Refuge Australia Australias Humanitarian Record

Alexandra Dellios

Refuge Australia Australias Humanitarian Record:

Australia and Human Rights Caroline Fleay, 2020-05-22 The Howard government's term in office in Australia from 1996 to 2007 is often portrayed as one where Australia retreated from its international human rights obligations. Throughout this era a range of government policies attracted much criticism for downplaying or ignoring human rights. Less attention has been given to the human rights policies of previous Australian governments and the heritage they provided for the Howard government. Situating the policies of the Howard government within those of previous Australian governments provides a greater understanding of human rights in Australia. This book examines human rights policies in Australia in three key areas: human rights in Australia, China relations, responses to asylum seekers and refugees, and engagement with human rights at the United Nations. These areas highlight where the Howard government clearly deviated from some of the more positive human rights policies of its predecessors. The book also challenges the perception that Australia has a proud history of human rights policy by revealing where the Howard government continued or revived policies of earlier Australian governments that were not consistent with international human rights standards. Such an understanding of human rights in Australian policy is imperative for informed analysis and debate on current and future policy trends. **Cultures in Refuge**

Anna Hayes, 2016-05-13 New formulations of globalisation have radically altered how people conceptualize the movement of people, ideas and capital throughout the globe, with questions of securitisation and transnational sentiment reshaping long-standing Western concepts of asylum and human rights. Questioning the manner in which the reception of sanctuary in modern Australia changes migrants' sense of belonging, this interdisciplinary volume focuses on the disjuncture between receiving sanctuary and feeling secure in one's self and community. With emphasis on the formation and expression of migrant and refugee cultures, the book deliberately blurs the distinction between migrants and refugees in order to engage more directly with the subjectivities of lived experience and social networks. Presenting research from the fields of sociology, media studies, politics, international relations and history, *Cultures in Refuge* places explores the manner in which notions of asylum and refuge affect the processes of articulating and negotiating identities. *Refugee Journeys* Jordana

Silverstein, Rachel Stevens, 2021-02-04 *Refugee Journeys* presents stories of how governments, the public and the media have responded to the arrival of people seeking asylum and how these responses have impacted refugees and their lives. Mostly covering the period from 1970 to the present, the chapters provide readers with an understanding of the political, social and historical contexts that have brought us to the current day. This engaging collection of essays also considers possible ways to break existing policy deadlocks, encouraging readers to imagine a future where we carry vastly different ideas about refugees, government policies and national identities. **Memory and Family in Australian Refugee Histories** Alexandra

Dellios, 2020-06-09 This book revisits Australian histories of refugee arrivals and settlement with a particular focus on family and family life. It brings together new empirical research and methodologies in memory and oral history to offer multilayered

histories of people seeking refuge in the 20th century Engaging with histories of refugees and family and how these histories intersect with aspects of memory studies including oral history public storytelling family history and museum exhibitions and objects the book moves away from a focus on individual adults and towards multilayered and rich histories of groups with a variety of intersectional affiliations The contributions consider the conflicting layers of meaning built up around racialised and de racialised refugee groups throughout the 20th century and their relationship to structural inequalities their shifting socio economic positions and the changing racial and religious categories of inclusion and exclusion employed by dominant institutions As the contributors to this book suggest family functions as a means to revisit or research histories of mobility and refuge This focus on family illuminates intimate aspects of a history and the emotions it contains and enables complicating the passive victim stereotype often applied to refugees As interest in refugee integration continues to rise as a result of increasingly vociferous identity politics and rising right wing rhetoric this book offers readers new insights into the intersections between family and memory and the potential avenues this might open up for considering refugee studies in a more intimate way This book was originally published as a special issue of *Immigrants Minorities* *Elusive Refuge* Laura Madokoro, 2016-09-26 Laura Madokoro recovers the lost history of millions of displaced Chinese who fled the Communist Revolution and recounts humanitarian efforts to find homes for them outside China Entrenched bigotry in predominantly white countries the spread of human rights Cold War geopolitics and the Vietnam War shaped refugee policies that still hold sway

The Politics of Human Rights in Australia Louise Chappell, John Chesterman, Lisa Hill, 2009-05-28 Australia has traditionally lacked a strong rights culture While fairness and equality have been proudly exalted as trademarks of the national mindset the authors of *The Politics of Human Rights in Australia* argue that these same characteristics may equate to a form of cultural complacency The book offers the first comprehensive account of Australia's protection of human rights from a political science perspective Addressing the key debates surrounding human rights in Australia the authors ask Why are voting rights so critical in the Australian context Should Australia adopt a bill of rights in an age of terror What are Australia's responsibilities to global and regional refugee crises How can reconciliation between indigenous and non indigenous Australians be facilitated Written by three respected academics at the forefront of their fields *The Politics of Human Rights in Australia* offers clarity and insight into the complex issues surrounding the human rights debate in Australia

Asylum Policy, Boat People and Political Discourse Irial Glynn, 2016-06-11 This book compares the policies of Australia and Italy towards boat people who have arrived in the two countries since the early 1990s While the regular and varied inflow of immigrants arriving at national airports ferry terminals and train stations is seldom witnessed by the public the arrival of boat people is often played out in the media and consequently attracts disproportionate political and public attention Both Australia and Italy faced similar dilemmas but the nature of political debate on the issue the types of strategies introduced and the effects that policy changes had on boat people diverged considerably This book argues that

contrasting migration path dependencies disparate political values within the Left and varying international obligations best explain the different approaches taken by the two countries to boat people *Australia's Boldest Experiment* Stuart Macintyre, 2015-06-01 In this landmark book Stuart Macintyre explains how a country traumatised by World War I hammered by the Depression and overstretched by World War II became a prosperous successful and growing society by the 1950s An extraordinary group of individuals notably John Curtin Ben Chifley Nugget Coombs John Dedman and Robert Menzies re made the country planning its reconstruction against a background of wartime sacrifice and austerity The other part of this triumphant story shows Australia on the world stage seeking to fashion a new world order that would bring peace and prosperity This book shows the 1940s to be a pivotal decade in Australia At the height of his powers Macintyre reminds us that key components of the society we take for granted work welfare health education immigration housing are not the result of military endeavour but policy planning politics and popular resolve **Refugee Routes** Vanessa Agnew, Kader

Konuk, Jane O. Newman, 2020-09-04 The displaced are often rendered silent and invisible as they journey in search of refuge Drawing on historical and contemporary examples from Turkey the Ottoman Empire Iraq Syria UK Germany France the Balkan Peninsula US Canada Australia and Kenya the contributions to this volume draw attention to refugees asylum seekers exiles and forced migrants as individual subjects with memories hopes needs rights and a prospective place in collective memory The book's wide ranging theoretical literary artistic and autobiographical contributions appeal to scholarly and lay readers who share concerns about the fate of the displaced in relation to the emplaced in this age of mass mobility

Seeking Asylum in Israel Gilad Ben-Nun, 2016-12-18 Since 2005 approximately 70 000 asylum seeking refugees from Sudan and Eritrea have entered Israel This along with the highly publicised anti African immigrant riots in Israel in 2012 and 2014 and the current global refugee crisis has meant that the issue of African migration has become increasingly controversial Here Gilad Ben Nun looks at this phenomenon in its historical and contemporary contexts and compares it to the wider debates surrounding the Palestinian refugees in the region and the concept of their right of return He argues that this newer African migration issue has forced Israel to move from conceiving of itself as an exceptional state and now has to view itself as a more normal and universal entity Ranging as far back as Israel's important role in the the ratification drafting of the 1951 Refugee Convention and drawing on a variety of methodologies and sources Ben Nun offers a wide ranging legal social and historical examination of asylum in Israel that sheds timely light onto themes of migration and identity across the Middle East This is essential reading for legal historians and lawyers as well as scholars working on migration studies and the history and politics of the Middle East

Reviewing **Refuge Australia Australias Humanitarian Record**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Australia Australias Humanitarian Record full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Refuge Australia Australias Humanitarian Record eBooks, including some popular titles.

FAQs About Refuge Australia Australias Humanitarian Record Books

What is a Refuge Australia Australias Humanitarian Record PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Refuge Australia Australias Humanitarian Record PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Refuge Australia Australias Humanitarian Record PDF?**

Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a**

Refuge Australia Australias Humanitarian Record PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Refuge Australia Australias Humanitarian**

Record PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
