Love @ First Sight Arun Arora, 2012-05 Every love story has a childhood in it. We all have fallen in love during our adolescent years. That tender love sometimes vanishes as we grow older into the realities of this practical world and sometimes grows along with us inside our hearts, rooted deep within our thoughts, growing into a much stronger bond with each passing moment. This is the story of one such beautiful love bond that sprouted when a young boy of 13 years of age saw the most beautiful face of his life. Love First Sight recounts how the attraction felt by this young boy went on to grow into the deepest of feelings of love, selflessness and dedication. The boy knew from all his heart that he was in love with the girl and desired her throughout his school life. But he couldn't tell her anything as he couldn't find ways to express his feelings. He couldn't talk to her during the whole five years of their schooling together. It's another thing that she was his classmate. The love remained one-sided at least the boy thought it to be so. Love has the power to change. How love brought in the most amazing and rewarding changes in his life to make it a positively better one to live is something you will love too. So go on and enjoy what love can do to your life, to your living, to you. Happy Living, Happy Loving.
