to still be relevant to the political and cultural landscape of today Worth a Thousand Words discusses the global spread of American proverbs and the reliance of proverbs in politics and everyday life in America and internationally It also examines proverbs in literature such as Don Quixote and Destined to Witness as well as proverbs in fairy tales Proving the pen is mightier than the sword Mieder's book demonstrates the ubiquity of proverbs By recognizing and documenting the proverbial linguistic patterns of our culture people and systems Mieder shows us how creative language serves as the guideposts for a free and idealistic world for ages past and ages to come Paremiografía, paremiología y literatura Luisa
