See The Child A Novel:

The Child, the State and the Victorian Novel Laura C. Berry, The Child the State and the Victorian Novel traces the the story of victimized childhood to its origins in nineteenth century Britain Almost as soon as childhood became a distinct category Laura C Berry contends stories of children in danger were circulated as part of larger debates about child welfare and the role of the family in society Berry examines the nineteenth century fascination with victimized children to show how novels and reform writings reorganize ideas of self and society as narratives of childhood distress Focusing on classic childhood stories such as Oliver Twist and novels that are not conventionally associated with particular social problems such as Dickens s Dombey and Son the Bront sisters Wuthering Heights and The Tenant of Wildfell Hall and George Eliot s Adam Bede Berry shows the ways in which fiction that purports to deal with private life particularly the domain of the family nevertheless intervenes in public and social debates At the same time she examines medical legal charitable and social relief writings to show how these documents provide crucial sources in the development of social welfare and modern representations of the family

The Child and the Book Nicholas Tucker,1990-09-13 This study considers the appeal of popular children s books from both a psychological and a literary viewpoint It covers a range of reading matter including picture books fairy stories myths and legends comics and books for teenagers and adolescents

Condensed novels: New Burlesques Bret Harte,1902

The Child ,1942

Whole Novels for the Whole Class Ariel Sacks,2013-10-21 Work with students at all levels to help them read novels Whole Novels is a practical field tested guide to implementing a student centered literature program that promotes critical thinking and literary understanding through the study of novels with middle school students Rather than using novels simply to teach basic literacy skills and comprehension strategies Whole Novels approaches literature as art The book is fully aligned with the Common Core ELA Standards and offers tips for implementing whole novels in various contexts including suggestions for teachers interested in trying out small steps in their classrooms first Includes a powerful method for teaching literature writing and critical thinking to middle school students Shows how to use the Whole Novels approach in conjunction with other programs Includes video clips of the author using the techniques in her own classroom This resource will help teachers work with students of varying abilities in reading whole novels

Books in the Life of a Child Maurice Saxby,1997-10-15 Books in the Life of a Child explores the value of books and reading in the stimulation of children s imagination and their fundamental importance in the development of language and true literacy It examines not only the vast range of children s books available but also how to introduce young people to the joys of reading in the home the school and in the community The book has been written as a resource for all adults especially teachers student teachers librarians and parents and those who care about the value of literature for children It is a comprehensive and critical guide with chapters on the history of children s literature and an analysis of its many forms and genres from poetry fairytale myth legend and fantasy through realistic and historical fiction to humour pulp fiction and

information books **History and the Construction of the Child in Early British Children's Literature** Jackie C. Horne, 2016-04-22 How did the flat characters of eighteenth century children's literature become round by the mid nineteenth? While previous critics have pointed to literary Romanticism for an explanation Jackie C Horne argues that this shift can be better understood by looking to the discipline of history. Eighteenth century humanism believed the purpose of history was to teach private and public virtue by creating idealized readers to emulate. Eighteenth century children's literature with its impossibly perfect protagonists and its equally imperfect villains echoes history's exemplar goals. Exemplar history however came under increasing pressure during the period and the resulting changes in historiographical practice and an increased need for reader engagement and the widening of history's purview to include the morals, manners and material lives of everyday people find their mirror in changes in fiction for children. Horne situates hitherto neglected Robinsonades, historical novels and fictionalized histories within the cultural, social and political contexts of the period to trace the ways in which idealized characters gradually gave way to protagonists who fostered readers' sympathetic engagement. Horne's study will be of interest to specialists in children's literature, the history of education and book history.

The Child and His Book Mrs. E. M. Field, 1891 **British Museum Catalogue of printed Books**, 1881 **The Child's Book on the Soul** Thomas Hopkins Gallaudet, 1848 Wild Child, Books 1, 2 & 3 (Book 1 Free!) Mike Wells, 2015-05-05 Briana is the wildest girl in school. When she challenges Kyle, her best friend, to a dangerous swim across the lake, she discovers an underground spring that contains a magical substance: the green water. The mysterious glowing liquid heals any physical wound, triggers a heightened sense of awareness and evokes superhuman abilities. But there is a catch: once you drink the green water, you are addicted forever. When ruthless government agents learn of its existence, Kyle and Briana are thrown on an extraordinary adventure that takes them far beyond their imaginations. Readers of all ages will enjoy this gripping, fast-paced series. Worth a serious read: incredibly gripping and heartwarming. Halinor Everdeen Cipriano Assortments A fast suspenseful thriller with an ending I never saw coming. Jessica Willis The Tales Compendium Very exciting and gripping, leaves you wanting more. Becky's Barmy Book Blog If anything, you should read it for the unique ending. Rachel's Book Reviews You should give it a try. It's really different and interesting. Brielle Awesome Bookworm

A Child's Book of Stories - Illustrated by Jessie Willcox Smith Penrhyn W. Coussens, 2018-01-24 This children's book of stories is a compilation of some of the best fairy tales in the world. They are selected and arranged by Penrhyn W. Coussens, editor of *Poems Children Love*, who also provides an insightful introduction. The stories include some of Charles Perrault's finest tales: Bluebeard, Cinderella, and Puss in Boots; those of Hans Christian Andersen such as The Fir Tree, Mme D'Aulnoy's classic Goldilocks and the Three Bears, together with the Grimm Brothers' Hansel and Gretel, The Elves and the Shoemaker, and Rumpelstiltskin. Much older stories such as those from Aesop's Fables are also encompassed. All of these wonderful tales are accompanied by beautiful colour illustrations by Jessie Willcox Smith, 1863-1935. She was a much celebrated American illustrator during the Golden Age of Illustration and an

incredibly prolific contributor to well respected books and magazines a pioneering woman in the male dominated world of fine art The fairy tales are presented in their original translations alongside Willcox Smith's illustrations which further refine and elucidate Coussens thoughtfully edited collection Pook Press celebrates the great Golden Age of Illustration in children's literature a period of unparalleled excellence in book illustration We publish rare and vintage Golden Age illustrated books in high quality colour editions so that the masterful artwork and story telling can continue to delight both young and old

A Child's Book of True Crime Chloe Hooper, 2003-04-08 In what The New York Times calls a striking ambitious first novel Hooper brilliantly portrays a young woman reluctant to conform to the world of adults Kate Byrne is having an affair with the father of her most gifted fourth grader whose disturbing drawings may foretell her future

The Child Gaze Amanda M. Greenwell, 2024-11-20 The Child Gaze Narrating Resistance in American Literature theorizes the child gaze as a narrative strategy for social critique in twentieth and twenty first century US literature for children and adults Through a range of texts including James Baldwin's Little Man Little Man Mildred D Taylor's Roll of Thunder Hear My Cry Toni Morrison's The Bluest Eye Gene Luen Yang's American Born Chinese and more Amanda M Greenwell focuses on children and their literal acts of looking Detailing how these acts of looking direct the reader she posits that the sightlines of children serve as signals to renegotiate hegemonic ideologies of race ethnicity creed class and gender In her analysis Greenwell shows how acts of looking constitute a flexible and effective narrative strategy capable of operating across multiple points of view focalizations audiences and forms Weaving together scholarship on the US child visual culture studies narrative theory and other critical traditions The Child Gaze explores the ways in which child acts of looking compel readers to look at and with a child character whose gaze encourages critiques of privileged visions of national identity Chapters investigate how child acts of looking allow texts to redraw circles of inclusion around the locus of the child gaze and mobilize childhood as a site of resistance The powerful child gaze can thus disrupt dominant scripts of power widening the lens through which belonging in the US can be understood

The Child's Book of Nature Worthington Hooker, 2023-05-05 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost
