Gaughan, 2015-04-24 The comprehensive guide to mergers acquisitions and corporate restructurings Mergers Acquisitions and Corporate Restructurings is an all inclusive guide to M As that illustrates how restructuring can be used successfully how each form works and the laws that govern them This updated edition includes the latest statistics research graphs and case studies on the private equity market ethics legal frameworks and corporate governance presented in a more approachable manageable way Written from a practical and historical perspective this book carefully analyzes the strategies and motives that inspire M As the legalities involved each step of the way and the offensive and defensive techniques used during hostile acquisitions Corporate restructurings are indispensable in building a new generation of re engineered companies with the power and resources to compete on the global playing field This book covers the full spectrum of transactions from megadeals to downsizing and takes a fresh look at restructuring and how it is being used to revitalize and supercharge companies Learn how corporate restructuring helps companies compete Discover the common impetus behind M As Understand the laws and rules that govern the field Examine more effective strategies for hostile acquisitions The slowdown in the world s economy means that mergers and corporate restructuring will likely increase It is essential for students and professionals to fully understand the concepts and mechanics behind these transactions and Mergers Acquisitions and Corporate Restructurings is the comprehensive guide to the field

**Taxation of Business Entities** Samuel C. Thompson, 2001 The organization operation and taxable sales and liquidations are studied on a comparative basis first looking at C corporations then partnerships and then S corporations The last area reorganization pertains only to corporations The final chapter in each part focuses on the tax policy aspects of the particular topic The overall structure of the book should facilitate a comparison of the doctrines governing the taxation of the three forms and thereby give the student an enhanced understanding of the policy rationales underlying our system of business taxation Debt, Taxes and Corporate Restructuring John B. Shoven, Joel Waldfoegel, 2012-01-01 The boom in corporate restructuring accompanied by large increases in debt finance was one of the most important developments in the U S economy in the 1980s Financial and tax specialists analyze how the U S tax system especially in its bias toward debt

financing has affected corporate financial decisions and influenced the recent wave of corporate restructuring The authors evaluate the hypothesis that the rise in the cost of capital during the 1980s helped stimulate the surge in corporate takeovers They analyze the effect that changes in tax laws and in the volume of government debt have had on corporate financial decisions The authors examine how recent financial innovations have blurred the distinction between debt and equity finance
