Halfway Up The Mountain Mariana Caplan, 2014-03-04 Caplan TO TOUCH IS TO LIVE asserts that the reality of the present condition of contemporary spirituality in the West is one of grave distortion confusion fraud and a fundamental lack of education She claims that as positive as the tremendous rise in spirituality is there is not any context for determining whether any particular teaching or teacher is truly enlightening Caplan compiles interviews with such noted spiritual masters as Joan Halifax Llewellyn Vaughan Lee and Rabbi Zalman Schachter Shalomi on the nature of enlightenment In the first section Caplan examines the motivations people have for seeking enlightenment and contends that very often they seek this state as a means of gratifying the ego This presumption of enlightenment she says often afflicts teachers masquerading as spiritual leaders These teachers sometimes look down on their students and gloat over how far they have come and how far the students have to go A second section focuses on The Dangers of Mystical Experience in which Caplan claims that many seekers mistake the mystical experience itself for enlightenment she and the teachers she interviews all assert that enlightenment always involves gaining some knowledge about self and others The third section Corruption and Consequence focuses on the nature of power and corruption the fourth section Navigating the Mine Field Preventing Dangers on the Path provides a survey of the ways in which practitioners can avoid the pitfalls of false enlightenment A final section Disillusionment Humility and the Beginning of Spiritual Life concludes that the Real spiritual life is the life of total annihilation and the return to just what is Caplan s illuminating book calls into question the motives of the spiritual snake handlers of the modern age and urges seekers to pay the price of traveling the hard road to true enlightenment *Stand Up That Mountain* Jay Erskine Leutze, 2013-07-30 In the tradition of A Civil Action this true story of a North Carolina outdoorsman who teams up with his Appalachian neighbors to save treasured land from being destroyed will make you want to head for the mountains Raleigh News Observer LIVING ALONE IN HIS WOODED MOUNTAIN RETREAT Jay Leutze gets a call from a whip smart fourteen year old Ashley Cook and her aunt Ollie Cox who say a local mining company is intent on tearing down Belview Mountain the towering peak above their house Ashley and her family who live in a little spot known locally as Dog Town are mountain people with a way of life and speech unique to their home high in the Appalachians They suspect the mining company is violating North Carolina s mining law and they want Jay a nonpracticing attorney to stop the destruction of the mountain Jay a devoted naturalist and fisherman quickly decides to join their cause So begins the epic quest of the Dog Town Bunch a battle that involves fiery public hearings clandestine surveillance of the mine operator s highly questionable activities ferocious pressure on public officials and high stakes legal brinksmanship in the North Carolina court system Jay helps assemble a talented group of environmental lawyers to contend with the well funded attorneys protecting the mining company s plan to dynamite Belview Mountain which happens to sit next to the famous Appalachian Trail the 2 184 mile national park that stretches from Maine to Georgia As the mining company continues to level the forest

espouses fine human qualities unlike the hatred and misery which encompassed Jane's life. Stored in the same location as the secrets is the world famous Polansky diamond collection sought after by organized criminals who will stop at nothing to get at those diamonds. Waiting in the background is a psychopath planning to strike out against the outsiders invading his tranquil community recently transformed into a high tech Mecca. Industrial espionage contributes to the plot by Breitling from Electropulse AG, a major world class weapons manufacture who also wants those diamond lens secrets. Amidst it all is the discovery in Siberia of the world's largest diamond and Robert Polansky's attempt to acquire it. At Breitling's refuge on Great Albacore Cay in the Bahamas, submarine deployed Navy SEALs plan a strike. Who will be victorious? Does Jane find the love and security she craves? Who eventually ends up with all the wealth? How will it all end? Readers are kept on edge. Love, hate, adultery, revenge, international intrigue, robbery and murder all contribute to the suspense.

You Don't Have to Be Crazy to be an Alaskan, but Then Again You Might Want to Try and Fit In James Marchini, 2024-01-23

Some of the names have been changed to protect the innocent. More of the names have been changed to protect the guilty. And a lot of the time I just used the person's first name and a letter for their last name. From this book, a person might get the idea that I used to drink a lot and hang around with a lot of alcoholics. The main reason for this is that I used to drink a lot and hang around with a lot of alcoholics. But if it wasn't for all of these idiots, this book would not be possible. After all, how much fun could a person write about a group of guys sitting around playing chess? Huh. Huh. Now you get that same group of guys sitting around guzzling down beers and betting one another on how many chess pieces they can eat in one sitting. Well, that's just funny and something to write about.

Lurps Robert C. Ankony, 2008-10-21

Lurps is the revised edition of the memoir of a juvenile delinquent who drops out of ninth grade to chase his dream of military service. After volunteering for Vietnam, he joins the elite U.S. Army LRRP Rangers, small heavily armed long range reconnaissance teams that patrol deep in enemy held territory. It is 1968 and the Lurps find themselves in some of the war's hairiest campaigns and battles including Tet, Khe Sanh, and A Shau. Readers witness all the horrors, humor, adrenaline, and unexpected beauty through the eyes of a green young warrior. Gone are the heroic clichés and bravado as compelling narrative and realistic dialogue sweep the reader along with a powerful sense that this is actually happening. This poignant coming of age story explores the social background that shaped the protagonist's thinking, his uncertain quest for redemption through increased responsibility, the brotherhood of comrades in arms, women, and sexual awakening, and the baffling randomness of who lives and who dies.

Paranormal Kentucky Marie Mitchell, Mason Smith, 2025-10-07

Encounters with Wolfman and Goatman. An Air National Guard captain who tragically lost his life in pursuit of a peculiar UFO. The Goblin Incident of 1955. Hauntings at Waverly Hills Sanatorium. Spanning these and other out of this world topics, Paranormal Kentucky is an investigation into more than twenty cases, some famous, some more obscure, of the supernatural across the Commonwealth. Incidents featuring iconic cryptids like Bigfoot and Mothman, which are rumored to lurk elsewhere in Appalachia, and the

continental US are also explored Coauthors Marie Mitchell and Mason Smith approach each case with nuance and offer in depth details from multiple perspectives providing rational explanations alongside the true believer claims and mysteries that remain In addition to field investigations and witness interviews the duo shares stories of their own experiences with high strangeness Mitchell and Smith offer wry but sympathetic accounts placing Kentucky history and folklore at the forefront of their work Paranormal Kentucky reminds us that perhaps not everything is as it seems and that fact can often be found in fiction
