Onassis's for many years takes us behind the public image to give us a story that has never been told before. For this myth-shattering portrait Klein has amassed a wealth of exclusive information from private documents and correspondence, FBI files and hundreds of interviews with Jackie's friends, the associates of Aristotle Onassis and people familiar with her longtime companion, the mysterious diamond merchant Maurice Tempelsman. Many people break their silence here for the first time. Much more than a portrait of a famous celebrity, **JUST JACKIE: HER PRIVATE YEARS** captures the essence of a captivating woman whose passion for wealth was matched only by her deep need for privacy.

The Murder of Marilyn Monroe Jay Margolis, Richard Buskin, 2016-09-20. A New York Times Best Seller. Since Marilyn Monroe died among suspicious circumstances on the night of August 4, 1962, there have been queries and theories, allegations and investigations, but no definitive evidence about precisely what happened and who was involved until now. In **The Murder of Marilyn Monroe: Case Closed**, renowned MM expert Jay Margolis and New York Times bestselling author Richard Buskin finally lay to rest more than fifty years of wild speculation and misguided assertions by actually naming for the first time the screen goddess's killer while utilizing the testimony of eye witnesses to exactly what took place inside her house on Fifth Helena Drive in Los Angeles Brentwood neighborhood. Implicating Bobby Kennedy in the commission of Marilyn's murder, this is the first book to name the LAPD officers who accompanied the US Attorney General to her home, provide details about how the Kennedys used bribes to silence one of the ambulance drivers and specify how the subsequent cover-up was aided by a noted pathologist's outrageous lies. This blockbuster volume blows the lid off the world's most notorious and talked-about celebrity death and in the process exposes not only the truth about an iconic star's tragic final hours but also how a legendary American politician used powerful resources to protect what many still perceive as his untarnished reputation. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history, books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Columbia Companion to American History on Film Peter C. Rollins, 2004-03-24. American history has always been an irresistible source of inspiration for filmmakers, and today, for good or ill, most Americans' sense of the past likely comes more from Hollywood than from the works of historians. In important films such as *The Birth of a Nation* (1915), *Roots* (1977), *Apocalypse Now* (1979), and *Saving Private Ryan* (1998), how much is entertainment and how much is rooted in historical fact? In **The Columbia Companion to American History on Film**, more than seventy scholars consider the gap between history and Hollywood. They examine how filmmakers have presented and interpreted the most important events, topics, eras, and figures in the American past, often comparing the film versions of events with the interpretations of the best historians who have explored the topic. Divided into eight broad categories: Eras,

Wars and Other Major Events Notable People Groups Institutions and Movements Places Themes and Topics and Myths and Heroes the volume features extensive cross references a filmography of discussed and relevant films notes and a bibliography of selected historical works on each subject The Columbia Companion to American History on Film is also an important resource for teachers with extensive information for research or for course development appropriate for both high school and college students Though each essay reflects the unique body of film and print works covering the subject at hand every essay addresses several fundamental questions What are the key films on this topic What sources did the filmmaker use and how did the film deviate or remain true to its sources How have film interpretations of a particular historical topic changed and what sorts of factors technological social political historiographical have affected their evolution Have filmmakers altered the historical record with a view to enhancing drama or to enhance the truth of their putative message
