Refugees In Hungary:

The Admission and Integration of Refugees in Europe Sebastian Meyer, Salvatore Fabio Nicolosi, Giacomo Solano, 2025-03-31 The Admission and Integration of Refugees in Europe argues for a more interconnected understanding of laws and policies for the admission and integration of refugees and asylum seekers in the European Union Admission and integration normally refer to different phases of the migratory process but this demonstrates that they are inherently interconnected Certain legal statuses conferred in admission procedures are directly relevant for the integration prospects of migrants and the success or failure to integrate has potential repercussions for residence rights although refugees are in that respect better protected than other immigrants Legal pluralism further complicates the European context as admission is often seen as under European Union jurisdiction and integration as a Member State consideration However the book argues that this legal pluralism in fact helps us to better explain how interaction between admission and integration takes place across laws and legal orders Combining broad conceptual and constitutional analysis with closer readings of specific policies and country specific case studies this book demonstrates the potential for specific admission policies to either promote or hinder integration This book will be an important contribution to debates on European asylum and refugee law human rights and migrant integration policy

Refugees in Hungary Károly Kapronczay, 1999 During World War II thousands of Polish citizens found refuge in Hungary among them ca 3 000 5 000 Polish Jews All of the Hungarian anti Jewish laws applied to them as well Pp 152 169 deal with the situation of the Jewish refugees before and after the German occupation in March 1944 Contents that Hungary's leniency in dealing with the Jewish question was a major source of conflict between Germany and Hungary

Refugee Protection Crises and Transit Europe Julija Sardelić, 2025-10-01 This open access book presents a socio legal analysis of immediate responses to large scale refugee displacement in Europe after the 1951 Refugee Convention came into force focusing on the countries to which refugees initially fled or through which they passed namely Austria and initially Yugoslavia followed by several of the former Yugoslav countries First it investigates the immediate responses to refugee movements following the suppression of the 1956 Hungarian Revolution by Soviet troops Second it examines the responses to individuals seeking asylum after being displaced during the post Yugoslav wars of the 1990s Third it analyses the responses of the same countries to refugees fleeing Global South countries predominantly Syria Iraq and Afghanistan in 2015 and 2016 Finally it explores how these countries responded to the mass displacement of refugees from Ukraine The book argues that these countries have positioned themselves as transit or temporary protection countries in order to avoid assuming long term responsibility for a larger number of refugees As a consequence they granted various forms of temporary legal status to refugees that differed from the refugee status defined in the 1951 Refugee Convention These legal statuses were hierarchical in terms of the rights attached to them and racialized with the fewest rights granted to

refugees from the Global South and other negatively racialized groups The book traces the usage of self serving politics of diversity and selective memory to legitimise why refugees could not be protected long term in these countries and also why there were such differences in treatment of refugees

Hungary since 1945

Árpád von Klimó, 2017-12-14 Lying on the political fault line between East and West for the past seventy five years the significance of Hungary in geopolitical terms has far outweighed the modest size of its population This book charts the main events of these tumultuous decades including the 1956 Uprising the end of Hungarian communism entry into the European Union and the rise to power of Viktor Orbán and the national conservative ruling party Fidesz

America and the Holocaust: War Refugee Board, Hungary David S. Wyman, 1990

Hungary in World War II Deborah S. Cornelius, 2011 The story of Hungary's participation in World War II is part of a much larger narrative one that has never before been fully recounted for a non Hungarian readership As told by Deborah Cornelius it is a fascinating tale of rise and fall of hopes dashed and dreams in tatters Using previously untapped sources and interviews she conducted for this book Cornelius provides a clear account of Hungary's attempt to regain the glory of the Hungarian Kingdom by joining forces with Nazi Germany a decision that today seems doomed to fail from the start For scholars and history buffs alike Hungary in World War II is a riveting read Cornelius begins her study with the Treaty of Trianon which in 1920 spelled out the terms of defeat for the former kingdom The new country of Hungary lost more than 70 percent of the kingdom's territory saw its population reduced by nearly the same percentage and was stripped of five of its ten most populous cities As Cornelius makes vividly clear nearly all of the actions of Hungarian leaders during the succeeding decades can be traced back to this incalculable defeat In the early years of World War II Hungary enjoyed boom times and the dream of restoring the Hungarian Kingdom began to rise again Caught in the middle as the war engulfed Europe Hungary was drawn into an alliance with Nazi Germany When the Germans appeared to give Hungary much of its pre World War I territory Hungarians began to delude themselves into believing they had won their long sought objective Instead the final year of the world war brought widespread destruction and a genocidal war against Hungarian Jews Caught between two warring behemoths the country became a battleground for German and Soviet forces In the wake of the war Hungary suffered further devastation under Soviet occupation and forty five years of

communist rule The author first became interested in Hungary in 1957 and has visited the country numerous times beginning in the 1970s Over the years she has talked with many Hungarians both scholars and everyday people Hungary in World War II draws skillfully on these personal tales to narrate events before during and after World War II It provides a comprehensive and highly readable history of Hungarian participation in the war along with an explanation of Hungarian motivation the attempt of a defeated nation to relive its former triumphs

A COMMEMORATIVE ALBUM OF REMEMBRANCE TO HUNGARY AND ITS PEOPLE Lindsay Tonkin, **The Disaster of European Refugee Policy** Marina Lukšič Hacin, Neža Kogovšek Šalamon, Igor Ž. Žagar, 2019-01-29 This volume addresses the mass arrival of migrants and refugees in Europe in 2015 and 2016 and the crisis of response that unfolded across the continent The chapters critically discuss this crisis and help the reader to understand why the refugees and migrants fled what kind of response they faced and what was wrong with the reactions of the states Despite the fact that all the authors are based in Slovenia the volume transcends this particular state and covers theoretical and practical aspects of the crisis which are not geographically limited to only one country or region It addresses a variety of audiences such as students researchers sociologists political scientists lawyers geographers and philosophers and will appeal to those who seek to understand forced migration and refugee protection states responses to migration and asylum seekers and the rise of hate speech racism xenophobia and authoritarianism in Europe

Migrants and Refugees M. M. Eboch,2017-07-15 The images are shocking and upsetting drowned children washing up on beaches dozens of dead bodies being pulled out of tractor trailers a mass of humanity penned up in detention camps and tent cities anti immigrant rallies characterized by fearful and hate filled invective Yet there are also images of refugees being embraced by ordinary citizens and welcomed into their countries their communities even their homes What to do about a growing and endemic refugee crisis and migrant labor population in an age of globalization terrorism and income inequality is a question with no simple answers This volume presents the widest possible range of opinions from reputable sources across the political spectrum and encourages readers to consider all viewpoints before formulating their own reasoned and informed perspective

Gender Equality at Work Reducing the Gender Employment Gap in Hungary

OECD,2022-11-23 In Hungary women are much less likely than men to be in paid work This report analyses recent reforms and explores potential policy actions in the areas of early childhood education and care parental leave and flexible working arrangements which could provide women and especially mothers of very young children with better access to paid work

How to Deal with Refugees? Gerhard Besier,Katarzyna Stoklosa,2018 2015 was without any doubt the year of migrations

Over the subsequent two years we have certainly seen the migration flows reduce but it was never going to be possible to halt them altogether. From the outset of this phenomenon numerous academics and researchers have dedicated themselves to the topic. They analyse the causes, the course of the migration flows, parallels and impacts as well as possible scenarios of the migration movement. A wide reaching debate has evolved on the topic of migration to which the authors in this anthology were also keen to contribute. Conflict regulations attempts. In this publication historians, political scientists, philosophers, sociologists, geographers, human geographers, economists, literary scientists, legal scholars, theologians and psychiatrists from a range of European and Non European countries have each contributed from their individual standpoints. **The**

Unwanted Don Brown, 2018 Sibert Honor Medalist New York Public Library Best Of 2018 The Horn Book's Fanfare 2018 list Kirkus Best Books of 2018 YALSA Excellence in Nonfiction Winner. In the tradition of two time Sibert honor winner Don Brown's critically acclaimed full color nonfiction graphic novels *The Great American Dust Bowl* and *Drowned City*, *The Unwanted* is an important, timely and eye opening exploration of the ongoing Syrian refugee crisis, exposing the harsh realities of living in and trying to escape a war zone. Starting in 2011 refugees flood out of war torn Syria in Exodus like proportions. The surprising flood of victims overwhelms neighboring countries and chaos follows. Resentment in host nations heightens as disruption and the cost of aid grows. By 2017 many want to turn their backs on the victims. The refugees are the unwanted. Don Brown depicts moments of both heartbreaking horror and hope in the ongoing Syrian refugee crisis. Shining a light on the stories of the survivors, *The Unwanted* is a testament to the courage and resilience of the refugees and a call to action for all those who read.
