Luecke, 2023-03-22 Traditional mainline churches have been in decline for fifty years as their church energy continues to seep away What are the options to regain vitality Pastor Luecke thought for years that better administration was the answer But the problem is deeper Our Reformation heritage left us with a very weak practical theology of the Holy Spirit confining

him mostly to the Creeds We don't have a hands on understanding of how he makes a difference in church life today We can find that by appreciating how central the Spirit was to Paul's leadership This collection of Reflections comes in two parts The first highlights how the Spirit works today based on Paul's insights It outlines how personal growth in the Spirit can happen Church leaders cannot take others to where they personally have not been before The second part is organized around Martin Luther's explanation of the four functions of the Holy Spirit He calls gathers enlightens and sanctifies God's people The Spirit is the leader of ministry teams We need to learn how to follow **Experiencing God at Home** Richard Blackaby, Tom Blackaby, 2013-05-01 Experiencing God at Home takes a fresh path back into the rich roots of Henry Blackaby's world renowned Experiencing God writings to connect what happens in our homes to what happens in our churches Here his sons Tom and Richard Blackaby first establish the biblical case for the idea of experiencing God at home illuminating how the clear foundation for God's work in nations and churches around the world is his work in families Indeed healthy families lead to healthy churches and the Blackabys illustrate that through real life stories of families that have found ways to experience God in marriage in choosing life's direction in rescuing broken relationships in forgiveness in the salvation of loved ones etc Lessons from the Bible support these moving accounts and the book concludes with resources that will guide individuals families as well as entire churches toward practically experiencing God at home The People of God's Presence Terry L. Cross, 2019-10-15 In an age when the church is sometimes viewed as irrelevant and inauthentic leading Pentecostal theologian Terry Cross calls the people of God to a radical change of structure and mission based on theological principles Cross whose work is respected by scholars from across the ecumenical landscape offers an introduction to ecclesiology that demonstrates how Pentecostals can contribute to and learn from the church catholic A forthcoming volume by the author Serving the People of God's Presence will focus on the role of leadership in the church *Experiencing God (2021 Edition)* Henry T. Mastering their emotions Creating an intimate relationship with God **Reflections** Phillip Michael Garner,2019-11-01
Reflections is a theological guide for today s Christians seeking a fuller appreciation of religious faith than is represented in populist religion The seven categories and their chapters are designed to provide the reader with an intensive study on neglected but imperative concepts for faith Subjects of vital importance to both theology and humanity are explored with a flowing continuity of understanding God and the world Reflections begins with the concept of revelation and its relation to monotheism and conviction The chapters that follow are titled Religion Is Christianity Is and Intelligent Spirituality these set the foundation for the rest of the book The sense of moderns is that they are immune to the primitive concept of idolatry Under the category of Perennial Idols Garner dismantles the idolatry that plagues humanity in every generation Reality and its creation is a category of theological thought that is essential for Christian development and sorrowfully neglected in church education The other categories are Sex and Romantic Love Popular Myths Being Human Being Poor and Forgiveness Garner s conviction is that the root of humanity s dysfunction is our failure to learn how to live together as male and female

The Standard Christian Epidemic David Vilkhovoy,2013-02-12 Why does Christianity fail Many people mock Christianity as a hypocritical lifestyle and even Christians themselves have given over to what society says about them However Christianity does not work when it is lived by mere human ways because it is a lifestyle of aggressive faith This book highlights the truths of the Christian faith helping you understand why Christianity fails and how to make it work Its not a formula but simply a message Christians shouldnt look to anyone but Jesus Christ as their ultimate example Questions answered in this book If God is so real why dont I experience Him If God is perfect why is Christianity so controversial Is it possible to live a powerful influential life as a Christian The Standard Christian Epidemic explores in depth the theme of calling the church back to the standard of Jesus Christ instead of that of religion and reliance on self which has hindered the church for so long Graham Jones Reverend International Gospel Outreach There is no doubt that David has heard from God The standard is being raised and this is the call of God to break free from the Standard Christian Epidemic Mark Casto pastor Omega Center International David is pointing the way for the next generation the up and coming generation that so desperately needs to know truth and the hope that we have in Jesus Christ Gail Manizak CEO The Power and Presence Ministry

Harland, Stan Moser, 2008 *Seven Words of Worship* combines biblical truth practical application and inspiring real life stories to clarify the reader's understanding and living out of worship focusing the spiritual practice on seven key words Creation Grace Love Response Expression Presence Experience Indeed worship is a leading topic throughout the church today and the central purpose for gathering the body of Christ each week But worship style and technique are often divisive elements among believers as well More than a subjective art form or tradition *Seven Words of Worship* authors Mike Harland and Stan Moser explain that worship is foremost intended to be a pure and powerful declaration of love to God When offered with passionate sincerity worship brings God into our presence and makes all things possible
