Security And Cooperation In The Eastern Mediterranean:

Security and Cooperation in the Eastern Mediterranean Andreas Theophanous, Van Coufoudakis, 1997 **Regional Security in the Middle East**, Security and Cooperation in the Eastern Mediterranean, 1999-01-01 *Greece in the Twentieth Century* Fotini Bellou, Theodore A. Couloumbis, Theodore C. Kariotis, 2013-01-11 This collective study examines the transformation metamorphosis that Greece has experienced over the course of the 20th century by exploring its gradual evolution into a consolidated democracy an advanced economy in the Eurozone and a balanced partner in the EU and NATO promoting a stabilizing role in southeastern Europe The book examines the variables contributing to the profiling of contemporary Greece emphasizing the conceptual inertia bedeviling the studies of Greece in recent years by focusing on the elements that indicated the slow pace in the country s modernization In conclusion there is a need for Greece s constant commitment to functional adjustments regarding the country s economic political and strategic priorities in order to promote effectively the role of regional stabilizer acting in concert with NATO and EU partners **Security and Defense Policies of the Arabian Gulf Countries** Ashraf Mohammed Keshk, 24-10-18 The book is an analysis of the security and defense policies of the Arabian Gulf countries as small states with limited options The author reviews in depth the historical experience of the Gulf states management of crises their implementation of security options and the challenges facing security and defense policies Themes and topics addressed include Security policies and the Arab Gulf states strategies to achieve self security defense options for the Arab Gulf countries management of security crises and Security Policy Challenges It also identifies the most important challenges facing these policies now namely localization of military manufacturing and the impact of military technology on defense policies in the Gulf countries This book is an important reference source for universities and academic institutions concerned with security and defence issues in the Arabian Gulf states think tanks universities and ministries in the Gulf countries and Western think tanks interested in assessing security and defence policies in the Arabian Gulf countries *Security Challenges in the Euro-Med Area in the 21st Century* Stephen C. Calleya, 2012 This book provides an empirical analysis of security challenges in the Euro Mediterranean area and highlights the political military economic societal and environmental issues that are already serving as a source of instability in the region The New Politics of Energy Security in the European Union and Beyond Andrea Prontera, 2017-05-18 Combining theoretical reflections and empirical insights from paradigmatic case studies in the area of external energy governance pipeline politics Liquefied Natural Gas development and offshore petroleum policy and politics this ground breaking study demonstrates that a distinctive and new politics of energy security is definitively emerging in the European Union Innovative not only in regard to the case studies presented which include the Caspian region the Baltic Meditterean countries Central Asia and EU Russia relations but also in regard to the analytical framework adopted an International Political Economy approach informed by an historical institutional perspective the book challenges the common view of the

de politicisation of energy security supported by the mainstream market approach and the power politics and zero sum game view supported by the geopolitical perspective This book places the study of EU energy politics in the broader evolving context of global energy markets and explores the complex interactions between EU and national political dynamics and between energy security and environmental concerns at the local level **Dialogue with the Mediterranean** Gareth Mark Winrow, 2002-05-03 The first examination of the importance of NATO's Mediterranean Initiative for the security and stability of the Euro Mediterranean area this book discusses the challenges risks and possible threats to NATO member states which may stem from the southern and eastern Mediterranean Deciphering the Eastern Mediterranean's Hydrocarbon Dynamics Bahrooz Jaafar Jabbar, 2024-09-25 This comprehensive study delves into the strategic importance of the Mediterranean Sea and examines key conflicts as well as the roles of extra regional actors such as NATO Russia and the USA in shaping dynamics within the Eastern Mediterranean Human Security in the Middle East and North Africa Alaa Al-Din Arafat, 2024-12-20 This book analyzes major human security threats in the MENA region including food water energy climate and health security It also examines sectarian conflict terrorism and poverty in the region The author highlights the relationship between human security concerns and conventional or military security threats He demonstrates how MENA nations failed to respond to the region's human security threats and to develop a human security formula and regional security architecture that included both human and conventional security threats Therefore this book concludes that the MENA region's future will be determined by its governments ability to address human security threats
