Harvey Sachs

Reflections On Toscanini:

Reflections on Toscanini Harvey Sachs, 1992 Leven en werk van de Italiaanse dirigent 1867 1957 Dangerous Melodies Jonathan Rosenberg, 2019-12-10 A Juilliard trained musician and professor of history explores the fascinating entanglement of classical music with American foreign relations Dangerous Melodies vividly evokes a time when classical music stood at the center of twentieth century American life occupying a prominent place in the nation's culture and politics The work of renowned conductors instrumentalists and singers and the activities of orchestras and opera companies were intertwined with momentous international events especially the two world wars and the long Cold War Jonathan Rosenberg exposes the politics behind classical music showing how German musicians were dismissed or imprisoned during World War I while numerous German compositions were swept from American auditoriums He writes of the accompanying impassioned protests some of which verged on riots by soldiers and ordinary citizens Yet during World War II those same compositions were no longer part of the political discussion while Russian music especially Shostakovich's was used as a tool to strengthen the US Soviet alliance During the Cold War accusations of communism were leveled against members of the American music community while the State Department sent symphony orchestras to play around the world even performing behind the Iron Curtain Rich with a stunning array of composers and musicians including Karl Muck Arturo Toscanini Wilhelm Furtwängler Kirsten Flagstad Aaron Copland Van Cliburn and Leonard Bernstein Dangerous Melodies delves into the volatile intersection of classical music and world politics to reveal a tumultuous history of twentieth century America **Vladimir Horowitz** ,

Diversions and Animadversions Alexander Coleman, 2017-07-28 This volume contains nearly all the criticism that Alexander Coleman wrote for *The New Criterion* between 1994 and 2003 A specialist in Spanish Portuguese and Latin American literature Coleman was also a superb essayist on music and his wide erudition as revealed in these writings demonstrates an easy mastery of the entire modernist tradition *Diversions and Animadversions* is divided into three parts The first contains Coleman's literary essays including a lengthy piece on Eça de Queiroz the great master of Portuguese realism and shorter pieces on the Argentinian writer and Borges disciple Adolfo Bioy Casares as well as a review of the most recent translation of the poetry of Federico García Lorca Coleman's greatest passion however was for music and part two contains essays concert and book reviews and reports on the cultural situation of music Among the subjects examined here are the operas of Schoenberg Berg Richard Strauss the recently published letters of Toscanini the music criticism of Virgil Thomson the fluctuating critical reputation of Jean Sibelius and the authentic performance practice movement along with considerations of such instrumentalists as Sviatoslav Richter and Alicia de Larrocha The book concludes with Coleman's travel writings which are both evocative mood pieces and incisive social and political commentary Graced with personal appreciations by Roger Kimball and Denis Donoghue this volume encapsulates the work of a writer of rare wit capacious learning and eager if gently ironical curiosity **Toscanini** Harvey Sachs, 1978 Arturo Toscanini 1867 1957 is the most

famous operatic and symphonic conductor in history When Harvey Sachs *Reflections on Toscanini* was first published in 1978 it was acclaimed internationally as the definitive biography of the extraordinary maestro Now Sachs has revised and expanded this classic book further exploring the conductor's controversial musicianship conducting recordings drastic rehearsal methods and influence on repertory Rubinstein Harvey Sachs,1995 Award winning biographer Harvey Sachs has spent over a decade traveling the world in search of the man behind the legend the artist behind the myth and the secret life behind the memoirs Sachs reveals not only Arthur Rubinstein's many humanitarian efforts but also his lavishly uninhibited love affairs his fabled rivalry with Horowitz and his often charged relationships with political leaders royalty and high society Photos **Bayreuth** Frederic Spotts,1994-01-01 Providing an overall account of the history of the Wagner festival a critical analysis of its performers productions and enthusiasts establishes its remarkable beginnings controversial associations and surprising successes **The Danger of Music and Other Anti-Utopian Essays** Richard Taruskin,2010-11-11 Roth Family Foundation music in America imprint Prelim p **Eternity's Ennui** M.B. Pranger,2010-10-05 Augustine articulates temporality as focus rather than duration It encompasses the shift from the future through the present to the past Yet this a causal free floating concept of time has never been applied to the shape of Augustine's own narrative in the Confessions or to that other vintage Augustinian problem predestination This book examines Augustinian temporality by experimentally projecting it onto modernist authors Kleist Henry James Kafka Beckett who are less dependent on sequential narrative and more concerned with the fragility and sustainability of voice in time Processed through this mill of unfamiliar readings the poignant problem of Augustinian time is how focus can account for digression How can one deal with an unfathomably brief notion of time while eternity's *longueur* hovers over it Dictionary of World Biography: The 20th century, O-Z Frank Northen Magill,Christina J. Moose,Alison Aves,1999-11 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography

Right here, we have countless books **Reflections On Toscanini** and collections to check out.
