Filipino Achievers in the USA & Canada Isabelo T. Crisostomo,1996 In a news career spanning more than sixty years Joseph C Harsch was a firsthand witness to many of the great events of the twentieth century As a reporter and columnist for the Christian Science Monitor and as a correspondent for all three of the major networks he became one of the most respected figures in the profession a mentor to a generation of journalists covering international affairs At the Hinge of History is Harsch s career autobiography What is most striking in this deftly rendered account is Harsch s uncanny knack for being at the right place at the right time He was a reporter in Washington when President Hoover began to grasp the magnitude of the economic crisis that became known as the Great Depression While traveling to the Soviet Union in 1941 he arrived in Hawaii just before the Japanese attacked Pearl Harbor He was with General MacArthur in Australia on the occasion of the I shall return speech He reported from the liberated death camps in 1945 went behind the newly forged Iron Curtain in 1947 and 1949 and was stationed in London when certain postwar pressures tested the Anglo American alliance Throughout the book Harsch reveals an overarching perspective that places major events in a larger historical context This is especially evident in the later chapters when he discussed the course of the Cold War the role of ideology in the American view of China and the conduct of the Vietnam War and the origins of the Arab Israeli conflict The book is filled with fascinating sketches of his encounters with such figures as President Roosevelt General MacArthur Dean Acheson Walter Lippmann and Adlai Stevenson On occasion Harsch recalls events not recounted elsewhere and he frequently casts a new light on familiar ground In one eye opening chapter for example he describes the international effort in the 1930s to resettle

European Jews in Angola an effort that collapsed when Hitler invaded Poland He provides a chilling firsthand recollection of the complacency and unpreparedness that preceded the Pearl Harbor bombing In still other chapters he relates his role in the capture of Nazi leader Albert Speer and in the investigation following the mysterious murder in Greece of his fellow correspondent George Polk At once refreshingly direct and replete with self effacing irony At the Hinge of History is a memorable testament to the personal qualities of its author to the art and science of journalism and to the tumultuous twentieth century Book Review Digest ,1997 Insider's Guide to Book Editors, Publishers, and Literary Agents, 1996-1997 Jeff Herman,1995-10-25 No other book gives aspiring authors the inside scoop on the names and specialties of acquisitions editors This vital information makes all the difference when submitting a book proposal or manuscript by keeping writers of all genres on top of the rapidly changing world of publishing Who's moved where who's new to the scene who's gone for good it's all here in one big volume Filipinas Magazine ,2005 *The Small Investor* Jim Gard,1996 Topics covered include how to use the small investor advantage what and how to buy how to get professional help and how to construct a personal plan with manageable risk **Symposium** ,2009 **Secret Lover** Shawna Delacorte,2011-07-15 A mysterious and sexy stranger Andrea Sinclair found herself inexplicably drawn to Jim Richards mind and body as if she already knew him His hair and face were wrong but there was something about the man Was he the one she'd been searching for ever since he left the Witness Protection Program with a price on his head Jim had been alone for too long alone and lonely He couldn't help fantasizing about Andi though she represented life threatening danger to him She knew everything about him everything he'd carefully tried to erase Could he trust her to help him find the killer who pursued him He didn't have a choice His heart wouldn't let him leave her *TWITTER: The Dark Side - Does Bit.ly Enable a Massive Click Fraud?* Roman Latkovic,Robert LaQuay, Ph.D, **Popular Mechanics** ,1911-11 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it's practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle The Secret Casino at Red Men's Hall Samuel W. Valenza Jr.,2014-04-29 The sleepy town of Mt Holly New Jersey was more than it seemed In the unsettled years following the Great Depression it hosted the Secret Casino at Red Men's Hall an underground playground that attracted Mafia bosses and players alike Under the watchful and protective eye of author Samuel Valenza Jr's father the casino was a thriving den for craps roulette poker and slots players The continuing cooperation of local law enforcement was assured each Saturday morning when Officer Bucky Squires made his pickup of payoff money held for him in Mom's icebox Growing up in this environment the author's young life was scarred with violence fear hunger betrayal and homelessness while his father enjoyed the high life with his powerful gangster associates The author was just six years old when Frank Paulie Carbo a prolific Murder Inc assassin raided the casino and slaughtered his uncle the casino handyman and gofer as a warning The murder was the beginning of the end at Red Men's Hall which fell
