Las reformas educativas en los países del Cono Sur: un balance crítico AFUTU, Asociación de Funcionarios de la Universidad de Trabajo del Uruguay, 2005 El presente estudio constituye una pormenorizada y rigurosa aproximación a las tendencias que han marcado el rumbo de las recientes reformas educativas en los países del Cono Sur Argentina Brasil Chile y Uruguay Producto de un proyecto de investigación intersindical este trabajo evidencia algunas de las consecuencias más dramáticas del proyecto neoliberal impuesto durante los últimos años en casi toda América Latina Una verdadera radiografía del caos educativo al que han sido sumergidos nuestros países y cuya superación demandar muchos años de políticas gubernamentales radicalmente democráticas que permitan fortalecer un ya degradado espacio público y garantizar los derechos ciudadanos fundamentales para la construcción de una sociedad justa e igualitaria La investigación que dio origen a este documento fue realizada por un grupo de trabajo constituido por representantes de las principales organizaciones del sindicalismo magisterial canadiense El estudio aquí presentado es una demostración cabal de la voluntad política del sindicalismo magisterial de hacer de la reflexión y el análisis teórico una herramienta de formación para la lucha democrática

Politics of Education in Latin America Carlos Ornelas, 2019-09-02 Politics of Education in Latin America Reforms Resistance and Persistence portrays complex situations of education change policies in Latin America from Argentina and Chile the southernmost part of the continent to Mexico the northernmost The analyses tour through Brazil Peru Colombia Ecuador El Salvador and Cuba to conclude with a chapter that scrutinizes why the big teacher unions reject most attempts at education reforms In these teachers are the target of criticism and at the same time the focus of the expectations for progress and better educational quality Readers will find a variety of contentious issues such as inclusion equity privatization uses of power and dialectics between the indications of intergovernmental organizations and the rejection of their recommendations by local political actors They will also find narratives to raise public education participation improve the quality of life of teachers and put local education systems to dialogue with the global world The politics of education in Latin America is a territory that groups and institutions continue to dispute since the establishment of their education systems

Las Reformas educativas en los países del cono sur ,2005 **Research and International Trade Policy**

Negotiations Mercedes Botto,2010-11-16 The international trade negotiations that were launched throughout Latin America in the 1990s required developing countries to seek out research that could help them make informed decisions This book examines the complex links between the research centers and international organizations who produced the information and the governments who used it

Política educativa en América Latina Carlos Ornelas,2020-11-18 Política educativa en América Latina reformas resistencia y persistencia retrata situaciones complejas de políticas y de cambio educativo en América Latina desde Argentina y Chile la parte más meridional del continente hasta México la más septentrional Los análisis recorren Brasil Perú Colombia Ecuador El Salvador y Cuba para concluir con un capítulo que analiza por qué los grandes sindicatos de docentes rechazan la mayoría de los intentos de reformas educativas En estas los maestros son objeto de críticas y al mismo tiempo el foco de las expectativas de progreso y mejor calidad educativa Los lectores encontrarán una variedad de temas políticos como la inclusión la equidad la privatización los usos del poder y la dialéctica entre las sugerencias de las organizaciones intergubernamentales y el rechazo de sus recomendaciones por parte de los actores políticos locales También encontrarán narrativas para aumentar la participación de la educación pública mejorar la calidad de vida de los docentes y poner en diálogo los sistemas educativos locales con el mundo global La política educativa en América Latina es un territorio en disputa entre grupos e instituciones Estas contiendas marcan la historia de la educación pública desde el establecimiento de los sistemas educativos hasta la actualidad Es previsible que proseguirán

The Peculiar Revolution Carlos Aguirre,Paulo Drinot,2017-05-30 On October 3 1968 a military junta led by General Juan Velasco Alvarado took over the government of Peru In striking contrast to the right wing pro United States anti Communist military dictatorships of that era however Velasco's Revolutionary Government of the Armed Forces set in motion a left leaning nationalist project aimed at radically transforming Peruvian society by eliminating social injustice breaking the cycle of foreign domination redistributing land and wealth and placing the destiny of Peruvians into their own hands Although short lived the Velasco regime did indeed have a transformative effect on Peru the meaning and legacy of which are still subjects of intense debate The Peculiar Revolution revisits this fascinating and idiosyncratic period of Latin American history The book is organized into three sections that examine the era's cultural politics including not just developments directed by the Velasco regime but also those that it engendered but did not necessarily control its specific policies and key institutions and the local and regional dimensions of the social reforms it promoted In a series of innovative chapters written by both prominent and rising historians this volume illuminates the cultural dimensions of the revolutionary project and its legacies the impact of structural reforms at the local level including previously understudied areas of the country such as Piura Chimbote and the Amazonia and the effects of state policies on ordinary citizens and labor and peasant organizations
