

Seeing The Story Of The Bible

John Barton

Seeing The Story Of The Bible:

Reading the Bible Again and Seeing It for the First Time Donald W. Haynes, 2017-04-19 Biblical literacy is fundamental to one's religious quest or spiritual journey. Many readers with good intentions get lost or get bogged down trying to read through the Bible on their own. If so, this is your book. For each of the thirty-nine books of the Old Testament, this book has an introduction, its historical and cultural setting, a chapter-by-chapter synopsis of its content, its eternal truths that supersede time, and golden texts that are worthy of your memorization. If you want to see the Bible in the context of its geopolitical world, this is your book. If you need to extract the eternal truths that supersede the biblical culture, this is your book. If you'd like to have a personal Bible of memorable golden texts, this is your book. If you need help as a teacher or preacher, this is your book. If you need to enhance your understanding of the Bible as the Word of God for the people of God, this is your book. This book reflects excellent scholarship but it is designed for all ages and stages, from millennials to octogenarians.

A History of the Bible John Barton, 2019 In Western culture the Bible is monolithic. John Barton argues that the Bible is not a prescription to a complete, fixed religious system but rather a product of a long and intriguing process which has inspired Judaism and Christianity but still does not describe the whole of either religion. He further argues that a thorough understanding of the history and context of its writing encourages religious communities to move away from the Bible's literal wording, which is impossible to determine, and focus instead on the broader meanings of scripture.

The Story Ripples of the Bible Elisabeta Karp, 2025-06-25 The Bible is more into showing than telling. When it wants to teach important and prophetic truths, it takes its time telling true stories. And storytelling in Scripture works like a ripple effect. It sets off a current of events and experiences that repeat, expand, connect, develop, and slowly move toward something or someone. Bible stories build Bible prophecy. The beloved stories readers grew up with, like David and Goliath, also contain frequent flashbacks to past stories so as to foreshadow the future. As the grand narrative progresses from the Old to the New Testament, these recycled stories and their developing patterns eventually shape into a silhouette ready for the Messiah to step into as the perfect match. So like Jesus' disciples on the road to Emmaus, readers must take another listen to the biblical authors narrating their stories because through them they are making the greatest prophetic connections that will cause hearts to burn for truth. As people discover how the Bible's stories ripple toward Messiah, their own stories will too.

The United States Catalog, 1900

The Nonviolent God J. Denny Weaver, 2013-11-26 This bold new statement on the nonviolence of God challenges long-standing assumptions of divine violence in theology. The violent God pictured in the Old Testament and the supposed violence of God in Revelation. In *The Nonviolent God*, J. Denny Weaver argues that since God is revealed in Jesus, the nonviolence of Jesus most truly reflects the character of God. According to Weaver, the way Christians live Christian ethics is an ongoing expression of theology. Consequently, he suggests positive images of the reign of God made visible in the narrative of Jesus' nonviolent practice, forgiveness, and restorative justice, issues of racism and sexism, and more.

in order that Christians might live more peacefully *A General View of the History of the English Bible* Brooke Foss Westcott,1872 *The ^AOxford Handbook of the Bible in America* Paul Gutjahr,2017-11-01 This Handbook brings together a number of established scholars as well as younger scholars on the rise to provide a scholarly overview rich with bibliographic resources to those interested in the Bible s role in American cultural formation **Handbook for Personal Bible Study Second Edition** William W. Klein,2021-08 A proven resource to make you a better student of the Bible The Bible is the most important book ever written And yet we are separated from its authorship by millennia To engage the Bible fully as a life changing practice we need to find our way into it and through it Bible scholar Bill Klein offers a foundational introduction to what the Bible is how it came to be and how it holds together But he doesn t stop there He equips you to engage the Bible with enlivening and enlightening best practices for reading the Bible studying it memorizing it and letting God work in you through it This resource will help you discover all the wonderful mysteries of the world of God s Word Revised and updated for today s readers this second edition is a must have resource for anyone seeking a greater understanding of God s Word *God Without Violence, Second Edition* J. Denny Weaver,2020-06-08 Playing off a child s question concerning whether parents would put their son to death on a cross this book plunges headlong into the ongoing debate about the character of God The church confesses that God is revealed in Jesus This book explores the implications of that radical claim Jesus life reveals his rejection of violence and calls for an understanding of God in nonviolent terms Weaver thus invites us to embrace a nonviolent atonement image in contrast to our inherited atonement images Deriving theology from the narrative of Jesus also leads Weaver into discussions about the very nature of theology the character of the Bible the divine violence in the Old Testament as well as the purported divine violence in the book of Revelation and a rethinking of historic Christology Each of these discussions has implications for life today for economics forgiveness and restorative justice violence gender discrimination racism and more This second expanded edition of *God Without Violence* is an introduction to foundational issues of theology and ethics suitable for church discussion groups and introductory college classes **The Understanding of Adultery in the Hebrew Bible** Alexander Izuchukwu Abasili,2016-06-09 Adultery though not an umbrella concept for all the sexual prohibitions in the Hebrew Bible enjoys a certain pride of place Remarkably it is the one sexual prohibition attested in all biblical genres which makes it very representative in the Hebrew Bible It is the only Hebrew biblical sexual prohibition explicitly mentioned in the Decalogue A solid understanding of Hebrew biblical adultery therefore is an important step towards grasping the vital role of human sexuality in the Hebrew Bible both in terms of inter human relationships and the relationship between the human and the divine Without prejudice to the contents of the Hebrew biblical lexicons and theological dictionaries this work aims at providing a comprehensive understanding of adultery in the Hebrew Bible its meaning punishments and the implications thereof Among others it corrects some wrong assumptions about the concept of adultery in the Hebrew Bible and provides a balanced and unbiased Hebrew biblical conception of adultery and

the implications thereof for todays couples
