Practical Guide 2nd Edition Jenny Talkington, 2021-02-15 Emotional Reflexology A practical Guide second edition by Jenny Talkington Jenny is a reflexologist workshop leader and artist with over 20 years of experience After completing her initial reflexology training at The Oxford School of Reflexology in 1998 she had an excellent grounding in reflexology that covered not only the physical aspects of Reflexology but it s emotional aspects too Since then through treating her colleagues it became apparent that the basic one year training available no longer incorporated what Jenny took for granted regarding the emotional links and she was constantly being asked about them She was asked by many to write down what she clearly and accurately saw and felt on the feet So she published her first book in 2010 and has run workshops on her first book As a result Jenny has developed and tested her theories on the emotional links even further In this second edition Jenny explains her theories and ideas on the deeper dimensions to a reflexology treatment and offers suggestions and tips to help your clients even more This book is written to help my fellow reflexology colleagues and anyone who is interested in reflexology to

gain a deeper understanding of the emotional links that can be found on the feet and how to help balance them More information is available via www.jennytalkington.co.uk [Nurturing Massage for Pregnancy: A Practical Guide to Bodywork for the Perinatal Cycle Enhanced Edition](#) Leslie Stager,2020-06-30 Nurturing Massage for Pregnancy is one of the most comprehensive books available for massage students and licensed massage therapists who treat pregnant laboring and postpartum clients The author is a highly skilled perinatal massage instructor who is also a registered nurse childbirth educator and doula

The Complete Illustrated Guide to Reflexology Inge Dougans,1996 This volume introduces the art and science of reflexology describing the typical treatments and including many practical examples and case studies Reflexology is an alternative medicine involving the physical act of applying pressure to the feet hands or ears with specific thumb finger and hand techniques without the use of oil or lotion It is based on what reflexologists claim to be a system of zones and reflex areas that they say reflect an image of the body on the feet and hands with the premise that such work effects a physical change to the body

Practical Manual Of Plantar Reflexology Maria Enelsi Gomez Gutierrez,2023-04-28 Feet are a masterpiece of structural engineering beautifully designed in perfect coordination with many muscles In a very small space they include 26 bones 33 joints 114 ligaments 20 muscles and an intricate network of nerves and blood vessels Wonderful structures that fully reflect our State of Health The fact that the Foot Plant like eyes and skin communicates directly with the Central Nervous System it is a basic element of the Postural System makes us realize the complex system of relationships that occurs within the most disparate parts of the Body Here s how targeted Reflexology Massage can help our body to get rid of toxins accumulated in some parts of it The Reflexology Massage is based on Pressures in specific parts of the Foot which result to have correspondences with each organ of the Body and thereby determining Reactivation States and improvement of the related physiological functions Plantar reflexology acts on the whole organism stimulating all the positive forces influencing the various organs and corporeal systems Circulatory Nervous Digestive and so on normalizing and balancing its functioning Starting from my experience as a Massotherapist and Bioenergetist I can say that my clients family members and friends have found well being and an improvement in health from their feet massage From the very first moment I met this Practice many years ago I remember having always wanted to have a nice Foot Massage done every evening The results have always been of well being and a sense of rest This is one of the things that led me to want to share this experience with you because our Feet are our base the Base of our Life
