Seeing Christ In Sickness And Healing:

Seeing Christ in Sickness and Healing Peter Selg, 2005 For those who are in daily contact with people who are ill or in need there may be a tendency to forget the larger purpose of healing because of a need to focus on the day to day mechanics of healthcare Anthroposophic medicine however encompasses more than the physical body it is also concerned with the soul and individual biography of patients which brings a broader dimension to conventional medical care Peter Selg shows how anthroposophic therapies draw heavily on the Christian concept of healing as seen in the Christian Bible In practical terms he suggests that through meditation healers and caregivers can allow the healing power of Christ to work through them They must come to recognize that sickness is part of a person's destiny and that the healing process can help realize the purpose of the sickness for the person's individual life story Nurses caregivers social workers therapists counselors and doctors can all benefit from this insightful book *the Man Behind the Myth Seeing Jesus as He Really is* Rodney M. Howard-Browne,

The Once-And-For-All Truth About Sickness and Healing Ron Craig, 2009-01-15 Of more than twenty book titles the Lord has placed upon my heart to write this is the third The Body of Christ is in dire need of the message of each and every book this one being the most timely Many influential Christians are being taken out by sickness on a regular basis therefore something must be amiss in today's church The shortfall is evidently in the modern believers lack of true biblical knowledge of the sickness and healing subject This book fills in a multitude of gaps in the Christians understanding of one of Satan's most subtle weapons To my knowledge no other book on the market contains the revelation found in this work It will absolutely revolutionize your life Seeing Jesus as He Really Is Rodney Howard-Browne, 2008-05-04 Seeing Jesus as He Really Is takes you on a journey through the Gospels and along the way you'll see how Jesus really lived how He radically changed the world and how Jesus is portrayed through the word of God Seeing Jesus as He Really Is will help every reader know how to answer the questions that Jesus asked His disciples Whom do men say that I am and Who do you say that I am Chapters include Jesus and His Methods The Sweet Presence of Jesus The Name of Jesus Called to Do the Works of Jesus Pressing in to Jesus Signs of Continuity Greg Rhodea, 2019-06-11 For more than a century scholars have debated whether Paul the apostle was a faithful follower of Jesus or a corruptor of Jesus's message and the true founder of Christianity Signs of Continuity intervenes in this debate by exploring a largely overlooked element of similarity between the two men the place of miracles in their ministries In his close analysis of the miracles performed by Jesus and Paul Greg Rhodea points to signs of continuity between these two historical figures of Christianity He argues that both Jesus and Paul understood their miracles as accompanying and actualizing a message of gracious inclusion of the marginalized resisted proving their ability to work miracles to those who asked for a sign despite the importance of miracle working to their personal authentication and interpreted miracles as proof of the presence of the eschatological kingdom Based on these similarities Rhodea concludes that Paul the apostle knew of Jesus's miracles and that he imitated Jesus in his own ministry of miracle working In

highlighting this previously unexplored area of continuity Rhodea makes a significant contribution to the debate over the relationship between Jesus and Paul Biblical scholars and students interested in this debate will find Signs of Continuity enlightening and informative

Bartz,2019-09-01 Suffering is inescapable in this world Jesus told us we would face perilous trials and that even our bodies would feel the effects of the Fall For women dealing with chronic illness most books offer quick fix counseling or devotional verses taken out of context helpful only for momentary encouragement For true and lasting comfort we must dig deeper into God s Word and the context in which those much used passages were written In Chronic Love Brooke Bartz reveals a deeply raw and descriptive account of life with a chronic and debilitating illness and she shares with readers how comfort and strength can be found through the Truth in God s Word Specifically designed for women who daily battle chronic illness Chronic Love s goal is to provide solid Scriptural encouragement for the fight

Jesus before Pentecost William P.

Atkinson,2016-02-09 Jesus before Pentecost studies the history of Jesus ministry from William P Atkinson s Pentecostal perspective This perspective affects both his method and the book s content In terms of method Atkinson puts forward a strong argument for looking carefully at John s Gospel as well as the synoptic gospels as a reliable historical source for Jesus life And in terms of content his main areas of study follow key Pentecostal interests summed up in the foursquare Pentecostal rubric of Jesus as savior healer baptizer in the Spirit and soon coming king The picture that emerges offers fresh insights into Jesus life notably the symbolic meaning Jesus invested in the feeding of the five thousand the personal cost to Jesus of his approach to healing the sick the involvement of God s Spirit in his life and in the lives of those around him and lastly his enigmatic predictions of his future coming Overall the study is both academically rigorous and warmly engaging It will appeal to anyone who is seriously interested in Jesus whether or not they are Pentecostal
