Holy Day and major festival It offers a summary of the essential message of the Gospel reading a link to the other readings of the day an extended meditation and reflection an illustrative quote from the spiritual classics a closing prayer With additional background notes on each of the Gospels and of the seasons of the Christian year this book is an inspiring resource for worship leaders preachers and those who help to lead the intercessions and a reliable guide for personal devotional reading at all times

Sundays kept holy; in moral reflections ... on the Gospels for the Sundays from Easter to Advent. Being a supplement to the Christian Advent and Lenten Monitor ... Second edition. By P. B[aker] O[rdinis] S[ancti] F[rancisci]. P. B. O. S. F., 1772

The Gospels of the Weekday Lectionary John F. Craghan, 2010-10-01 Seize the text John Craghan tells readers in his introduction to this volume Though he states the seemingly obvious it is imperative to read the biblical texts in order to begin to mine their depths his commentary on the gospels of the weekday Lectionary helps readers do just that Volumes have been written about the gospels of the Sunday Lectionary but there are few resources that give the weekday gospels their due Craghan fills that gap by drawing out the features of each evangelist and providing accessible commentaries and reflections for the gospels during the week Used as a guide for homilists or as a means for personal meditation on the readings these observations will help readers to seize the text to understand the gospels and their relevance for daily life **The Gospels**

understanding of God's word as we reflect on each of the Sunday Gospels. Reading sacred poetry is a time honored spiritual practice that enables us to set aside our mundane concerns while we look at the Gospels with eyes anew. When we read a poem we do not simply read words; we enter a sacred space. Many times this awareness as well as the words themselves leads us into prayer and meditation. The experience of using a different lens to pray with each Sunday Gospel challenges the reader to enter each Gospel passage in a new way leading us to a new deeper and richer communion with God's message. Slattery, 2004 The Gospels call us to pattern our lives after that of Jesus and by bringing God's love to the world to transform it into His Kingdom. The challenge of the Gospels is to resist the temptation to do evil and to employ all our energies in doing good to take up our cross each day and follow Jesus. Each Sunday one or another aspect of that challenge is placed before us in these brief reflections on the Gospels for Cycle A of the liturgical readings.
