Sociology of Emotions Jonathan H. Turner, Jan E. Stets, 2005-03-14 All social relations involve emotional responses from the simplest face to face encounter through the mobilization of social movements to the commitments that individuals develop for culture and society The social world is thus dependent upon the arousal of emotions and equally significant conflict and change in societies is ultimately driven by emotional arousal Thus it is important to understand how human emotions influence and are influenced by the social world This understanding takes us into the sociology of emotions that has emerged as a distinct area of inquiry over the last thirty years
